The New Deal The New Deal The New Deal A Concise History of the New Deal The New Deal Why the New Deal Matters Franklin D. Roosevelt and the New Deal The New Deal A Short History of the New Deal The South and the New Deal The New Deal: The national level Building New Deal Liberalism The Rise and Fall of the New Deal Order, 1930-1980 The New Deal Fifty Years Later The New Deal: the Historical Debate The Coming of the New Deal The New Deal The New Deal New Deal Thought The New Deal and the South The Great Depression and the New Deal The New Deal The New Deal and the Great Depression Fear Itself: The New Deal and the Origins of Our Time The New Deal The New Deal The End of Reform The Buying of the Presidency? The New Deal and the West A Commonwealth of Hope Franklin D. Roosevelt (ELL). The New Deal Texans, Politics, and the New Deal Invisible Hands: The Businessmen's Crusade Against the New Deal Father Coughlin and the New Deal The Great Depression and the New Deal: A Very Short Introduction The Diary of Rexford G. Tugwell Boston, the Great Depression, and the New Deal The Critical Press and the New Deal

*The New Deal* 2011 franklin roosevelt s new deal began as a program of short term emergency relief measures and evolved into a truly transformative concept of the federal government s role in americans lives more than an economic recovery plan it was a reordering of the political system that continues to define america to this day with this book writer michael hiltzik offers fresh insights into this inflection point in the american experience he shows how roosevelt through force of personality commanded the loyalty of the fiscal conservatives and radical agrarians alike yet the same character traits that made him a great leader would sow the seeds of the new deal s end understanding the new deal may be more important today than at any time in the last eight decades conceived in response to a devastating financial crisis very similar to america s most recent downturn the new deal remade the country s economic and political environment in six years of intensive experimentation and provided a model for subsequent presidents who faced challenging economic conditions right up to the present from publisher description

[The New Deal](#) 2010-09-01 explores the background of the new deal including the events leading up to it its effects on the u s economy and the key people involved

**The New Deal** 2006-07 discusses america on the brink of economic disaster and how franklin roosevelt promised a new deal for america

[A Concise History of the New Deal](#) 2014-05-29 this book provides a history of the new deal exploring the institutional political and cultural changes experienced by the united states during the great depression

**The New Deal** 1968 a look at how the new deal fundamentally changed american life and why it remains relevant today the new deal was america s response to the gravest economic and social crisis of the twentieth century it now serves as a source of inspiration for how we should respond to the gravest crisis of the twenty first there s no more fluent and informative a guide to that history than eric rauchway and no one better to describe the capacity of government to transform america for the better barry eichengreen university of california berkeley the greatest peaceable expression of common purpose in u s history the new deal altered americans relationship with politics economics and one another in ways that continue to resonate today no matter where you look in america there is likely a building or bridge built through new deal initiatives if you have taken out a small business loan from the federal government or drawn unemployment you can thank the new deal while certainly flawed in many aspects the new deal was implemented by a democratic party still beholden to the segregationist south for its majorities in congress and the electoral college the new deal was instated at a time of mass unemployment and the rise of fascistic government models and functioned as a bulwark of american democracy in hard times this book looks at how this legacy both for good and ill informs the current debates around governmental responses to crises

[Why the New Deal Matters](#) 2021-04-06 when the stability of american life was threatened by the great depression the decisive and visionary policy contained in fdr s new deal offered america a way forward in this groundbreaking work william e leuchtenburg traces the evolution of what was both the most controversial and effective socioeconomic initiative ever undertaken in the united states and explains how the social fabric of american life was forever altered it offers illuminating lessons on the challenges of economic transformation for our time and for all time

**Franklin D. Roosevelt and the New Deal** 2009-02-24 when franklin d roosevelt was sworn in as president the south was unmistakably the most disadvantaged part of the nation the region s economy was the weakest its educational level the lowest its politics the most rigid and its laws and social mores the most racially slanted moreover the region was prostrate from the effects of the great depression roosevelt s new deal effected significant changes on the southern landscape challenging many traditions and laying the foundations for subsequent alterations in the southern way of life at the same time firmly entrenched values and institutions militated against change and blunted the impact of federal programs in the south and the new deal roger biles examines the new deal s impact on the rural and urban south its black and white citizens its poor and its politics he shows how southern leaders initially welcomed and supported the various new deal measures but later opposed a continuation or expansion of these programs because they violated regional convictions and traditions nevertheless biles concludes the new deal coupled with the domestic effects of world war ii set the stage for a remarkable postwar transformation in the affairs of the region the post world war ii sunbelt boom has brought dixie more fully into the national mainstream to what degree did the new deal disrupt southern distinctiveness biles answers this and other questions and explores the new deal s enduring legacy in the region

**The New Deal** 1967 providing the first historical study of new deal public works programs and their role in transforming the american economy landscape and political system during the twentieth century reconstructing the story of how reformers used public authority to reshape the nation jason scott smith argues that the

new deal produced a revolution in state sponsored economic development the scale and scope of this dramatic federal investment in infrastructure laid crucial foundations sometimes literally for postwar growth presaging the national highways and the military industrial complex this impressive and exhaustively researched analysis underscores the importance of the new deal in comprehending political and economic change in modern america by placing political economy at the center of the new political history drawing on a remarkable range of sources smith provides a groundbreaking reinterpretation of the relationship between the new deal s welfare state and american liberalism

A Short History of the New Deal 1977 the 10 essays in this book probe the underlying economic social and cultural dynamics of the roosevelt revolution analyze the durability of the new deal coalition through the mid 1960s and uncover the racial class and cultural fissures that led to its disintegration the contributors answer such questions as how did the democratic party accommodate both poor workers and wealthy capitalists why did the labor question lose its importance in american politics as soon as the movement achieved political power why did economic abundance generate political and cultural conservatism in the 1950s but radicalism in the 1960s isbn 0 691 04761 8 25 00

**The South and the New Deal** 2021-05-11 product description demonstrating the intellectual excitement that is the practice of history at its best paul conkin s the new deal is still one of the best known titles in the very popular american history series edited by john hope franklin and a s eisenstadt the new deal third edition is still the best succinct and coherent description of a chaotic period it is an account of the major domestic policies adopted during the roosevelt administration it is also a rich portrait of roosevelt the man and consummate politician and the satellite figures around him this highly interpretive text with its spirited and often subtle assessments of new deal personalities and programs will continue to bring the period to life for new generations of students includes extensive photo essay

**The New Deal: The national level** 1975 revised and expanded papers originally presented at a symposium sponsored by the dept of history university of new hampshire and held mar 17 18 1983

**Building New Deal Liberalism** 2006 how did the new deal change american life this book of readings examines different historians interpretations of and insights into the answer and the question this historical debate offers different estimates and explanations of how the new deal changed america in the 1930s how it affects america today and what might be done to bring about new change back cover

**The Rise and Fall of the New Deal Order, 1930-1980** 1989 volume two of the pulitzer prize winning author s age of roosevelt series describes franklin delano roosevelt s first tumultuous years in the white house coming into office at the bottom of the great depression fdr told the american people that they have nothing to fear but fear itself the conventional wisdom having failed he tried unorthodox remedies to avert economic collapse his first hundred days restored national morale and his new dealers filled washington with new approaches to recovery and reform combining idealistic ends with realistic means roosevelt proposed to humanize redeem and rescue capitalism the coming of the new deal written with schlesinger s customary verve is a gripping account of critical years in the history of the republic monumental authoritative spirited one of the major works in american historical literature new york times impelling an achievement as much in its sensitivity as in its scholarship it is essential reading kirkus reviews

**The New Deal** 1992 this book offers a chronological introduction to the new deal incorporating details of events and developments outside as well as within washington d c and examining american and foreign reaction to the policies the main emphasis of the book is on policy formation and implementation and on the context in which the new deal evolved a detailed chronology of events is provided and the new deal ends with notes on further reading and an extensive index

Fifty Years Later 1985 in tackling america s worst depression the new deal brought the federal government into unprecedented contact with most americans and shaped the political economy of the contemporary united states this major new study incorporates the results of many recent case studies of the new deal and provides a detailed assessment of the impact of the depression and new deal programmes on businessmen industrial workers farmers and the unemployed in his thematic analysis of the implementation of particular programmes rather than in a narrative of policymaking dr badger explains the political and ideological constraints which limited the changes wrought by the new deal

**The New Deal: the Historical Debate** 1973 the new deal and the south edited by james c cobb and michael v namorato essays by alan brinkley harvard sitkoff frank freidel pete daniel j wayne flynt and numan v bartley the new deal and the south represents the first comprehensive treatment of the impact of the roosevelt

recovery program on the south in essays dealing with the new deal s overall effect on the south its influence on southern agriculture labor blacks and politics and its significance as a turning point in the region s history the contributors provide readers with an opportunity to develop a more complete understanding of an era which a number of historians now mark as the period in which the new south actually began to become new each of the essays in this collection was presented at the ninth annual chancellor s symposium on southern history held in october 1983 at the university of mississippi in the introductory essay frank freidel identifies the new deal period as one of the most important phases in the modernization of the south one which linked the wishful thinking of the new south era to the much publicized contemporary sunbelt south pete daniel describes the new deal s role in the mechanization consolidation and corporatization of southern agriculture a phenomenon that swept thousands of southerners from the land and paved the way for an all out crusade to industrialize the region in his analysis of the new deal s impact on southern labor wayne flynt assesses what the new deal did and did not mean for southern industrial workers alan brinkley stresses the tensions induced in southern politics during the new deal era particularly those caused by the democratic party s increased responsiveness to blacks and organized labor harvard sitkoff in surveying the new deal s impact on black southerners cites the limited nature of that impact but points to the seeds of future progress sown by the roosevelt administration and its policies in the concluding essay numan v bartley emphasizes the collapse of a paternalistic labor system and the shift of power from small town to urban elites and suggests that the years 1935 1945 may soon be seen as the crucial decade in southern history the new deal and the south provides both the serious student and the general reader with an up to date assessment of one of the most critical transitional periods in southern history james c cobb is a professor of history at the university of georgia michael v namorato is a professor of history at the university of mississippi

The Coming of the New Deal 2003-07-09 information of the great depression including analysis biographical profiles documents and current resources

The New Deal 2013-12-16 experts on the 1930s address the changing historical interpretations of a critical period in american history following a decade of prosperity the great depression brought unemployment economic ruin poverty and a sense of hopelessness to millions of americans president franklin d roosevelt s new deal programs aimed to bring relief recovery and reform to the masses the contributors to this volume explore how historians have judged the nature effects and outcomes of the new deal

*The New Deal* 1987-10-01 a powerful argument swept along by katznelson s robust prose and the imposing scholarship that lies behind it kevin boyle new york times book review a work that deeply reconceptualizes the new deal and raises countless provocative questions david kennedy fear itself changes the ground rules for our understanding of this pivotal era in american history ira katznelson examines the new deal through the lens of a pervasive almost existential fear that gripped a world defined by the collapse of capitalism and the rise of competing dictatorships as well as a fear created by the ruinous racial divisions in american society katznelson argues that american democracy was both saved and distorted by a faustian collaboration that guarded racial segregation as it built a new national state to manage capitalism and assert global power fear itself charts the creation of the modern american state and how a belief in the common good gave way to a central government dominated by interest group politics and obsessed with national security louis menand the new yorker

New Deal Thought 1966 the first history of the new deal in global context the new deal a global history provides a radically new interpretation of a pivotal period in us history the first comprehensive study of the new deal in a global context the book compares american responses to the international crisis of capitalism and democracy during the 1930s to responses by other countries around the globe not just in europe but also in latin america asia and other parts of the world work creation agricultural intervention state planning immigration policy the role of mass media forms of political leadership and new ways of ruling america s colonies all had parallels elsewhere and unfolded against a backdrop of intense global debates by avoiding the distortions of american exceptionalism kiran klaus patel shows how america s reaction to the great depression connected it to the wider world among much else the book explains why the new deal had enormous repercussions on china why franklin d roosevelt studied the welfare schemes of nazi germany and why the new dealers were fascinated by cooperatives in sweden but ignored similar schemes in japan ultimately patel argues the new deal provided the institutional scaffolding for the construction of american global hegemony in the postwar era making this history essential for understanding both the new deal and america s rise to global leadership

**The New Deal and the South** 1984 franklin d roosevelt s new deal was a turning point in the role of the federal government and in the expectations of american citizens now alan brinkley whose voices of protest won the american book award for history shows how new deal liberalism was transformed into a new beast during and after world war ii and why it is faring so poorly in the 1990s

*The Great Depression and the New Deal* 2001 this groundbreaking work tells the true story behind franklin d roosevelt s 1936 reelection drawing upon never before published personal files to expose a nexus of patronage and power that changed america forever fdr s 1936 reelection represented his greatest political triumph yet the election remains largely unstudied despite the fact that critical decisions by some of the most colorful and controversial characters in american history make it one of the most significant ever to take place this landmark work the first specifically about the 1936 election highlights the key debates events and personalities that epitomized the conflicted highly charged politics of the new deal era in telling its gripping tale the book discloses the secret history of roosevelt s new deal it uncovers the hidden roles that money patronage and power played in the campaign of 1936 underscoring the transition from the old school politics of stump speaking and glad handing to a new world of professionalism marked by scientific polling targeted advertising and direct media the book offers a new perspective on this critical period in american history through its use of previously unpublished private correspondence and internal memos from key players in the roosevelt administration as well as from gop chairman john hamilton these archival sources detail the nuts and bolts of running a presidential campaign during the great depression and reveal how money was manipulated to buy votes exposing the true story behind the making of modern america the book is a must read for anyone interested in fdr u s history politics or the presidency

*The New Deal* 1977 reprint of the estimable book originally published by indiana university press in 1984 which edition is cited in bcl3 annotation copyright book news inc portland or

**The New Deal and the Great Depression** 2014 was the new deal an aberration in american history this look at its origins and legacy is truly refreshing the author makes a good case for his ideas journal of economic history did the new deal represent the true american way or was it an aberration that would last only until the old order could reassert itself this original and thoughtful study tells the story of the new deal explains its origins and assesses its legacy alan lawson explores how the circumstances of the great depression and the distinctive leadership of franklin d roosevelt combined to bring about unprecedented economic and policy reform challenging conventional wisdom he argues that the new deal was not an improvised response to an unexpected crisis but the realization of a unique opportunity to put into practice roosevelt s long developed progressive thought lawson focuses on where the impetus and plans for the new deal originated how roosevelt and those closest to him sought to fashion a cooperative commonwealth and what happened when the impulse for collective unity was thwarted he describes the impact of the great depression on the prevailing system and traces the fortunes of several major social sectors as the drive to create a cohesive plan for reconstruction unfolded he continues the story of these main sectors through the last half of the 1930s and traces their legacy down to the present as crucial challenges to the new deal have arisen drawing from a wide variety of scholarly texts records of the roosevelt administration depression era newspapers and periodicals and biographies and reflections of the new dealers lawson offers a comprehensive conceptual base for a crucial aspect of american history

**Fear Itself: The New Deal and the Origins of Our Time** 2013-03-01 a new entry in the problems in american civilization series which focuses on an event or movement in american history and brings together classic as well as contemporary scholarly essays

*The New Deal* 1992 a compelling and readable story of resistance to the new economic order boston globe in the wake of the profound economic crisis known as the great depression a group of high powered individuals joined forces to campaign against the new deal not just its practical policies but the foundations of its economic philosophy the titans of the national association of manufacturers and the chemicals giant dupont together with little known men like w c mullendore leonard read and jasper crane championed european thinkers friedrich von hayek and ludwig von mises and their fears of the nanny state through fervent activism fundraising and institution building these men sought to educate and organize their peers as a political force to preserve their profit margins and the american way of doing business in the public relations department of general electric they would find the perfect spokesman ronald reagan some images in the ebook are not displayed owing to permissions issues

**The New Deal** 2016-01-12 traces the career and political influence of the radio priest of detroit mich from the early 1930 s to his retirement from public life in 1942

**The End of Reform** 1995 the new deal shaped our nation s politics for decades and was seen by many as tantamount to the american way itself now in this superb compact history eric rauchway offers an informed account of the new deal and the great depression illuminating its successes and failures rauchway first describes how the roots of the great depression lay in america s post war economic policies described as laissez faire with a vengeance which in effect isolated our nation

from the world economy just when the world needed the united states most he shows how the magnitude of the resulting economic upheaval and the ineffectiveness of the old ways of dealing with financial hardships set the stage for roosevelt s vigorous and sometimes unconstitutional depression fighting policies indeed rauchway stresses that the new deal only makes sense as a response to this global economic disaster the book examines a key sampling of new deal programs ranging from the national recovery agency and the securities and exchange commission to the public works administration and social security revealing why some worked and others did not in the end rauchway concludes it was the coming of world war ii that finally generated the political will to spend the massive amounts of public money needed to put americans back to work and only the cold war saw the full implementation of new deal policies abroad including the united nations the world bank and the international monetary fund today we can look back at the new deal and for the first time see its full complexity rauchway captures this complexity in a remarkably short space making this book an ideal introduction to one of the great policy revolutions in history about the series oxford s very short introductions offers concise and original introductions to a wide range of subjects from islam to sociology politics to classics and literary theory to history not simply a textbook of definitions each volume provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given topic every very short introduction gives a readable evolution of the subject in question demonstrating how it has developed and influenced society whatever the area of study whatever the topic that fascinates the reader the series has a handy and affordable guide that will likely prove indispensable

*The Buying of the Presidency?* 2014-10-14 rexford g tugwell s diary of the new deal era is one of the most important first hand primary accounts of the new deal available one of fdr s most intimate advisors tugwell provides an open account of what went on in the new deal particularly in the early days when programs to address the great depression were being devised the diary talks openly about how programs were devised who was involved and how fdr reacted it is very specific about such new deal programs as the nra aaa and the different relief programs including cwa pwa the resettlement administration and ccc the diary also discusses individuals such as fdr henry wallace hugh johnson donald richberg chester davis louis brandeis felix frankfurter and fellow brain trusters raymond moley and adolf berle the diary also provides insight into how tugwell viewed himself and whether or not he agreed with the individuals assigned to run the new deal programs one of the most used sources at the fdr library this diary gives a rare glimpse of fdr and how he treated his intimate advisers

**The New Deal and the West** 1984 this book challenges generally accepted views by concluding that the critical press so often characterized by pro new deal historians as conservative or reactionary was in fact a good deal more liberal than roosevelt and his advisers without its opposition to roosevelt s policies during the years before congress began to reassert its constitutional responsibilities the united states might well have deviated considerably from the path of constitutional and democratic government from 1933 to 1938 the critical press both newspapers and journalists fulfilled much of the function of and perceived of itself as the equivalent of a parliamentary opposition to roosevelt s policies and programs since this was a period when the republican opposition was moribund and congress was generally submissive to the executive branch best describes the reaction of the critical press to fdr s domestic policies toward enhancement of the power of the white house at the expense of congress and the supreme court this enhancement gradually led many in the press to conclude that the basis for dictatorial rule was being laid by roosevelt and or those around him this study will be of interest to historians and students of history
