Help your students gain and master essential comprehension skills and strategies with SRA Reading Success. This supplemental reading program requires only 25 minutes three days per week to make a dramatic improvement in a student's ability to understand what they read. The program builds vocabulary skills by helping students derive meaning from context and adds to students' general word knowledge through a wide variety of high interest readings. In addition, it is designed to help students transfer this knowledge to improve their performance on national and state assessments. With SRA Reading Success, you teach students to comprehend by teaching them explicit comprehension strategies that can be applied to any reading task, including determining the main idea and supporting details, identifying an author's purpose, paraphrasing, and summarizing. Drawing inferences using context to figure out word meanings. Components: Teacher materials include teacher book, assessment, blackline master.
