## **Old Testament Interpretation**

1995-12-01

this volume provides an introduction to the changing terrain of contemporary old testament study the essays orient the reader to all the major sections of old testament study serving also to engage the reader in the work of old testament interpretation the festschrift in honour of gene m tucker contains sections on the torah the prophets writings and the context of the books of the old testament the parts work in conjunction to give the reader a guide to the key issues in the history of interpretation of the old testament

## **Essays in New Testament Interpretation**

1982-07-08

this selection of the rev c f d moule s essays represents the whole range of professor moule s contribution to new testament studies

## ***New Testament Interpretation***

1978-03-01

exciting approaches to biblical inerpretation are introduced in this volume by contributors who are distinguished as leaders in the field of new testament studies each chapter introduces a particular approach to interpretation and demonstrates with biblical texts how that approach can be used by students and pastors

## **New Testament Interpretation**

1977

this book aims to provide advanced students of biblical studies seminarians and academicians with a variety of intertextual strategies to new testament interpretation each chapter is written by a new testament scholar who provides an established or avant garde strategy in which 1 the authors in their respective chapters start with an explanation of the particular intertextual approach they use important terms and concepts relevant to the approach are defined and scholarly proponents or precursors are discussed 2 the authors use their respective intertextual strategy on a sample text or texts from the new testament whether from the gospels acts pauline epistles disputed pauline epistles general epistles or revelation 3 the authors show how their approach enlightens or otherwise brings the text into sharper relief 4 they end with recommended readings for further study on the respective intertextual approach this book is unique in providing a variety of strategies related to biblical interpretation through the lens

of intertextuality

## ***Hearing the New Testament***

1995

this volume discusses various hermeneutical methods used in understanding the new testament such as word studies grammatical analysis new testament background theological synthesis textual criticism and use of the old testament in the new

## ***Approaches to Old Testament Interpretation***

1981

this is a print on demand book and is therefore non returnable in 1938 39 leonhard goppelt finished his doctoral dissertation at erlangen entitled typos die typologische deutung des alten testaments im neuen the lasting value of his work was evidenced in 1969 when this dissertation was reprinted with an appendix on apocalypticism and typology in paul goppelt s work has maintained its significance because it deals with biblical hermeneutics the study of the methodology of biblical interpretation a subject of renewed interest in the last few years in his search for a normative hermeneutics goppelt appeals to the new testament s interpretation of the old testament as a guide he offers a study of the interpretation of scripture that is characteristic of the new testament in order to provide a standard guide for interpreting the bible today the focal question for goppelt is how the old testament and jesus christ are related and goppelt s answer to this question is found in how the new testament interprets the old testament typologically goppelt begins with a brief survey of the various definitions of typology to determine how it is distinguished from allegory with which it is often confused after this introductory chapter goppelt divides his work into three parts typology in late judaism typology in the new testament and apocalypticism and typology in paul in his survey of late judaism goppelt examines both palestinian and hellenistic judaism to determine the place of typology in their literatures turning to the new testament goppelt looks first at the portrayal of jesus christ in the synoptic gospels and acts elements of this portrayal are jesus as the prophet as the son of david and lord and as the son of man goppelt finds each of these characterizations typologically related to the old testament similarly in his next chapter on the church as portrayed in the synoptics and acts goppelt finds a number of typological relationships between the people of god in the old testament and the church in the new testament goppelt next examines the pauline epistles for paul s use of scripture in general and for his view of christ and the church goppelt here appends brief treatments on 1 and 2 peter and jude in following chapters goppelt deals with hebrews the gospel of john and finally apocalypticism and typology in paul here he also examines traditional approaches to the relationship between the old testament and the new the origin and legitimacy of the typological approach and the relationship between typology and the historical critical method

## Exploring Intertextuality

2016-09-20

text and interpretation gives an insight into the many different approaches that more recent south african scholarship has adopted in the interpretation of the new testament while the number of approaches in new testament interpretation has proliferated over the past few years all the proposals still fall under one of the three traditional poles sender author text receptor reader classified according to this division each chapter has a twofold aim firstly the perspective is situated within a wider framework of interpretation to illustrate the context out of which this approach emerges secondly each article has selected a particular new testament text to demonstrate this approach in practice the authors of these chapters the majority of which are south african scholars were chosen because of their expertise in their specific fields by presenting these studies together in one collection the scholarship in these different areas will become more readily accessible to a wider group of scholars

## New Testament Interpretation (First Edition)

2016-12-31

methods and findings from the social sciences are increasingly important for new testament scholars unfortunately however anthropology and related disciplines are still unfamiliar territory for many students of the bible this work acquaints readers with this territory by providing introductions and basic bibliographic orientations to the application of social scientific categories to new testament research

## *Classical Evangelical Essays in Old Testament Interpretation*

2008-09-08

## Introducing New Testament Interpretation (Guides to New Testament Exegesis)

1990-02-01

no detailed description available for myth in old testament interpretation

## One Hundred Years of Old Testament Interpretation

1976

this collection of essays is drawn from a series of previous collections to which the author has contributed that were designed to honor senior scholars in the discipline of old testament study each of these essays reflects a distinct intention depending on the nature of the original collection in which they appeared and the scholar who was being honored taken together however this collection amounts to an articulation of brueggemann s distinctive approach to theological interpretation of the old testament already in his major volume on old testament theology brueggemann proposed a dynamism of tension dispute and contradiction as the text of ancient israel sought to give voice to the mystery of god as a sustaining and disruptive agent in the life of the world over a long period of time this collection reflects the author s growing clarity about the task of old testament theology it further reflects on the nature of the biblical text and the way in which the god who inhabits the text runs beyond all of our attempts to define and explain these essays reflect not so much on methodological issues but take up the substantive questions that regularly occupied these ancient text makers embed container position relative padding bottom 56 25 height 0 overflow hidden max width 100 embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100 height 100

## *Typos*

1982-10-06

the main goal of this book is to provide a collection of essays formerly only available separately in various academic journals that offer untraditional and original exegetical insights into or solutions to popular or problematic old testament texts and topics it illustrates the science and art of exegesis by an author within a broad evangelical context and demonstrates the interpretive value of reading biblical texts without prejudice to tradition and with careful attention to their historical and cultural contexts

## *Text and Interpretation*

2019-07-01

readers will find discussions of both new and traditional methods of new testament study with numerous examples indicating how these approaches work and what insights they yield

## **The Social Sciences and New Testament Interpretation**

2003-11-01

this book introduces the reader to the various perspectives involved in the interpretation of the new testament from the lexicographical to the feminist approach each chapter contains examples of the perspective involved its presuppositions and method followed by a caveat this book promises to be a welcome companion and invaluable source for students of new testament theology

## **New Testament Interpretation (Matthew-Revelation)**

2015-12-13

the field of new testament studies often appears splintered into widely different specializations and narrowly defined research projects nevertheless some of the most important insights have come about when curious men and women have defied disciplinary boundaries and drawn on other fields of knowledge in order to gain a more adequate view of history the essays in bridges in new testament interpretation offer surveys of the current scholarly discussion in areas of new testament and christian origins where cross disciplinary fertilization has been decisive and describe the role that interdisciplinary bridges especially as led by richard a horsley have been decisive topics include the socioeconomic history of roman palestine the historical jesus in political and media contexts communication media orality and social context in the study of q the gospels in the context of oral culture performance and social memory reading paul s letters in the context of roman imperial culture the narrativization of early christianity in relation to the ancient media environment and the role of power in shaping our understanding of history as evident in people s history the historical agency of subordinate classes and the role of public and hidden transcripts in contexts shaped by power relations essays also address the role of the interpreter as engaged with the social and political concerns of our time the sum is even greater than the parts presenting a powerful argument for the value of further exploration across interdisciplinary bridges

## ***Myth in old testament interpretation***

2018-11-05

in the past twenty five years new testament scholars have drawn on the social sciences especially anthropology and sociology to develop a variety of new perspectives on early christianity david horrell here gathers together the classic works in this field including essays by for example john barclay philip esler wayne meeks luise schottroff and gerd theissen for each selection david horrell provides a short introduction and suggestions for further reading

he also provides an introduction outlining the development and future prospects of the discipline an excellent reference and textbook for scholars and students

## **The Role of Old Testament Theology in Old Testament Interpretation**

2015-05-14

the religious experience without the vision of history would be empty the historical event without the religious experience blind in this book professor christopher north accepts robert winkler s statement and treats event and idea as necessarily linked in any true interpretation of old testament history he outlines the several stages in the hebrew interpretation of history and considers whether that interpretation was altogether or approximately true and whether the actual course of hebrew history warrants us in believing that there was a special providence and purpose in god s dealings with israel

## **Other Voices in Old Testament Interpretation**

2019-09-17

the old testament s stories are intriguing mesmerizing and provocative not only due to their ancient literary craft but also because of their ongoing relevance in this volume well suited to college and seminary use jerome walsh explains how to interpret these narrative passages of scripture based on standard literary elements such as plot characterization setting pace point of view and patterns of repetition what makes this book an exceptional resource is an appendix that offers practical examples of narrative interpretation something no other book on old testament interpretation offers

## **Method and Meaning**

2012

new testament interpretation a practical guide introduces readers to critical perspectives and methods of biblical interpretation with emphasis on the new testament in a manner that enables them to apply these perspectives and methods to their own work the readings and essays included in this volume have been chosen to support an exegetical worksheet which provides students with step by step guidance for interpreting new testament passages in unit one students are provided with a set of practical resources to aid them in preparing to engage in the exegetical process including an exegetical worksheet that guides students through the interpretive process a sample of a completed worksheet and a bibliographical guide in unit two essays focus on issues relating to the original text and historical context of the new testament writings unit three features selections on the methods scholars use to study the literary features of these writings the text concludes with readings that introduce students to strategies they can employ to make the results of their research meaningful to people in contemporary faith communities new testament

interpretation is an excellent supplemental resource for seminary students or those pursuing graduate level divinity degrees

## **The Old Testament Interpretation of History**

1946

utilizes material from the award winning dictionary for theological interpretation of the bible to introduce theological interpretation through a book by book survey of the new testament

## ***Old Testament interpretation : past, present, and future***

1955

this new volume collects the best articles on this topic from the first 50 issues of the journal for the study of the new testament here the reader will find ground breaking studies that introduce new critical questions and move into fresh areas of enquiry surveys of the state of play in these particular fields of new testament study and articles that engage with each other in specific debates this volume will make an excellent textbook for students

## **Contemporary New Testament Interpretation**

1972

to deconstruct a text means to disassemble the various points of view contained within it and to let them stand fully exposed with all their own presuppositions when this is done the contours of these building blocks appear so different from one another that the structural unity of the text is called into question biblical scholars will sense how close this process is to familiar methods of form and source criticism without jargon this study sharpens and clarifies the analytical thrust behind such methods at the same time it offers a fresh rendering of redaction criticism inquiring after the often contradictory motives and historical circumstances influencing the evangelists this book thus provides an intriguing combination of the old and the new
