The Challenge of Subtitling Offensive and Taboo Language into Spanish 2023-01-27 this book provides readers students and teachers with a clear and concise guide to understanding the concepts of offensive and taboo language and how this type of language can be subtitled into spanish used in spain it combines theoretical and practical approaches and covers technical matters as well as those of censorship ideological manipulation translation strategies and techniques the treatment of offensive and taboo language and how to conduct research in this field it includes an array of examples from recent films and tv series to present the reader with real samples of subtitles broadcast on digital platforms today in addition each chapter includes exercises with which the reader can put theory into practice as well as possible solutions in the form of answer keys it will be of use not only to researchers and students but also to future audiovisual translators seeking to acquire further knowledge in the transfer of offensive and taboo language

Non-offensive Defence For The Twenty-first Century 2019-03-11 this anthology constitutes an attempt to take stock of the debate on non offensive defence after the cold war providing information on a research project that was initiated in 1985 at the centre for peace and conflict research in copenhagen

License to Harass 2009-01-10 offensive street speech racist and sexist remarks that can make its targets feel both psychologically and physically threatened is surprisingly common in our society many argue that this speech is so detestable that it should be banned under law but is this an area covered by the first amendment right to free speech or should it be banned in this elegantly written book laura beth nielsen pursues the answers by probing the legal consciousness of ordinary citizens using a combination of field observations and in depth semistructured interviews she surveys one hundred men and women some of whom are routine targets of offensive speech about how such speech affects their lives drawing on these interviews as well as an interdisciplinary body of scholarship nielsen argues that racist and sexist speech creates reproduces and reinforces existing systems of hierarchy in public places the law works to normalize and justify offensive public interactions she concludes offering in essence a license to harass nielsen relates the results of her interviews to statistical surveys that measure the impact of offensive speech on the public rather than arguing whether law is the appropriate remedy for offensive speech she allows that the benefits to democracy to community and to society of allowing such speech may very well outweigh the burdens imposed nonetheless these burdens and the stories of the people who bear them should not remain invisible and outside the debate

The Nivelle Offensive and the Battle of the Aisne 1917 2015-07-31 the notorious plateau of the chemin des dames saw some of the heaviest fighting of the first world war situated just 100 km north east of paris it was the scene in 1917 of the bitterly controversial nivelle offensive which is remembered today as one of the worst disasters in military history for battlefield tourists the chemin des dames is among the most fascinating sites on the entire western front yet until now there has never been a detailed english guide to the actions that raged there in 1917 this new book by andrew uffindell fills that gap as well as demolishing the many myths about the nivelle offensive it enables readers to explore the remarkable battlefield for themselves five tours supplemented by forty six stops at individual places of interest provide an exceptional insight into the struggle for the chemin des dames illustrated with a wealth of maps and photographs this book will be essential reading for anyone interested in the first world war

Observations on the offensive and injurious effect of corporal punishment on the unequal administration of penal justice 1827 the internet has been romanticized as a zone of freedom the alluring combination of sophisticated technology with low barriers to entry and instantaneous outreach to millions of users has mesmerized libertarians and communitarians alike lawmakers have joined the celebration passing the communications decency act which enables internet service providers to allow unregulated discourse without danger of liability all in the name of enhancing freedom of speech but an unregulated internet is a breeding ground for offensive conduct at last we have a book that begins to focus on abuses made possible by anonymity freedom from liability and lack of oversight the distinguished scholars assembled in this volume drawn from law and philosophy connect the absence of legal oversight with harassment and discrimination questioning the simplistic notion that abusive speech and mobocracy are the inevitable outcomes of new technology they argue that current misuse is the outgrowth of social technological and legal choices seeing this clearly will help us to be better informed about our options in a field still dominated by a frontier perspective this book has the potential to be a real game changer armed with example after example of harassment in internet chat rooms and forums the authors detail some of the vile and hateful speech that the current combination of law and technology has bred the facts are then treated to analysis and policy prescriptions read this book and you will never again see the internet through

rose colored glasses

A Demonstration of the Inexpediency and Unlawfulness of War, Both Offensive and Defensive, on the Principles of Christianity 1838

numerous publications exist which examine elements of the security discipline few address these elements as a continuum of interrelated functions none examine the structure of offensive vice defensive security in anything other than the domain of international security this text has been written to fill this gap and to support a course in offensive defensive security developed by henley putnam university which briefly reviews the history of the field of strategic security and its three component parts protection intelligence and counterterrorism as well as its two distinguishing characteristics offensive tactics and operations combined with technological innovation the course then moves to an in depth assessment of related security areas that focus on defensive tactics and operations homeland security criminal justice conflict and peace studies and emergency management while these fields may appear at first to be part of strategic security this course and the associated text explores the critical differences and the fact that they are also critical elements of industrial governmental and military security emphasis will be placed at an introductory level both academic and professional distinctions and discuss the structures associated within these domains the text is divided into the following key sections section 1 the basics section 2 the environment section 3 security planning and management section 1 provides an orientation for the reader to a common frame of reference through information provided in the following chapters it is not intended to be a single source of all relevant information additionally this text is not intended to be the exhaustive single source for all conditions rather it provides a roadmap of considerations on how to reach a specific goal in an efficient and informed manner section 2 examines the world the security professional must inhabit again in a generalized manner and likely in a way never before considered elements of neurology biology physics philosophy logic analytics and finance are presented in a manner unique to the changing paradigm of offensive defensive security philosophy the various chapters are labeled as terrains as the best representation of the environmental information to be discussed each will approach the topics in as clear a manner possible of current thinking and science within each as critical to the understanding of the total security environment the how why and in what ways they will affect the world of this security paradigm finally section 3 incorporates the information of the first two sections and applies the knowledge gained to the planning and management of an integrated security plan the objective of this section is to utilize the concepts and processes developed via international agencies such as the project management institute to demonstrate how to create an integrated and manageable enterprise structure and not a one size fits all template as the knowledge consolidates integration begins that of incorporating the security entity into the enterprise as a whole be that enterprise be a business government entity or military operation the only difference is the scale this is a vital step in that the act of protection cannot interfere with the process of performing the enterprise function in fact it must enhance the enterprise function and assist in ensuring its success key learning points the approach and purpose of this text has been outlined the following are the key reasons or learning points in summary a define the key elements and environments within which the security plan and operational management activities must occur b familiarize the student with cultural biological financial informational and legal aspects necessary for the understanding of how these domains influence human behavior the primary aspect of security planning and operations c familiarize the

The Offensive Internet 2011-05-01 this book offers a nuanced understanding of offensive television content by drawing on an extensive research project involving in depth interviews and focus groups with audiences in britain and germany provocative screens asks what makes something really offensive and to whom in what context why it offence felt so differently and how does offensive content matter in public life regulation and institutional understandings

Some Observations on War, both offensive and detensive, being the substance of a letter written by a Native of Tasmania. With an introduction, etc 1860 we live in an interconnected world in which expressive and religious cultures increasingly commingle and collide in a globalized and digitized era we need to better understand the relationship between the first amendment to the united states constitution and international borders this book focuses on the exercise and protection of cross border and beyond border expressive and religious liberties and on the first amendment s relationship to the world beyond us shores it reveals a cosmopolitan first amendment that protects cross border conversation facilitates the global spread of democratic principles recognizes expressive and religious liberties regardless of location is influential across the world and encourages respectful engagement with the liberty regimes of other nations the cosmopolitan first amendment is the product of historical social political technological and legal developments it examines

the first amendment s relationship to foreign travel immigration cross border communication and association religious activities that traverse international borders conflicts among foreign and us speech and religious liberty models and the conduct of international affairs and diplomacy

Observations on the offensive and injurious effect of Corporal Punishment; on the unequal administration of penal justice; and on the ... advantages of the mild and reformatory over the vindictive system of punishment 1827 through primary sources william thomas allison explores the tet offensive through political military and public lenses to give students the most well rounded view of the event possible

Offensive and Defensive Security 2013-05-21 for members of the u s army s task force faith and the first marine division the battle of chosin reservoir is an epic story of survival courage and ingenuity their exploits are well known woven into the storied histories of the u s army and marine corps now for the first time attack at chosin recounts this battle from the chinese perspective describing the advance that forced general macarthur to reorient his strategy which not only marked a turning point in the korean war but impacted events in asia in ways that still resonate today the battle of chosin reservoir as the chinese commanders foretold determined the fate and length of the korean war author xiaobing li describes the fighting that began on november 27 1950 when 150 000 soldiers from the chinese ninth army group attacked the first marines and elements of the 7th infantry division in the remote mountains of north korea it was a calculated attempt to repel macarthur s home by christmas offensive and to deter un forces from further advances toward the chinese border the fierce fighting that followed combined with the bitter cold made chosin one of the deadliest battles of the war by december 17 after suffering more than 40 000 casualties and failing to achieve their campaign objectives to destroy the american divisions the ninth army group was forced to withdraw one day later on december 18 1950 the remaining survivors were recalled to china as the first book to explore the role of command and control technology and combat effectiveness from the point of view of the chinese and to examine cooperation and friction between beijing and pyongyang attack at chosin sheds new light on the ultimate military success of the un forces during the korean conflict li also provides invaluable insights into chinese military doctrine strategy and tactics that continue to influence foreign policy and american military institutions today

Provocative Screens 2017-11-14 this book is an invitation to every american it is not the work of a political party or special interest group it is a challenge to learn the facts connect the dots and think for yourself evelyn cross is an ordinary american stories from her life reveal simple truths such as the fact that dogs and cats can get along in the same house can humans she also highlights how unrestrained anger escalates into violence and abuse every abuser blames his victim saying if he or she hadn t said or done this or that i wouldn t have needed to kick punch beat or otherwise injure him the abuser feels justified she urges everyone to read the bible and learn its principles regardless of personal belief why experiment using trial and error the bible tells stories of how people throughout history confronted challenges how good people made bad mistakes and the consequences they experienced as a result gain insights to make life better for yourself your children and your community ask the right questions learn the facts build a strong america based on wisdom and truth

The Cosmopolitan First Amendment 2014 the belief that airpower is inherently offensive is a recurrent theme throughout airpower theory and doctrine before world war i dogmatic belief in the dominance of the offense in land warfare affected the military decisions which resulted in the disaster of the trenches termed the cult of the offensive by scholars faith in offense became so unshakable in pre 1914 europe that military organizations dismissed as irrelevant the numerous indications of the waning power of the offense as technological developments strengthened the defense with airpower s professed inclination for offense could a cult of the offensive perniciously trap airpower doctrine and lead to similarly disastrous consequences the study begins by establishing the theoretical background necessary for case study analysis airpower defense is defined as those operations conducted to deny another force s air operations in a designated airspace airpower offenses are those operations in the airspace defended by another or operations conducted outside of one s actively defended airspace the relationship between offense and defense is dissected to discover that airpower defense enjoys neither an advantage of position nor of time so traditional clausewitzian views relative to the power of the defense do not apply to airpower next the study describes those factors which may inject or reinforce a preferential bias for offense into airpower strategy and doctrine a cult of the offensive is defined as an organizational belief in the power of offense so compelling that the military organization no longer evaluates its offensive doctrine objectively this leads to an examination of the ramifications postulated to result from offensive ideology

The Tet Offensive 2010-04-26 ballistic missile defenses bmd have been an issue in u s soviet and u s russian arms control talks since the 1970s during the

cold war the nations sought to balance limits on offensive weapons and defensive weapons so that they could maintain strategic stability which refers to the ability of each side to launch a retaliatory strike after absorbing a first strike by the other side contents of this report 1 intro 2 strategic stability and the relationship between offensive and defensive forces 3 bmd and the 1991 start treaty the negotiating framework start ratification resolving competing priorities bmd programs and budgets bmd in the 1980s and 1990s current bmd plans and programs 4 bmd budgets over time

Attack at Chosin 2020-05-07 the german wehrmacht was one of the most capable fighting forces the world has ever known but in the end it was no match for the allies some historians contend that the allies achieved victory through brute force and material superiority but as peter mansoor argues all of the material produced by us industry was useless without trained soldiers to operate it a coherent doctrine for its use and leaders who could effectively command the formations into which it was organized

Warning! This Book Is Offensive and Politically Incorrect 2021-02-23 helps improve individual and team performance features 75 drills with key points and diagrams

Airpower And The Cult Of The Offensive 2015-11-06 first offensive is a comprehensive account of the marine s offensive in the battle for Guadalcanal during WWII the work consists of the facts on how the marines sent a message to Japan by devising and overcoming the enemy told at the level of companies platoons and individuals this work reveals the relationships between air ground and marine forces in World War II the book contains maps tables charts illustrations appendixes bibliographical notes etc what makes this work stand out is that it breaks down various elements to make them more understandable for readers who are not familiar with certain aspects the Guadalcanal campaign was a military campaign fought between 1942 and 1943 on and near the island of Guadalcanal in the Pacific theater of World War II it was the first significant land offensive by allied forces against the empire of Japan

Ballistic Missile Defense and Offensive Arms Reductions 2010-11 why do people take offence at things that are said what is it exactly about an offending utterance which causes this negative reaction how well motivated is the response to the offence offensive language addresses these questions by applying an array of concepts from linguistic pragmatics and sociolinguistics to a wide range of examples from TV to Twitter and from Mel Gibson to Donald Trump establishing a sharp distinction between potential offence and actual offence Jim O'Driscoll then examines a series of case studies where offence has been caused assessing the nature and degree of both the offence and the documented response to it through close linguistic analysis this book explores the fine line between free speech and criminal activity searching for a principled way to distinguish the merely embarrassing from the reprehensible and the censurable in this way a new approach to offensive language emerges involving both how we study it and how it might be handled in public life

The GI Offensive in Europe 1999 what is offensive warfare an offensive is a military operation that seeks through an aggressive projection of armed forces to occupy or recapture territory gain an objective or achieve some larger strategic operational or tactical goal another term for an offensive often used by the media is invasion or the more general attack an offensive is a conduct of combat operations that seek to achieve only some of the objectives of the strategy being pursued in the theatre as a whole commonly an offensive is carried out by one or more divisions numbering between 10 and 30 000 troops as part of a combined arms manoeuvre how you will benefit i insights and validations about the following topics chapter 1 offensive military chapter 2 battle chapter 3 blitzkrieg chapter 4 battle of Kursk chapter 5 aerial warfare chapter 6 operation Bagration chapter 7 military operation chapter 8 second battle of Kharkov chapter 9 combined operations chapter 10 case blue ii answering the public top questions about offensive warfare who this book is for professionals undergraduate and graduate students enthusiasts hobbyists and those who want to go beyond basic knowledge or information for any kind of offensive warfare

AFCA's Offensive Football Drills 1998 in the Thatcherite offensive Alexander Gallas shows that Thatcherism's unity as a political project lay in the fact that the Thatcher governments profoundly shifted class relations in Britain in favour of capital and restructured the institutions underpinning class domination

First Offensive: The Marine Campaign for Guadalcanal 2022-06-02 no mission too difficult no sacrifice too great duty first for almost a century from the western front of World War I to the deserts of Iraq this motto has spurred the soldiers who wear the shoulder patch bearing the big red one in this first

comprehensive history of america s 1st infantry division james scott wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation the oldest continuously serving division in the u s army the fighting first has consistently played a crucial role in america s foreign wars it was the first american division to see combat and achieve victory in world war i and set the standard for discipline training endurance and tactical innovation one of the few intact divisions between the wars it was the first army unit to train for amphibious warfare during world war ii the first division spearheaded the invasions of north africa and sicily before leading the normandy invasion at omaha beach and fighting on through the hurtgen forest the battle of the bulge the ruhr pocket and deep into germany by war s end it had developed successful combined arms regimental combat teams and made advances in night operations wheeler describes the first division s critical role in postwar germany and as the only combat division in europe during the early cold war after returning to the united states at fort riley kansas the division fought valiantly in vietnam for five trying years successfully protecting saigon from major infiltration along highway 13 while pioneering air mobile operations it led the liberation of kuwait in desert storm and kept an uneasy peace in bosnia and kosovo along the way wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers meticulously detailed and engagingly written the big red one nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects the larger chronicle of america s military experience over the past century

First Offensive 1992 this is a day by day account of the battle of kharkov and operation fridericus it discusses operations down to a battalion level the text is supported by 49 maps complete orders of battle for both armies including the german allies
