Equality, Participation and Inclusion 2 2021-04-20

this book explores tried and tested strategies that support student and faculty engagement and inclusion in the academy these strategies are anchored by a brief exploration of the history and effects of exclusion and deprivelege in higher education however while many publications exploring academic inequality focus on the causes and impacts of structural psychological and cultural exclusion based on racism sexism classism and ableism they rarely engage in interventions to expose and combat such de privilege capturing examples of inclusive practices that are as diverse as student and faculty populations these strategies can be easily translated and employed by organisations collectives and individuals to recognise and combat social and academic exclusion within higher education environments

The HBR Diversity and Inclusion Collection (5 Books) 2020-06-29

how students are assessed can determine not only the quality type and degree of education they receive but has long term consequences for their future assessment by standardized testing often labels poor and minority children in ways that exclude them from opportunities while failing to measure their

true potential assessment for equity and inclusion confronts the debate between standardized testing and alternative assessment methods locating strategies of assessment by which students are included rather than excluded

Strategies for Supporting Inclusion and Diversity in the Academy 2012-12-06

some of today's problematic ideologies of racial and religious difference can be traced back to constructions of the relationship between Judaism and early Christianity. New Testament studies which developed contemporaneously with Europe's colonial expansion and racial ideologies is David Horrell. Horrell argues therefore an important site at which to probe critically these ideological constructions and their contemporary implications in ethnicity and inclusion. Horrell explores the ways in which ethnic and religious characteristics feature in key Jewish and early Christian texts challenging the widely accepted dichotomy between a Judaism that is ethnically defined and a Christianity that is open and inclusive. Then through an engagement with whiteness studies he offers a critique of the implicit whiteness and Christianness that continue to dominate New Testament studies today arguing that a diversity of embodied perspectives is epistemologically necessary.

Assessment for Equity and Inclusion 2020-10-29

Second generation diversity training (SGDT) is about creating cultures of excellence through the practices of inclusion. It is about developing skills that offer everyone an opportunity to have a seat and a say. Second generation diversity training is about how to explore truths beyond our normal conditioning so that we may all enjoy the fruits of hard work, innovative practices, and creative energy that bring the very best into the workplace and into society. SGDT is about building the type of skills that make our workplaces havens of energy, excitement, and commitment versus places of fear, entropy, and doubt. If you want employees waking up wanting to come to work versus having to come to work, read on.

Ethnicity and Inclusion 2008-03

Beyond Inclusion adopts a holistic and systems view of the organization. It presents a behavioral model of organizational inclusion based upon research with thousands of employees and discusses elements of organizational design that need to be adjusted to create, nurture, and sustain an inclusive culture.

The Fruits of Inclusion 2014-08-07

Diversity and inclusion (D&I) in a corporate business may once have been no more than a lofty goal. Today it is seen as an important asset for all types of businesses. This book analyzes the communicative aspects of D&I in organizational as well as corporate settings. Its close look into linguistic practices allows a deeper understanding of D&I and the challenges related to it. The interdisciplinary contributors, scholars and practitioners alike, used quantitative and qualitative approaches. They examined the communication for within and about a diverse society from a variety of angles. The topics they cover include linguistic diversity, D&I in corporate reports, and D&I in criminal law and boardrooms. Thus they lay out the challenges of implementing D&I management in everyday business. They also highlight the relation between language use and D&I.

Beyond Inclusion 2023-03-02

in search of education participation and inclusion offers an original coherent and inspiring approach to the delivery of education for all jonathan rix backed by extensive research builds upon his wide ranging professional and personal experiences to explore three conceptual innovations models of certainty and uncertainty the while of participation and communities of provision through these innovations the reader examines the challenges faced by school systems in delivering inclusive and participatory experiences of learning topics explored include theories of education participation and inclusion the constraints on our education systems as they struggle to deliver certainty in a world of uncertainty how the challenges of our systems collaborate with inequality to produce marginalised experiences of participation the exclusionary nature of our communities of provision how we can understand and enhance moments of participation how embracing uncertainty can lead to more meaningful participation and towards more inclusive communities policies and practices that enhance the possibility of education for all this is a crucial read for any educator educational leader or researcher with an interest in the development of innovative theory and practice in the fields of inclusive education and participatory practice

Diversity and Inclusion across languages 2023-11-17

first published in 2000 this book looks at inclusive education in the context of policy and practice in a number of different countries particularly in relation to children and young people of school age at the heart of the idea of inclusive education lie serious issues concerning human rights equal opportunities and social justice the papers in this book will hopefully contribute to stimulating further debate and dialogue over both the conceptualisation and understanding of a cross cultural approach to inclusion and exclusion

In Search of Education, Participation and Inclusion 2016-01-08

ivp readers choice award lamar hardwick was thirty six years old when he found out he was on the autism spectrum while this revelation helped him understand and process his own experience it also prompted a difficult re evaluation of who he was as a person and as a pastor it started him on a new path of considering the way disabled people are treated in the church disability and the church is a practical and theological reconsideration of the church s responsibilities to the disabled community too often disabled persons are pushed away from the church or made to feel unwelcome in any number of ways as hardwick writes this should not be he insists that the good news of jesus affirms god s image in all people and he offers practical steps and strategies to build stronger truly inclusive communities of faith
