fall 2017 term of the full time training in anaheim california the general subject of this series of messages is the crucial revelation of life in the scriptures the central thought of god in this universe and in eternity is to have christ as his expression through the church with the shining in life god s expression is based on life and light and the light is the shining in life in order for god to have an expression of himself in christ through the church the divine life that expresses him must be embodied and expressed in christ and then dispensed into worked into and expressed through the church only the life of god can express god based on this principle we will see the crucial revelation of life throughout the scriptures genesis 1 and 2 are not merely a record of creation actually nearly every item recorded in these two chapters is a revelation of christ who is life to god s people for the producing and building up of the church according to genesis 1 god created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man whom god created in his image the purpose of the creation of man with god s image is that this man would express god however the created man had only a human life any form of created life can only express itself it cannot express another kind of life this means that man is unable to express god if he has only his created human life in order for man to express god and fulfill his purpose man must obtain and receive the life of god as his life god has to enter into man to be life to man genesis 2 reveals that the bride of christ typified by the woman built from the rib taken from the man is produced and comes into being by life the real eve the church the counterpart of christ which will consummate in the new jerusalem is built with the resurrection life that was released by the lord through his death and imparted through his resurrection this counterpart of the lord is a building of life for god to gain his corporate expression through the church he must dispense and work himself into us his people his believers this is accomplished through our eating and drinking him we need to pass through three stages of the enjoyment of christ by eating him the first stage is the eating of christ as the passover lamb in egypt the second stage is the eating of christ as the manna in the wilderness and the third stage is the eating of christ as the rich produce of the good land by our eating in the first two stages we are energized to leave the world and are constituted with christ as the heavenly element only in the third stage of the enjoyment of christ as our food can we fulfill god s purpose it was not until the children of israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up god s dwelling place on the earth and bring in the kingdom of god likewise for us to reach the goal of god s economy we need to progress until we enter into the highest stage of eating christ as the all inclusive spirit as typified by the rich produce of the good land in this stage we overcome the spiritual enemies we are built up to be god s dwelling place and we establish god s kingdom on earth the history of god s people is not only one of eating but also one of drinking in the old testament before coming into the good land and building the house of god the children of israel journeyed through the wilderness during that journey they came to marah a place of bitter waters moses followed god s command to cast a tree into the bitter waters the waters then became sweet this tree signifies the tree of life the crucified and resurrected christ who today is the spirit mingled with our spirit in our spirit we have the crucified and resurrected christ as our healer he is the one who transforms our bitter circumstances and makes them sweet and he also heals all our diseases before the building of the house of god the bible speaks of the springs of water exo 15 22 27 the water out of the cleft rock 17 6 and the water from the well num 21 16 17 christ as the living spiritual rock was smitten by the authority of god s law so that the water of life in resurrection could flow out of him and into his redeemed people for them to drink after god s people built the house of god in the good land the bible speaks of the river of god s pleasures psa 36 8b the river whose streams gladden the city of god 46 4 a fountain going forth from the house of jehovah joel 3 18 and living waters going forth from jerusalem zech 14 8 we need to experience the flowing of the living water out of the house of god ezek 47 1 5 in order to be in the flow we have to be in the building that is we need to be in the church in the new testament we can see the crucial revelation of life in the book of matthew in the decree of the kingdom s constitution given by the lord in chapters 5 7 he displayed the two possible ways people may live and work before god 7 13 14 21 27 the broad

way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man's enterprise the constricted way is according to the divine regulations this way which leads to life fulfills the spiritual requests brings in god's elect bears the testimony of Jesus Christ and carries out god's economy for the building up of the body of Christ we take this way by walking in the spirit this will restrict us and cause us to live a normal Christian life we will thereby become vital healthy believers who take the way of life for god's building there are three basic elements in Matthew first Christ is the King as the Kingdom bringing in the reality of the Kingdom second he is the King in his all-inclusiveness third he is the Kingly Bread when we partake of this Kingly Bread we eat, digest and assimilate the King and the Kingdom with its reality and we eat and digest the King in his all-inclusiveness the ruling element is in the food when we take in this food we gradually become the reality of the Kingdom of the heavens the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe this issue of the Ministry of the Word contains the first nine messages given during the fall 2002 term of the full-time training in Anaheim California the general subject of this series of messages is Christ and the Church in the Psalms these messages are the continuation of the unveiling of the economy of God concerning Christ and the Church in the Psalms four words summarize the central thought of the book of Psalms Christ, House, City and Earth the Psalms reveal Christ as a Church-loving Church building and Church-supplying Christ as the great Shepherd of the sheep he leads us into the Church the House of God and we enjoy God in the House of God the Church as the House needs to be strengthened and enlarged to become the City which signifies the Kingdom where God the King rules with his authority Brazil, Russia, India, China and South Africa or the BRICS nations are living proof of how power and influence are constantly changing in the world's politics and economy redefining their positions within the global system and laying the groundwork for a multilateral world order that aims to challenge the traditional dominance of Western economies and institutions the BRICS countries have been active since the acronym was coined in the early 21st century and expanded to include South Africa in 2010 Iran, Saudi Arabia, UAE, Argentina, Bolivia, Indonesia, Egypt, Ethiopia, Cuba, Gabon, Democratic Republic of the Congo, Comoros and Kazakhstan are among the more than 40 nations that have shown interest in becoming BRICS members now after a huge expansion the BRICS has grown into a more formidable club of nations with the recent addition of Egypt, Ethiopia, Iran and the UAE also Saudi Arabia is still working on becoming a full member even though Javier Milei, Argentina's newly elected president turned down the invitation given that BRICS now includes over 40 percent of the world's population and 25 percent of the world's economy it's easy to see why the organization is so essential to be better understood given this the purpose of this TPQ special issue is to delve into the background reality and future prospects of the BRICS as well as the various reasons and motivations behind the accession of its member states this issue of the Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California April 13-15 2018 the general subject of this series of messages is taking Christ as our person and living him in and for the Church life God's intention in his economy is to work himself into us not only as our life but also as our person a wonderful person Christ as the life-giving spirit came into our spirit regenerated our spirit and mingled himself with our spirit causing our spirit to become our inner man with Christ as the person indwelling our spirit when we are strengthened with power into our inner man the Christ in our spirit is able to spread into our heart our heart is the acting agent that represents us as regenerated persons our inner man is now our real person our inner man is now Christ as our person if we live by the outer man the old man it is impossible to have the Church life in order for Christ to be our person he needs to make his home in our heart that is he needs to be able to actually live in our heart then we will live him by walking according to the spirit when we allow Christ to actually live in our heart he becomes our person in practice the most important quality with regard to a leading one is his person not his capacity, ability or gift in carrying out a work serving or taking the lead a leading one must have an enlarged heart pride an expression of foolishness comes from having a narrow heart a leading one should have an enlarged and loving heart and he should have a powerful and exercised spirit that is he should be dominated, governed, directed, led and controlled by his spirit when a leading one has been fully reconciled to God and has been enlarged in heart he can represent God rightly in his economy every day we need to live Christ in and for the Church life by walking according to the spirit if we would live Christ we must take him as our person and live one person with him the Lord Jesus was the pioneer the model example and pattern of how all believers should live today the first God-man lived out another person the Father in Jesus we see not only the man but also God living in through and as that man living Christ and walking according to the spirit are actually one matter living Christ requires that we love him to the uttermost if we do not love the Lord we cannot live him the practical way to live Christ is to walk according to the spirit ultimately the Bible requires only one thing of us that we walk according to the mingled spirit to walk in the spirit is to do everything in our daily life according to the spirit the central thought of the Bible is that God desires us to live Christ for the building up of the body of Christ the Lord's shepherding in his heavenly ministry is to take care of the Church which is his body Christ has incorporated the apostolic ministry into his heavenly ministry in order to shepherd God's flock the Church which issues in the body of Christ the elders must preach the Gospel by the way of shepherding and they must bring in a revival by the way of shepherding they must shepherd the saints in everything and in every way for the dispensing of Christ into them we all need to shepherd people according to the pattern of the Lord Jesus cherish the saints in the humanity of Jesus and nourish them in the divinity of Christ if we all participate in Christ's shepherding there will be a revival in the Lord's recovery the reports and announcements section contains an announcement for a Church book service workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London England also included at the end of this issue is a list of upcoming conferences and trainings hosted by

living stream ministry and a website link for information related to similar events in europe this issue of the ministry of the word contains the six messages from the memorial day weekend conference held in kansas city missouri on may 25 through 28 2018 the subject of this series of messages is the spiritual warfare of the church as the new man the banners in the following section embody the crucial truths and the main burden of the conference the reports and announcements section at the end of this issue contains the report update on the lord s move in europe as well as information concerning upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe this issue of the ministry of the word contains the final eight messages given during the fall 2017 term of the full time training in anaheim california the general subject of this series of messages is the crucial revelation of life in the scriptures god s ultimate intention is to gain a corporate god man for his corporate manifestation the intrinsic element of god s eternal economy is that the triune god in humanity the wonderful christ as the spirit of the glorified jesus is sown into god s chosen people as the seed of life the seed of god so that he might grow in them live in them develop in them and be expressed from within them as the farm of god for the building up of the church as the house of god and the kingdom of god the seed of life is actually god in christ as the spirit through his word sown into us this seed contains everything related to god s economy to the divine life and to the growth development and function of that life the seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive christ the seed of life sown into us needs to grow to maturity so that we may be the kingdom of god in resurrection christ became a life giving spirit for imparting life the life giving spirit is the extract the essence the concentrated form of the all inclusive christ the totality of all that the all inclusive christ is as the life giving spirit is for our experience and enjoyment without the experience of christ as the life giving spirit the lord cannot have his body if we never have any experience or enjoyment we will never grow there is always a spiritual war related to the growth in life if the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity however there is a fighting element in this seed the only way to enter into the coming kingdom is to grow into the kingdom second peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us the law of the spirit of life is the subject of romans 8 god s life is the highest life and the law of this life is the highest law the law of the spirit of life is not a thing but a person the processed and consummated triune god embodied in christ and realized as a living law in our spirit this law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life while we remain in touch with the lord staying in contact with him the law of the spirit of life works automatically spontaneously and effortlessly to dispense god as life into our being and to overcome the law of sin and of death vv 10 6 11 we activate the law of the spirit of life by remaining in touch with the lord we need to cooperate with the indwelling installed automatic and inner operating god by prayer and by having a spirit of dependence thus maintaining our fellowship with the lord of life and the lord of work romans 8 reveals that the processed triune god as the law of the spirit of life gives the divine life to the believers for their living there are four laws in romans 7 and 8 one law is outside of us and the other three correspond to the three lives that are within us as regenerated persons outside of us is the law of god the law of moral commandments which is a portrait of god within us is the law of sin and of death in our flesh the law of good in our soul and the law of the spirit of life in our spirit the only way we can match and become the living portrait of god is by living according to the law of the spirit of life in our spirit god s desire and goal are that we live by the divine life and minister life to others for the building up of the church the all inclusive indwelling spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of christ to everyone who contacts us in romans 8 we also see that the desire of god s heart is to have many sons for his corporate expression v 29 the father sent his son who was born under the law and born through a woman to redeem us out from under the law having redeemed us he sent forth the spirit of his son into our hearts crying abba father gal 4 6 now our spirit has become a spirit of sonship as the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn son of god we are to be conformed to the image of god s firstborn son christ as the first god man that we may be a group of god men who are exactly like him paul s epistle to the romans reveals god s complete salvation in two aspects god s judicial redemption is the procedure of god s complete salvation for the believers to participate in god s organic salvation as the purpose of the complete salvation of god redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification god s organic salvation is the organic aspect of god s complete salvation through the life of god rom 1 17b acts 11 18 rom 5 10b 17b 18b 21b as the purpose of god s salvation accomplishing all that god wants to achieve in the believers in his economy through his divine life gen 2 9 rev 22 14 organic salvation entails regeneration with god s life sanctification with god s holy nature renewing with god s element transformation with god s being conformation into god s image and glorification which is our full sonship glorification sonizes our whole being from spirit to soul to body all the items of god s organic salvation are carried out by christ as the life giving spirit in his heavenly ministry organically and subjectively being saved in his life is actually the process of resurrection with the resurrection life of christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with god s holy nature it is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit rom 6 4 7 6 the experience of god s organic salvation equals reigning in christ s life the issue of our reigning in life living under the ruling of the divine life is the real and practical body life expressed in the church life 12 1 4 9 12 15 18 the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe this issue of the ministry of the word contains the nine messages given during the international training for elders and responsible ones held in leipzig germany

from october 5 7 2017 the general subject of this series of messages is the recovery of the church the intrinsic significance of the church is the corporate expression of christ who is the embodiment and expression of the triune god the reality of the church as the expression of christ is heavenly christly and resurrectionly in time and space however the church can deviate and become degraded deformed and corrupted due to the enemy s work of producing substitutes for christ dividing the body of christ and killing the function of the members of the body of christ from the beginning god s intention was to have the church and this was taught by the apostles eph 3 10 11 although much of the truth concerning the church has been lost or distorted our god is a god of recovery regardless of what the enemy has done the lord s recovery of the church brings us back to the beginning for the fulfillment of god s eternal purpose and original intention regarding the church for the recovery of the church we need to overcome the degradation of the church that was brought in according to the principle of babylon exercising human ability and effort hypocrisy self glorification and harlotry the way to overcome the principle of babylon is to take christ as our burnt offering so that he can repeat the life of the burnt offering within us by this way we can be christified and become his duplication for the building up of the body of christ to consummate the holy city new jerusalem the books of ezra and nehemiah record the return of the israelites from babylon to jerusalem to rebuild the temple and the city this return signifies the lord s recovery of a remnant out of today s division and confusion back to the original ground of oneness for the building up of the genuine church as the house of god and the kingdom of god to strengthen and enrich the recovery of the church the lord needs priestly scribes like ezra those who contact god are saturated with god and are skillful in the word of god to reeducate and reconstitute god s people for his testimony and his corporate expression on the earth the lord also needs those who are pure and properly aggressive like nehemiah to build the great and high wall of the holy city for our separation unto god the protection of god s interests and the expression of god practically speaking in the lord s recovery today we are mainly recovering the proper church life and the proper living of the church the church life is the corporate living of the perfected god men a living in the reality of the body of christ the church life is the life of christ being lived out through his members in a corporate way it is our being headed up under the unique headship of christ and enjoying the mutual flowing of fellowship in oneness as the continuation of christ s being glorified by the father so that we may be the corporate expression of christ in order for the lord to return he must recover the life and living of the church the church has two main aspects universal and local the church is constituted of the universal god but it exists on earth in many localities in nature the church is universal in god but in practice the church is local in a definite place without the universal aspect the church is void of content without the local aspect it is impossible for the church to have any expression and practice the genuine oneness is the triune god who as the spirit today is being added to us and is permeating us taking us over and filling us only the triune god is the factor of the genuine oneness the ground of oneness is simply the processed triune god applied to our being in psalm 133 the fine oil referring to the holy anointing oil in exodus 30 23 33 signifies the all inclusive compound spirit this anointing spirit is the element of our oneness when the compound spirit applies himself to us and spreads over and in our entire being in a gradual way he makes us genuinely one if we want to have the recovery of the church we must have a clear revelation concerning the three most basic essential and crucial statuses of the church as the body of christ as the new man and as the counterpart of christ the body is the issue of the headship of christ christ as the one who fills all in all needs his body to be his fullness the expression of the head cf eph 1 22 23 for the building up of the body of christ we need to practice the scriptural way to meet and to serve the god ordained way revealed in the holy word the new man is christ in all the saints this indwelling christ permeates and replaces us to remove all natural distinctions and to constitute everyone with himself in order for us to experience the reality of christ being all the members of the new man we need to take christ as our life and our person and live him not ourselves the one new man fulfills god s eternal purpose of expressing god and dealing with his enemy the church as the body of christ and the one new man will become the bride the counterpart of christ the lord will return for his bride the church the counterpart of christ as typified by eve is a pure product out of christ built out of the uncreated life released by christ through his death and resurrection only those who are regenerated of christ and who live by christ as the church can match christ and complement him in the new jerusalem the processed and consummated redeeming triune god as the universal husband will live a married life for eternity with this redeemed regenerated transformed and glorified corporate person as his wife this will be the consummation of the universal divine romance the announcements section of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information The Ministry of the Word, Vol. 22, No. 4 2024-03-01

this issue of the ministry of the word contains the first eight messages given during the fall 2017 term of the full time training in anaheim california the general subject of this series of messages is the crucial revelation of life in the scriptures the central thought of god in this universe and in eternity is to have christ as his expression through the church with the shining in life god s expression is based on life and light and the light is the shining in life in order for god to have an expression of himself in christ through the church the divine life that expresses him must be embodied and expressed in christ and then dispensed into worked into and expressed through the church only the life of god can express god based on this principle we will see the crucial revelation of life throughout the scriptures genesis 1 and 2 are not merely a record of creation actually nearly every item recorded in these two chapters is a revelation of christ who is life to god s people for the producing and building up of the church according to genesis 1 god created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man whom god created in his image the purpose of the creation of man with god s image is that this man would express god however the created man had only a human life any form of created life can only express itself it cannot express another kind of life this means that man is unable to express god if he has only his created human life in order for man to express god and fulfill his purpose man must obtain and receive the life of god as his life god has to enter into man to be life to man genesis 2 reveals that the bride of christ typified by the woman built from the rib taken from the man is produced and comes into being by life the real eve the church the counterpart of christ which will consummate in the new jerusalem is built with the resurrection life that was released by the lord through his death and imparted through his resurrection this counterpart of the lord is a building of life for god to gain his corporate expression through the church he must dispense and work himself into us his people his believers this is accomplished through our eating and drinking him we need to pass through three stages of the enjoyment of christ by eating him the first stage is the eating of christ as the passover lamb in egypt the second stage is the eating of christ as the manna in the wilderness and the third stage is the eating of christ as the rich produce of the good land by our eating in the first two stages we are energized to leave the world and are constituted with christ as the heavenly element only in the third stage of the enjoyment of christ as our food can we fulfill god s purpose it was not until the children of israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up god s dwelling place on the earth and bring in the kingdom of god likewise for us to reach the goal of god s economy we need to progress until we enter into the highest stage of eating christ as the all inclusive spirit as typified by the rich produce of the good land in this stage we overcome the spiritual enemies we are built up to be god s dwelling place and we establish god s kingdom on earth the history of god s people is not only one of eating but also one of drinking in the old testament before coming into the good land and building the house of god the children of israel journeyed through the wilderness during that journey they came to marah a place of bitter waters moses followed god s command to cast a tree into the bitter waters the waters then became sweet this tree signifies the tree of life the crucified and resurrected christ who today is the spirit mingled with our spirit in our spirit we have the crucified and resurrected christ as our healer he is the

one who transforms our bitter circumstances and makes them sweet and he also heals all our diseases before the building of the house of god the bible speaks of the springs of water exo 15 22 27 the water out of the cleft rock 17 6 and the water from the well num 21 16 17 christ as the living spiritual rock was smitten by the authority of god s law so that the water of life in resurrection could flow out of him and into his redeemed people for them to drink after god s people built the house of god in the good land the bible speaks of the river of god s pleasures psa 36 8b the river whose streams gladden the city of god 46 4 a fountain going forth from the house of jehovah joel 3 18 and living waters going forth from jerusalem zech 14 8 we need to experience the flowing of the living water out of the house of god ezek 47 1 5 in order to be in the flow we have to be in the building that is we need to be in the church in the new testament we can see the crucial revelation of life in the book of matthew in the decree of the kingdom s constitution given by the lord in chapters 5 7 he displayed the two possible ways people may live and work before god 7 13 14 21 27 the broad way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man s enterprise the constricted way is according to the divine regulations this way which leads to life fulfills the spiritual requests brings in god s elect bears the testimony of jesus christ and carries out god s economy for the building up of the body of christ we take this way by walking in the spirit this will restrict us and cause us to live a normal christian life we will thereby become vital healthy believers who take the way of life for god s building there are three basic elements in matthew first christ is the king as the kingdom bringing in the reality of the kingdom second he is the king in his all inclusiveness third he is the kingly bread when we partake of this kingly bread we eat digest and assimilate the king and the kingdom with its reality and we eat and digest the king in his all inclusiveness the ruling element is in the food when we take in this food we gradually become the reality of the kingdom of the heavens the announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by living stream ministry and a website link for information related to similar events in europe
