it is a great privilege to write a preface to my father s book i like to share with you how he had shaped me and helped me reach this position today one evening some seven years ago i received a phone call from the board of secondary education informing me that i secured a state rank in my intermediate examination tears of joy rolled down my cheeks i am sure you would agree with me that it is one of the best moments in any student s lifetime thank s to my father i could accomplish that later as we discussed my future plans and career pathways that i should consider after my intermediate my father suggested me to go for a job with my plus two qualification i was naturally surprised i remember his words if you concentrate with your senses studying for three hours a day is enough to come off in flying colours i joined as an apprentice in a chartered accountancy firm and later in nagarjuna power corporation ltd as an industrial trainee for a monthly salary of rs 1 500 of course it was tough to study and work at the same time but i enjoyed the challenge when i left npc my salary was around rs 2 500 in the mean time using the art of studying instilled in me by my father i simultaneously completed in the evening college my b com hons and chartered accountancy at this juncture i came across an advertisement by the world bank group i applied and had to face stiff competition from more than 100 candidates most of them were from some of the prestigious management institutes and other business schools with

considerable work experience the american executive who interviewed me was very much convinced with my bio data and i bagged the job and became one of the youngest analysts in the world bank group my posting was at delhi and my salary was rs 1 lakh per month and i was 23 then after working for two years i was fed up with my routine job and wanted greater challenges and varied international exposure i wanted to study further when i informed my intentions to my father he readily encouraged me to take the plunge there is a quotation in one of my father s novels even if you are a fish i believe that there is no point in staying in a pond where you don t like the water i resigned my job and left for inseed france ranked the world s best non us business school to do my m b a with my two years savings about rs 15 lakhs after completion of my post graduation i joined as a business planning and control executive with michlin at singapore and worked for 2 years it s me who asked my father to write this book to help students whatever be the stream of education they choose i agree with him that spending millions of rupees on education is a luxury not every one can afford when a parent is able to invest a simple ten minutes a day and enthuse the child to do better as a chartered accountant i can assure that it would be the best investment one could ever ask for mom what is wisdom a girl asked her mother showed a jar in the kitchen and queried whether she would eat a cup of sugar from it no aid the girl how about eating few raw eggs or maida the girl was confused her mother continued but you love to eat the mixture of those ingredients called cake same way wisdom is the final product ingredients being intelligence knowledge skill logic reflex actions lateral thinking common sense rational thinking answering under tension presence of mind communication spontaneity art of listening understanding and speaking
