a compound life is a humorous take on everyday life and maybe even a quirky look at some of our adventures at the compound and some of life s often overlooked simple pleasures and even some lackluster boring and mundane chores that we all must do the compound is a magical mystical kind of place where only good things are supposed to happen you may find a little satire or even a slight embellishment in some of the stories now and again a compound life i think dorothy said it best there s no place like home grab yourself a cold drink a glass of wine or a bottle of wine for that matter hell grab a couple of six packs while you re at it invite a few friends over and start your own book club sit back relax and enjoy i think you ll be glad you got that drink
