War in the Balkans, 1991-2002 - Comprehensive History of Wars Provoked by Yugoslav Collapse: Balkan Region in World Politics, Slovenia and Croatia, Bosnia-Herzegovina, Kosovo, Greece, Turkey, Cyprus 2016-12-11

this book was written to address the need for a comprehensive history of the balkan wars provoked by the collapse of the yugoslav federation in 1991 these wars and the instability that they have provoked became preoccupations for international security management through the 1990s after an initial phase of distancing and hesitation balkan conflict drew the united states and its most important european allies into an open ended commitment to peace enforcement conflict management and peace building in the region importantly supported by the u s army these efforts are still underway and significant tensions and potential flashpoints remain in place within former yugoslavia and the entire southeastern european area the lessons learned from the new balkan wars and the successes and failures of u s and international engagement provide a significant foundation for future efforts to manage intractable regional conflict dr nation s work has been supported by a research grant provided by the u s army war college and is published under the auspices of the strategic studies institute the army war college s primary mission is to prepare new generations of strategic leaders to assume positions of responsibility within the u s armed forces and civilian arms of the national security system that mission includes a serious confrontation with the most pressing security issues of our time to include the nature of contemporary armed conflict and the changing nature of war itself the balkan conflict of the 1990s as a case study in state failure and medium intensity warfare international conflict management and intervention and u s military engagement provides an excellent framework for asking basic questions about the dynamic of international security at the dawn of a new millennium war in the balkans 1991 2002 is intended to provide a foundation for addressing such questions by surveying events in both contemporary and larger historical perspectives and posing preliminary conclusions concerning their larger meaning there will regrettably be other situations comparable in broad outline to the violent decline and fall of socialist yugoslavia the policies of the international community in the yugoslav imbroglio have been criticized widely as ineffective however in the end after years of futility the conflict could be contained only by a significant international military intervention spearheaded by the united states and a long term multilateral commitment to post conflict peace building few would wish to pose the outcome as a model to be emulated but it should be a case from which we can learn chapter 1 the balkan region in world politics chapter 2 the balkans in the short 20th century chapter 3 the state of war slovenia and croatia 1991 92 chapter 4 the land of hate bosnia herzegovina 1992 95 chapter 5 war and revenge in kosovo 1998 99 chapter 6 greece turkey cyprus chapter 7 the balkans between war and peace

Civic Wars 1997

historian mary p ryan traces the fate of public life and the emergence of ethnic class and gender conflict in the 19th century city using as examples new york new orleans and san francisco ryan illustrates the way in which american cities of the 19th century were as full of cultural differences and as fractured by social and economic changes as any metropolis today 41 photos

A History of the Sepoy War in India, 1857-58 1880

existing studies of the vietnam war have been written mostly from an american perspective using western sources and viewing the conflict through western eyes this book based on extensive original research including vietnamese chinese and former soviet sources presents a history of the war from

the perspective of the vietnamese communists it charts relations with moscow and beijing showing how the involvement of the two major communist powers changed over time and how the vietnamese despite their huge dependence on the chinese and the soviets were most definitely in charge of their own decision making overall it provides an important corrective to the many one sided studies of the war and presents a very interesting new perspective

A History of the Sepoy War in India, 1857-1858 1876

a vivid sensitive portrait of a small tradition bound community coming to terms with modernity under the most adverse of conditions observer review many scholars have tried to assess adolf hitler s influence on the german people usually focusing on university towns and industrial communities most of them predominately protestant or religiously mixed this work by walter rinderle and bernard norling however deals with the impact of the nazis on oberschopfheim a small rural overwhelmingly catholic village in baden wuerttemberg in southwestern germany this incisively written book raises fundamental questions about the nature of the third reich the authors portray the nazi regime as considerably less totalitarian than is commonly assumed hardly an exemplar of the efficiency for which germany is known and neither revered nor condemned by most of its inhabitants the authors suggest that oberschopfheim merely accepted nazi rule with the same resignation with which so many ordinary people have regarded their governments throughout history based on village and county records and on the direct testimony of oberschopfheimers this book will interest anyone concerned with contemporary germany as a growing economic power and will appeal to the descendants of german immigrants to the united states because of its depiction of several generations of life in a german village an excellent study describes in rich detail the political economic and social structures of a village in southwestern germany from the turn of the century to the present publishers weekly a lively informative treatise that puts a human face on history south bend tribune this very readable story emphasizes continuities within change in german historical development during the twentieth century american historical review

History of the War in Afghanistan 1878

the essays in anticipating total war explore the discourse on war in germany and the united states between 1871 and 1914 the concept of total war provides the analytical focus the essays reveal vigorous discussions of warfare in several forums among soldiers statesmen women s groups and educators on both sides of the atlantic predictions of long cataclysmic wars were not uncommon in these discussions while the involvement of german and american soldiers in colonial warfare suggested that future combat would not spare civilians despite these anticipations of total war virtually no one realized the practical implications in planning for war in the early twentieth century

War Information Series 1918

this multidisciplinary book introduces readers to original perspectives on crimmigration that foster holistic contextual and critical appreciation of the concept in australia and its individual consequences and broader effects this collection draws together contributions from nationally and internationally respected legal scholars and social scientists united by common and overlapping interests who identify critique and reimagine crimmigration law and practice in australia and thereby advance understanding of this important field of inquiry specifically crimmigration is addressed and analysed from a variety of standpoints including criminal law justice administrative law justice immigration law international law sociology of law legal history feminist theory settler colonialism and political sociology the book aims to explore the historical antecedents of contemporary crimmigration and continuities with the past in australia reveal the forces driving

crimmigration and explain its relationship to border securitisation in australia identify and examine the different facets of crimmigration comprising the substantive overlaps between criminal and immigration law crimmigration processes investigative techniques surveillance strategies and law enforcement agents institutions and practices uncover the impacts of crimmigration law and practice upon the human rights and interests of non citizens and their families analyse crimmigration from assorted critical standpoints including settler colonialism race and feminist perspectives by focusing upon these issues the book provides an interconnected collection of chapters with a cohesive narrative notwithstanding that contributors approach the themes and specific issues from different theoretical and critical standpoints and employ a range of research methods

The Primitive Christian's Estimate of War and Self-defense **1876**

though more than half a century has passed since the spanish civil war began in 1936 it is still the subject of intense controversy what was it that roused left wing sympathisers from all over the world to fight for a cause for which their governments would not give active support in his famous history hugh thomas presents an objective analysis of a conflict where fascism and democracy communism and christianity centralism and regionalism were all at stake and which was a much an international civil war as a spanish one

the war in syria has put russia at the centre of middle eastern politics moscow s return to the region following a prolonged period of absence has enhanced its geopolitical status at a time it has emerged as a rival to the west yet contrary to the media hype vladimir putin is not set to become the new power broker in this strategically important part of the world co authored by a team of prominent scholars and analysts from the eu us russia and the middle east this book explores russia s role in the middle east and north africa the diverse drivers shaping its policy and the response from local players chapters map out the history of russian involvement before and after the collapse of the soviet union the impact on key issues such as security and defence regional conflicts arms trade and energy as well as relations influential states and country clusters such as iran the gulf turkey israel egypt and the maghreb it also looks at how the middle east impacts on russia s relations with the west the book offers a balanced assessment of russian influence highlighting both the political diplomatic and commercial gains made thanks to putin s decision in september 2015 to intervene militarily in syria and the constraints preventing moscow from replacing the united states as a regional hegemon

The Nazi Impact on a German Village 2021-05-11

a vivid and incisive portrait of winston churchill during wartime from acclaimed historian max hastings winston s war captures the full range of churchill s endlessly fascinating character at once brilliant and infuriating self important and courageous hastings s churchill comes brashly to life as never before beginning in 1940 when popular demand elevated churchill to the role of prime minister and concluding with the end of the war hastings shows us churchill at his most intrepid and essential when by sheer force of will he kept britain from collapsing in the face of what looked like

certain defeat later we see his significance ebb as the united states enters the war and the soviets turn the tide on the eastern front but churchill hastings reminds us knew as well as anyone that the war would be dominated by others and he managed his relationships with the other allied leaders strategically so as to maintain britain s influence and limit stalin s gains at the same time churchill faced political peril at home a situation for which he himself was largely to blame hastings shows how churchill nearly squandered the miraculous escape of the british troops at dunkirk and failed to address fundamental flaws in the british army his tactical inaptitude and departmental meddling won him few friends in the military and by 1942 many were calling for him to cede operational control nevertheless churchill managed to exude a public confidence that brought the nation through the bitter war hastings rejects the traditional churchill hagiography while still managing to capture what he calls churchill s appetite for the fray certain to be a classic winston s war is a riveting profile of one of the greatest leaders of the twentieth century

Anticipating Total War 1999-03-28

tormented by his forbidden desires for other men and the painful memories of the childhood friend he once loved lawyer david lauriston tries to maintain a celibate existence while he forges his reputation in edinburgh s privileged legal world but then into his repressed and orderly life bursts lord murdo balfour cynical hedonistic and utterly unapologetic murdo could not be less like david and as appalled as david is by murdo s unrepentant self interest he cannot resist the man s sway murdo tempts and provokes david in equal measure forcing him to acknowledge his physical desires but murdo is not the only man distracting david from his work euan maclennan the brother of a convicted radical david once represented approaches david to beg him for help euan is searching for the government agent who sent his brother to australia on a convict ship and other radicals to the gallows despite knowing it may damage his career david cannot turn euan away as their search progresses it begins to look as though the trail may lead to none other than lord murdo balfour and david has to wonder whether it s possible murdo could be more than he seems is he really just a bored aristocrat amusing himself at david s expense or could he be the agent provocateur responsible for the fate of peter maclennan and the other radicals

Crimmigration in Australia 2019-10-10

how can the west rediscover its authentic spirit exploring the period from 1899 to 1945 from the end of the us frontier and the writing of the wonderful wizard of oz to the conclusion of world war ii and the dropping of the atom bomb luigi morelli traces the events that led the united states to become the world s dominating imperial force america he demonstrates is deeply connected to britain germany and eastern europe particularly russia yet despite their tragic collective histories there is hope for the future if only america can claim its true task searching for the spirit of the west challenges many of the falsehoods that pass for mainstream history utilizing a wealth of documented evidence from the research of overlooked historians economists social and spiritual thinkers the author takes a symptomatic view of the past revealing hidden longer term trends this approach offers a new understanding of events such as the rise of nazism the great depression the new deal and even the roles of banking and clandestine brotherhoods in world history morelli also appraises

the wonderful wizard of oz in parallel with america s cultural achievements through imagination l frank baum s contemporary fairy tale enables us to intuit the true mission of the west and its potential contribution to world culture now and in the future

The Spanish Civil War 2013-03-28

the most terrible disaster that one group of human beings can inflict on another is war wars cause misery on an indescribable scale yet we go on doing it to one another generation after generation why warfare is a recurrent and universal characteristic of human existence the mythologies of practically all peoples abound in wars and the superhuman deeds of warriors and pre literate communities apparently delighted in the recital of stories about battles since our species became literate a mere 5 000 years ago written history has mostly been the history of wars thousands who knew war evidently sickened of it and dreamt of lasting peace expressing their vision in literature and art in philosophy and religion they imagined utopias freed of martial ambition and bloodshed which harked back to the golden age of classical antiquity to the christian vision of a paradise lost and to the arcadia of greek and latin poetry so richly celebrated in the canvases of claude and poussin all these things bear eloquent testimony to the human longing for peace but they have not triumphed over our dreadfully powerful propensity to war from the introduction by anthony stevens in this multi disciplinary collection of essays on the manifestations of war in poetry fiction drama music and documentaries scholars and practitioners from an international context describe the transformation of the war experience into chronicles of hope and despair from herodotus up to the present day

The General History of the Late War: Containing It's Rise, Progress, and Event, in Europe, Asia, Africa, and America 1764

a highly original and critical introduction to the revolutionary and napoleonic conflicts it illuminates the less well known areas of the subject such as the changing attitude of the french people towards napoleon as well as providing a balanced account of the campaigns of wellington and napoleon based on current historiography this book discusses the expansion of france the extent to which napoleon was responsible for this success and the events leading up to his subsequent exile it also provides a clear examination of each of the coalitions which fought against france

Provoked to Jealousy 1994

pavlina bobič examines the catholic church s interpretation of the nature of the first world war which furnished the great european conflagration with a moral dimension and bestowed upon it ideological legitimation this volume scrutinizes contexts in which religious concepts were employed by the slovenian clergy to advance the habsburg dynastic authority as well as to deepen the patriotic sense of slovenians it shows the interaction of experiences at the front and at home and explains the crucial reasons for the church s political re orientation during the war drawing extensively on contemporary documents letters and diaries of soldiers civilians and prominent figures this account provides fresh insight into the people s understanding of the conflict which triggered tensions that were central to the dissolution of the habsburg empire

Halleck's International Law Or Rules Regulating the

Intercourse of States in Peace and War 1893

this is an accessible new examination of what security means today contextualizing the term amongst other key ideas such as the nation state diplomacy war and autonomy by exploring the many differing conceptions of security this study clearly explains how the idea of security in world affairs can be understood in relation to other ideas and points of view it shows how when standing alone the word security is meaningless or just an empty term when divorced from other ideas distinctive to international life this essential new volume tackles the key questions in the debate what norms of sovereignty relate to security does security necessarily follow from the recognition of identity what sort of obligations in respect of security attach to power how far can a political arrangement of empire remedy human insecurity can trusteeship provide security in a world of legally equal sovereign states is security the guarantor of freedom this book is an excellent resource for students and scholars of security studies and politics and international relations

Understanding War 1991

it has been my privilege to know franklin trainer for several years he is a man of christian character and has proven himself faithful he takes his responsibilities very seriously while attempting his very best to live holy and being led by the spirit i would say that he is old fashion in his beliefs but he simply just believes the bible you will only find him using the king james bible in his studies and devotionals my wife has spent time with his wife and their home is solid stable and full of christian joy if you want to read devotionals written by a man that lives them out daily please read provoked sincerely evangelist matt pringle ottumwa baptist temple ottumwa iowa cut from the old cloth of the patriarchs franklin trainer wastes no time trying to be good he knows that he is a sinner and must have god s own goodness for his own franklin is not concerned with simply being right rather he insists on christ s righteousness being imputed to him this is a man who has been to bethel and who has walked with god and every aspect of his life is fragrant with the aroma of celestial delights now he has erected an altar and welcomes us all to worship with him at the feet of the one he adores having wrestled with god for every benediction within franklin generously invites us to enjoy them with him pastor caleb thompson austin texas born and raised in rural missouri franklin grew up appreciating the value of candor and honesty choosing early on to surround himself with older mentors his own age and maturity has now served to solidify the benefit of having learned plain speak during his formative years reared in a crosspatch of protestantism but not saved until the age of 29 has forged a post salvation passion and a compelling heart to reach out to others who perhaps live in like delusion that all is well with their soul apart from being born again cf john 3 3 5 working for some 24 years in youth ministry franklin takes seriously the admonition to teach others also those eternal truths instilled in him by faithful men gone on before cf 2 timothy 2 2 franklin teaches

and preaches regularly in chapel and sunday morning classes as a staffer at his local church and christian school as well as on the radio in the nearby community married with two grown daughters two terrific sons in law and one granddaughter life in christ is rich and rewarding indeed the trainers make their home in the ozark region of the show me state enjoying country living at its finest amidst some of the best climate and scenery found anywhere under god s heaven

Searching for the Spirit of the West 2023-05-29

this authoritative a z encyclopedia of the wars of the roses provides accurate and concise descriptions of the major battles and events and the principal historical figures and issues involved for centuries historians agreed about the wars of the roses seeing them as four decades of medieval darkness and chaos when the royal family and the nobility destroyed themselves fighting for control of the royal government even shakespeare got into the act dramatizing popularizing and darkening this viewpoint in eight plays today based on new research this has become one of the most hotly controversial periods in english history historians disagree on fundamental issues such as dates and facts as well as interpretation most argue that the effects of the wars were not as widespread as once thought and some see the traditional view of the era as merely tudor propaganda a few even claim that england during the late 15th century was a society organized for peace historian john a wagner brings readers up to date on the latest research and thinking about this crucial period of england s history

Press Releases 1936

shakespeare s works occupy a prismatic and complex position in world culture they straddle both the high and the low the national and the foreign literature and theatre the second world war presents a fascinating case study of this phenomenon most if not all of its combatants have laid claim to shakespeare and have called upon his work to convey their society s self image in wartime such claims frequently brought to the fore a crisis of cultural identity and of competing ownership of this universal author despite this the role of shakespeare during the second world war has not yet been examined or documented in any depth shakespeare and the second world war provides the first sustained international collaborative incursion into this terrain the essays demonstrate how the wide variety of ways in which shakespeare has been recycled reviewed and reinterpreted from 1939 1945 are both illuminated by and continue to illuminate the war today

Literatures of War 2020-11-09

buddhism imperialism and war 1979 is a lively provocative and informative study of two of the most important buddhist countries of south east asia burma and thailand buddhism gives in theory a high place to the maintenance of peace both between individuals and between social groups in practice however buddhist nations are no strangers to the battlefield this book explores the complexity surrounding the issue and reveals much for the first time that has been obscure and misunderstood

The French Wars 1792-1815 2002-01-22

the european union is a political order of peculiar stamp and continental scope its polity of 446 million the third largest on the planet though with famously little purchase on the conduct of its representatives sixty years after the founding treaty what sort of structure has crystallised and does the promise of ever closer union still obtain against the self image of the bloc perry anderson poses the historical record of its assembly he traces the wider arc of european history from first world war to eurozone crisis the hegemony of versailles to that of maastricht and casts the work of the eu s

leading contemporary analysts both independent critics and court philosophers in older traditions of political thought are there likenesses to the age of metternich lessons in statecraft from that of machiavelli an excursus on the uk s jarring departure from the union considers the responses it has met with inside the country s intelligentsia from the contrite to the incandescent how do brussels and westminster compare as constitutional forms differently put which could be said to be worse
