Everyday Life in Ottoman Turkey

1988

raphaela lewis sketches the history of the ottoman dynasty and shows how it fell heir to the eastern roman empire and made its capital in the city of constantine the great renamed istanbul she then describes the administrative structure of the empire with its extraordinary system of recruitment whereby membership of the civil and military establishment was in principle confined to the sultan's christian born slaves the dominant faith of the empire was islam and there is a full account of its duties and practices which moulded the life of the turk the author also takes us inside the great imperial mosques the thronged and colourful bazaars schoolrooms palaces and private houses and takes us down fascinating byways showing how the sultan's cannon were cast how children prayed for rain how the people passed the nights of ramadan and how important a social occasion for women were the weekly visits to the hammam the public baths lewis has not neglected life in anatolia and the non-turkish provinces and she has also provided a glossary of turkish terms used in the book dust jacket

Sexual Life in Ottoman Society

1996

the mysterious sex life of ottoman society has remained a taboo subject until recent years and even now it is not fully unveiled beyond the facade of conventional relations the sexual life of the ottoman was surprisingly rich and colorful this book reveals the sex lives of the ottomans men and women with photos and color illustrations and essays and poetry of the time an enlightening and amusing read

Daily Life in the Ottoman Empire

2011-08-17

this book provides a general overview of the daily life in a vast empire which contained numerous ethnic linguistic and religious communities the ottoman empire was an islamic imperial monarchy that existed for over 600 years at the height of its power in the 16th and 17th centuries it encompassed three continents and served as the core of global interactions between the east and the west and while the empire was defeated after world war i and dissolved in 1920 the far reaching effects and influences of the ottoman empire are still clearly visible in today's world cultures daily life in the ottoman empire allows readers to gain critical insight into the pluralistic social and cultural history of an empire that ruled a vast region extending from budapest in hungary to mecca in arabia each chapter presents an in depth analysis of a particular aspect of daily life in the ottoman empire

Economic Life in Ottoman Jerusalem

2002-08-22

a vivid and detailed picture of everyday life in ottoman jerusalem

Economic Life in Ottoman Europe

1981

a painstaking study of ottoman records providing analyses of the economic fiscal and demographic situation

Making a Living in Ottoman Anatolia

2021-08-16

centred on the socio economic life of anatolia in the ottoman period this volume examines aspects of production local and international trade consumption and the role of the state both at a local and a central level

Family Life in the Ottoman Mediterranean

2017-06-08

beshara b doumani uses a variety of local sources to examine everyday family life throughout the ottoman empire

Osman I

2019-01-05

includes pictures includes contemporary accounts includes online resources and a bibliography for further reading in terms of geopolitics perhaps the most seminal event of the middle ages was the successful ottoman siege of constantinople in 1453 the city had been an imperial capital as far back as the 4th century when constantine the great shifted the power center of the roman empire there effectively establishing two almost equally powerful halves of antiquity s greatest empire constantinople would continue to serve as the capital of the byzantine empire even after the western half of the roman empire collapsed in the late 5th century naturally the ottoman empire would also use constantinople as the capital of its empire after their conquest effectively ended the byzantine empire and thanks to its strategic location it has been a trading center for years and remains one today under the turkish name of istanbul in the wake of taking constantinople the ottoman empire would spend the next few centuries expanding its size power and influence bumping up against eastern europe and becoming one of the world s most important geopolitical players it was a rise that would not truly start to wane until the 19th century and the ottomans would maintain their empire until the end of world war i osman i who is now recognized as being the first leader of the ottoman empire before dying in 1323 or 1324 is one of history s most important leaders so it is ironic that little is known about his life historians have searched in vain for a single historical record dating from his reign despite the fact he was the founder of the ottoman empire a state which conquered asia minor most of the middle east north africa and the balkans before reaching the very walls of vienna in the struggle between christian and islamic powers it was the first state to challenge hegemony over europe since the umayyad caliphate was defeated by the franks at the battle of tours in 732 even after its demise the politics of the balkan states is very much influenced by the ottoman past and muslim populations remain in the european lands once occupied by the ottomans the middle east s politics and conflicts trace back to the dissolution of the empire and in turkey the ottoman legacy remains a topic of national debate president recep tayyip erdogan has declared that

modern turkey is the continuation of the ottoman empire arguing that turkey needs to return to its islamic roots while there may be no contemporary records about osman plenty of evidence exists about his deeds the times he lived in and ottoman society under his leadership accounts of his life were written more than 100 years after his death and his birthdate is unknown though he must have been born in the middle of the 13th century even his name is not entirely clear osman suggests an arabic origin but he was a turk and his name was probably atman or ataman this is certainly how the contemporary greek historian pachymeres 1242 c 1310 renders the name and it is possible that atman adopted the more prestigious name osman later in life most importantly according to tradition he was the son of ertugrul leader of the kayi tribe of the oghuz turks osman i the life and legacy of the ottoman empire s first sultan chronicles his life and accomplishments and the massive impact he had on the ottomans and the world around him along with pictures of important people places and events you will learn about osman i like never before

Subjects of the Sultan

1995

mahmud pasha angelovic served as grand vezir under sultan mehmed ii in the years following the ottoman conquest of constantinople which were marked by an extensive imperial project transforming the ottoman principality into an empire this book attempts to piece together the available evidence on mahmud pasha s byzantine descent and family network as well as his multi faceted contribution to the founding of the new empire through military leadership diplomatic practices and architectural and literary patronage considering also his execution and the creation of a posthumous legend presenting him as a martyr using ottoman greek and western sources as well as archival material this study focuses on the period of transition from byzantine to ottoman empire and would be of interest to historians and other specialists studying that period

Ottoman Reforms and Social Life

2003

includes pictures includes online resources and a bibliography for further reading in terms of geopolitics perhaps the most seminal event of the middle ages was the successful ottoman siege of constantinople in 1453 the city had been an imperial capital as far back as the 4th century when constantine the great shifted the power center of the roman empire there effectively establishing two almost equally powerful halves of antiquity s greatest empire constantinople would continue to serve as the capital of the byzantine empire even after the western half of the roman empire collapsed in the late 5th century naturally the ottoman empire would also use constantinople as the capital of its empire after their conquest effectively ended the byzantine empire and thanks to its strategic location it has been a trading center for years and remains one today under the turkish name of istanbul in the wake of taking constantinople the ottoman empire would spend the next few centuries expanding its size power and influence bumping up against eastern europe and becoming one of the world s most important geopolitical players it was a rise that would not truly start to wane until the 19th century and the most influential ruler who helped bring the pax ottomana about was suleiman the magnificent by the time of suleiman s ascension the ottoman empire was already in good condition it was politically stable culturally flourishing dominating trade in the area and in possession of a superior military organisation which allowed suleiman i to continue his predecessors work without much need to change the direction of the empire selim s aggressive rule left the janissaries efficient and strong the mamluks defeated and the holy cities subsumed into the empire the republic of venice in the west as well as the safavids in the east had been weakened and for the first time the ottoman had a fleet able to challenge old trade structures and rise as a new dominant power on the seas

things were going well and suleiman intended to keep it that way suleiman would rule for about 45 years during which the ottoman empire reached its greatest extent both in terms of expansion and culture his reforms made the ottomans arguably the world's most powerful force on land and at sea it was during his reign that the ottomans made their most forceful incursions into europe greatly changing the way alliances and power were balanced on that continent the time after suleiman's death was once recognized by scholars and historians as the decline of the ottoman empire but this consensus opinion changed in the 1980s and is now commonly referred to as the era of transformation the following years were not necessarily a decline but a shift in the empire's focus where the constant expansion and warring halted in exchange for internal stability the focus would necessarily shift to maintaining the status quo as one of the world's leading empires a difficult quest when the habsburg takeover of the holy roman empire and the beginning of the colonial period as initiated by spain and portugal are taken into consideration suleiman the magnificent the life and legacy of the ottoman empire's most famous sultan chronicles suleiman's life and accomplishments and the massive impact he had on his empire and the world around him along with pictures of important people places and events you will learn about suleiman like never before

The Sultan of Vezirs

2021-08-04

robert dankoff has culled passages from evliya Çelebi s book of travels that deal directly with the life and times of Çelebi s patron melek ahmed pasha an outstanding seventeenth century military and administrative leader Çelebi s account is sensitive to all the currents of his age and reflects them in his narrative his wry comments and observations extend from the intimate details of daily life and the attitudes of the lower classes to the deeds of the mighty the ideals of the age and the fate of the empire he concentrates on the later phase of pasha s career beginning with his appointment as grand vizier in 1650 because Çelebi was pasha s confidant as well as his protege there is a level of intimacy almost a psychological portrait quite unusual in ottoman and islamic literature the narrative highlights the private side of this public figure his weaknesses as well as his heroics his religious life and domestic affairs in particular his relations with his two successive wives both sultanas or princesses

Suleiman the Magnificent

2018-12-24

this thorough introduction to modern day norway and norwegian culture shows the impact a small country can have on the world in terms of peace building environmental issues technological innovation and more culture and customs of norway provides an up to date view of norway showcasing a nation that is part of modern europe yet zealously maintains its own culture and identity providing the most current information on a broadrange of topics including cinema literature food art performing arts and architecture the book also places modern day norway in a historical context that makes it possible to understand how norwegian culture came to be as it is today readers will discover a nation that is a fascinating juxtaposition of advanced technology especially in such fields as oil production and climate and some of the most spectacular natural beauty in the world they will read about such famous writers artists and composers as henrik ibsen edvard munch and edvard grieg and they will discover how norway confronts the challenges of modern society without sacrificing its social democratic philosophy of social justice and shared responsibility both at home and globally

from 1604 to 1607 ottaviano bon was the venetian representative to istanbul where he recorded every aspect of life at the topkapi palace

The Intimate Life of an Ottoman Statesman, Melek Ahmed Pasha (1588–1662)

1991-07-03

suleiman the magnificent most glorious of the ottoman sultans kept europe atremble for nearly half a century in a few years he led his army the most powerful in the sixteenth century as far as the gates of vienna made himself master of the mediterranean and established his court in baghdad faced with that redoubtable champion who regarded it as his duty to extend the boundaries of islam farther and farther the christian world could not agree to unite against him charles the fifth was forced to sign the humiliating treaty of constantinople while his most christian majesty francis the first allied himself with the grand turk the shadow of god on earth but also the expert politician and all powerful despot suleiman ruled the state firmly with the help of his viziers since god had invested him with power he felt obliged to ensure justice and see to the well being of his subjects he extended the borders of the empire beyond what any of the ottoman sultans had achieved and yet it is as a lawgiver that he is remembered in the history of the turks his empire held dominion over three continents populated by more than 30 000 000 inhabitants among whom nearly all of the races and religions of mankind were represented there was no hereditary nobility the government administration remarkably organised was completely in the hands of the christians who had converted to islam and the elite of that group having been advanced to honours and wealth was the sultan s devoted slaves faithful unto death prospering under a well directed authoritarian economy suleiman s reign marked the apogee of ottoman power city and country alike experienced unprecedented economic and demographic growth istanbul was the largest city in the world enjoying a remarkable renaissance of arts and letters a mighty capital the seat of the seraglio and dark intrigue

Culture and Customs of Norway

1996

topkapi palace was the official and primary residence of the ottoman sultans for almost four centuries of their 624 year reign this illustrated guide to topkapi palace the heart of a vast transcontinental empire until the mid nineteenth century explores ottoman history as it relates to specific sections of the palace ortayli a famed turkish historian and scholar introduces the audience to the outer and inner sections of the palace as well as the family quarters providing them with profound background information about their functions architecture and decorations his references to the palace customs people and particular events present the reader with a living history

The Sultan's Seraglio

1992

suleiman the magnificent suleiman the magnificent tenth sultan of the ottoman empire may be an unfamiliar figure to many today but in the sixteenth century his military campaigns played a huge role in the shifting face of european politics he was a man in search of power his quest carried him not only to daring military exploits in europe and asia but also through the intricate web of the ottoman court where deceit scheming and treachery abounded inside you will read about the makings of a

sultan a rising power the besieged island court life consorts and counsellors king ferdinand and vienna to the edges of the map the end of an era and much more this book describes his life from his rivalry with the hapsburg brothers charles and ferdinand to his doomed friendship with his grand vizier ibrahim and his relationship with the indomitable roxelana here you will find accounts of the battles he fought the heroics and blunders of his enemies and his relentless progress toward his colossal ambitions

2014-08-07

explores the teachings values attitudes and cultural patterns that characterized judeo spanish life over the generations and how the sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions focuses on what you can learn from the sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life

Private and Royal Life in the Ottoman Palace

2017-09-13

istanbul kushta constantinople presents twelve studies that draw on contemporary life narratives that shed light on little explored aspects of nineteenth century ottoman istanbul as a broad category of personal writing that goes beyond the traditional confines of the autobiography life narratives range from memoirs letters reports travelogues and descriptions of daily life in the city and its different neighborhoods by focusing on individual experiences and perspectives life narratives allow the historian to transcend rigid political narratives and to recover lost voices especially of those underrepresented groups including women and members of non muslim communities the studies of this volume focus on a variety of narratives produced by muslim and christian women by non muslims and muslims as well as by natives and outsiders alike they dispel european orientalist stereotypes and cross class divides and ethnic identities travel accounts of outsiders provide us with valuable observations of daily life in the city that residents often overlooked

Suleiman the Magnificent

2009-03

esref kusçubasi remains controversial in turkey over fifty years after his death elsewhere the man sometimes called the turkish lawrence of arabia is far less known but his life offers fascinating insights into the traumatic increasingly violent struggles that ended the ottoman empire and ushered in the modern middle east drawing on esref s private papers for the first time these pages tell the story of the making of a headstrong self sacrificing officer committed to defending the empire s shrinking borders esref took on a string of special assignments for enver pasha the rapidly rising star of the ottoman military first in libya against the italians then in the balkan wars and world war i before being captured by the forces of the arab revolt and turned over to the british and imprisoned on malta released in 1920 he joined the national resistance movement in anatolia but fell out with mustafa kemal s leadership and switched sides earning him banishment from the turkish republic at its founding and exile until the 1950s never far from the action or controversy esref s dynamic story provides an

important counterpoint to the standard narrative of the transition from empire to nation state

Foundations of Sephardic Spirituality

2009

in the series of the monographs under the title the balkans publisher livre de lyon lyon france one volume has been dedicated to the everyday life and culture this volume consists of four chapters examining the various phenomena in everyday life in the balkans during the ottoman era or phenomena still existing in the modern balkan societies as a result of the oriental ottoman heritage in this region this book presents one big step forward in research of the everyday life in the ottoman empire and especially the balkans since this is still one of the less elaborated and at the same time very important topics of the balkan and ottoman history as well

Village Life in Cyprus at the Time of the Ottoman Conquest

2018-09-03

who were the sephardic jews of the ottoman empire what lasting lessons does their spiritual life provide for future generations how did the judeo spanish speaking jews of the ottoman empire manage to achieve spiritual triumph to answer this question we need to have a firm understanding of their historical experience we need to be aware of the dark unpleasant elements in their environments but we also need to see the spiritual cultural light in their dwellings that imbued their lives with meaning and honor from chapter 1 the inner life of the sephardim in this groundbreaking work rabbi marc angel explores the teachings values attitudes and cultural patterns that characterized judeo spanish life over the generations and how the sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions along with presenting the historical framework and folklore of jewish life in the ottoman empire rabbi angel focuses on what you can learn from the sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life
