Ezekiel Project: The UFO Bible Connection

2018-11-03

many will argue that the bible if it is to be taken seriously is all about how its read and interpretation with that in mind there are many who subscribe to the ancient astronaut theory in particular who believe the bible to be filled with accounts of ufo encounters and interactions between human beings and extraterrestrials what ezekiel saw is one of the most seized upon accounts what if i told you that this was all simply an allegory about a form of ancient hebrew yoga known as merkabah mysticism its psychology and that the events never really actually happened except of course inside of you psychology it self has roots stretching all the way back to ancient india and egypt learn the mysteries behind the fables that can be applied to every day life that are in synch with natural laws learn to resonate with the universe through these teachings

Compassionate Love in Intimate Relationships

2021-12-29

drawing on interviews conducted with black couples in the united states this book explores relational resilience and identifies unique adaptation strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activates compassionate love in flourishing relationships by applying appreciative inquiry ai methodology and family systems theory the book captures the spiritual emotional and sexual dimensions in black couple systems that gives meaning to their resilient relationships in

the best joke they refused to see the meaning behind it the measurements and the ideas came from india the dams in the british period were built by indian workers may be with the help of indian engineers but we say that the british built it so do taj mahal it was not built by shah jahan but by workers of delhi area but the history books gave the credit to the mogul emperor and even the big temple in tamil nadu king raja raja chozhan was the force behind it when i say the egyptian pyramids were built by indians it was the idea we gave them it was the sutra measurements we gave them ziggurats of middle east are nothing but sikhara now we use the word sikhara for everest and nanda devi and nanga parvat the mudras of hindu idols the funeral mantras of atharvana veda are also seen in egyptian pyramids

Grimoire For The Apprentice Wizard

2004-02-04

here is the book merlin could have given a young arthur if only it had existed out of the millions of harry potter fans worldwide there are tens of thousands who want to really do the magical things j k rowling writes about but would be wizards must rely on information passed down from wizard elders is there a hogwarts anywhere in the real world a real albus dumbledore where is the book these aspiring wizards need luckily for all those fans oberon zell ravenheart today s foremost genuine wizard has written the essential handbook what s more he has gathered some of the greatest names in wicca including ellen evert hopman raymond buckland raven grimassi patricia telesco jesse wolf hardin morning glory zell ravenheart and many more into a modern day grey council to publish for the first time everything an aspiring wizard needs to know lurking within the pages of grimoire for the apperntice wizard are biographies of famous wizards of history and legend detailed descriptions of magickal tools and regalia with full instructions for making them rites and rituals for special occasions a bestiary of mythical creatures the laws of magick myths and stories of gods and heroes lore and legends of the stars and constellations instruction for performing amazing illusions special effects and many other wonders of the magical multiverse praise forgrimoire for the apprentice wizard i can t think of a better more qualified person to write a handbook for apprentice wizards oberon is a wizard raymond bucklland author of buckland s complete book of witchcraft oberon is not only extremely learned in the magickal arts but he communicates that knowledge with wit and charm fiona horne author of witch a magickal journey and star of mad mad mad house

Occultism, Witchcraft, and Cultural Fashions

2012-04-02

in the period domoninated by the triumphs of scientific rationalism how do we account for the extraordinary success of such occult movements as astrology or the revival of witchcraft from his perspective as a historian of religions the eminent scholar mircea eliade

shows that such popular trends develop from archaic roots and periodically resurface in certain myths symbols and rituals in six lucid essays collected for this volume eliade reveals the profound religious significance that lies at the heart of many contemporary cultural vogues since all of the essays except the last were originally delivered as lectures their introductory character and lively oral style make them particularly accessible to the intelligent nonspecialist rather than a popularization occultism witchcraft and cultural fashions is the fulfillment of eliade s conviction that the history of religions should be read by the widest possible audience

The Mystic Path of Divine Love

1997

the mystic path of divine love the process of mystical transformation and the path of divine love this volume focuses on the ancient wisdom teachings of neter merri the ancient egyptian philosophy of divine love and how to use them in a scientific process for self transformation love is one of the most powerful human emotions it is also the source of divine feeling that unifies god and the individual human being when love is fragmented and diminished by egoism the divine connection is lost the ancient tradition of neter merri leads human beings back to their divine connection allowing them to discover their innate glorious self that is actually divine and immortal this volume will detail the process of transformation from ordinary consciousness to cosmic consciousness through the integrated practice of the teachings and the path of devotional love toward the divine

The Lost Esoteric Teachings of the Masters

2022-12-06

the lost esoteric teachings of the masters is a revolutionary ground breaking practical guide book that will instruct techniques on how to achieve inner bliss universal wisdom enlightenment spiritual renewal and immortality the guide safely teaches the awakening opening activating of the dormant latent life force at the base of the spine tailbone coccyx sacred bone holy bone immortal bone resurrection bone luz bone ajbu al thanab wonder of the tailbone this powerful transformative life force is often labeled serpent power coiled snake kundalini holy spirit mukalinda bakunawa dragon serpent fire fire of the holy spirit secret fire baptism by fire fire within inner fire gtummo yang chi fire chi sacred fire fire element cosmic fire divine fire fire of love fire of god presence of god grace of god vril ruah ruh kukulcan veles fohat latifahs infused with zikr shakti sakina shekinah sekhmet goddess great mother unstoppable force pneuma orgone energy universal energy divine energy spiritual energy psychic energy bioenergy zero point energy perpetual energy bioelectricity and many other names and terminologies this real life force when awakened from its slumbering state is often depicted and symbolized as a serpent on a staff pole cup or circulating around the body of a god goddess or enlightened being it is also symbolized as a fire or light in ancient monuments statues pyramids and temples these esoteric techniques were known by shiva sherab miwo krishna osiris mozes zoroaster kuan yin gautama buddha hermes trismegistus lao tzu patanjali jesus of nazareth prophet muhammed milarepa rumi guru nanak mahavatar babaji saint germain fulcanelli and many other masters prophets sages alchemists mystics saints shamans medicine women gods and goddesses the powerful techniques were lost ignored neglected or knowingly suppressed as a means of control about the author after much research and studying of the ancient hidden esoteric knowledge and practice of meditation for seven years the author weinz belardo deciphered the subtle mechanism that causes ordinary people to experience mystical cosmic divine enlightened state of consciousness he then began to devise and formalize his techniques to activate the subtle mechanism on september 1993 at twenty three years old he had an enlightening life force awakening that profoundly changed his life after seventeen years of enjoying peace ecstasy inner joy happiness great health and wisdom the author decided to share and teach his techniques publicly in 2010 he presented his work in a series of workshops around the world this step by step guide book will serve as a surrogate guru master teacher so that you may practice these techniques at home without having to travel abroad to seek enlightenment this no nonsense book will assist you and save years of meditation and prayer if practiced with diligence and persistence the light of truth will be manifested to you the activated dormant life force will gradually transform the ordinary body into an immortal everlasting incorruptible imperishable glorified rainbow body with much heavenly joy and happiness indeed the kingdom of god heaven is within

Everlasting Gospel

2007

what would it be like to know that you are indeed immortal that your physical body is but the outward form taken by your own eternal inner form or soul body what would it be like to dissolve the bodily boundaries that seem to separate you from the souls of others learning to feel your soul in their body and their soul in yours what would it be like to see and feel your partner as the embodiment of a god or goddess and to experience the bliss of soul body sex an intensely sensual intimacy and intercourse with their divine soul body the new yoga is a yoga of the soul body that body with which we can intimately sense feel and touch others independently of physical contact the new yoga is also tantra reborn giving rebirth to the tantric tradition known as kashmir shaivism through a wholly new understanding of its sexual symbolism and of tantric sex seen not merely as a heightening or spiritual elevation of bodily sex but as an expression of the sublime sensuality and divine sexuality of the soul and its body tantra reborn explains in detail the anatomy nature and powers of the soul body its relation to gender and sexuality to tantric initiation and to the traditional tantric symbolism of shiva shakti and kundalini it also offers a practical guide to experiencing the bliss of soul body intercourse through new and original forms of tantric pair and partner meditation

a profound understanding of the surrealists connections with alchemists and secret societies and the hermetic aspirations revealed in their works explains how surrealist paintings and poems employed mythology gnostic principles tarot voodoo alchemy and other hermetic sciences to seek out unexplored regions of the mind and recover lost psychic and magical powers provides many examples of esoteric influence in surrealism such as how picasso s demoiselles d avignon was originally titled the bath of the philosophers not merely an artistic or literary movement as many believe the surrealists rejected the labels of artist and author bestowed upon them by outsiders accepting instead the titles of magician alchemist or in the case of leonora carrington and remedios varo witch their paintings poems and other works were created to seek out unexplored regions of the mind and recover lost psychic and magical powers they used creative expression as the vehicle to attain what andré breton called the supreme point the point at which all opposites cease to be perceived as contradictions this supreme point is found at the heart of all esoteric doctrines including the great work of alchemy and enables communication with higher states of being drawing on an extensive range of writings by the surrealists and those in their circle of

influence patrick lepetit shows how the surrealists employed mythology gnostic principles tarot voodoo and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness he provides many specific examples of esoteric influence among the surrealists such as how picasso s famous demoiselles d avignon was originally titled the bath of the philosophers how painter victor brauner drew from his father s spiritualist vocation as well as the kabbalah and tarot and how doctor and surrealist author pierre mabille was a freemason focused on finding initiatory paths where it is possible to feel a new system connecting man with the universe lepetit casts new light on the connection between key figures of the movement and the circle of adepts gathered around fulcanelli he also explores the relationship between surrealists and freemasonry martinists and the elect cohen as well as the grail mythos and the arthurian brotherhood

The Esoteric Secrets of Surrealism

2015-03-27

the long awaited revised 2nd edition of the yoga therapy handbook has arrived it is greatly expanded colorful and much more descriptive than the original edition from 2007 the new version is contained in four distinct volumes book 1 4 that are being sold separately with an a la cart styling so readers can pick and choose from what works best for them as either a novice beginner or advanced yoga therapist perhaps what is most intriguing though about this 2nd edition is that in the interim period the author made a dramatic and controversial decision to embrace al islam accordingly this edition wrestles with those quintessential elements that make a comparative religion flow to this text quite different than any other yoga therapy book on the market today the author also revives his review of the multicultural expressions as well in both yoga science and meditation practices the creative artistic flair of the illustrator sue jeong ka is still woven into the fabric of this text this fine artist who is originally from south korea rok now lives and works in the usa new york city surely her talents have expanded since the first edition and we hope with the print edition to follow she add some new illustrations to enliven this text

THE YOGA THERAPY HANDBOOK - BOOK FOUR - REVISED SECOND EDITION

1994

from yoga to neuroscience a tour of major ideas about the body and mind body psychotherapy which examines the relationship of bodily and physical experiences to emotional and psychological experiences seems at first glance to be a relatively new area and on the cutting edge of psychotherapeutic theory and practice it is but the major concepts of body mind treatment are actually drawn from a wide range of historical material material that spans centuries and continents here in a massively comprehensive book michael heller summarizes all the major concepts thinkers and movements whose work has led to the creation of the field we now know as body mind psychotherapy the book covers everything from eastern and western thought beginning with yoga and taosim and moving to plato and descartes it also discusses major developments in biology how organisms are defined and neuroscience this is truly a comprehensive reference for anyone interested in the origins of the idea that the mind and body are not separate and that both must be understood together in order to understand people and their behavior

sri vidya begins where the current understanding of quantum physics ends say modern day scholars about this little known highly esoteric spiritual tradition that has been carefully kept under wraps by its secretive and serious practitioners the study of sri vidya is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find tantra mantra and yantra of sri vidya is an endeavor to explore the sri vidya tradition and understand it as the unfolding of shakti the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success sri vidya practice comprises tantra a technique or framework for worship whose two main elements are mantra sacred sound and yantra sacred geometry tantra can be described in simple terms as the utilization of the mental faculty to pursue the objectives of worship using mantra and yantra mantra is the use of sound energy to bring about oneness with the divine while yantra is a geometric drawing that serves as a tool to reach the divine the book delves into concepts such as sankhya yoga karma and kundalini in order to establish the context of how sri vidya is to be approached combining elements of knowledge devotion and ritual the author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests presenting the information in a non dogmatic and practical manner thereby allowing everyone an opportunity to learn and experience the benefits of sri vidya this is the third book by the author in the spirituality series the first book was about the sri chakra yantra and the second book had chakras as its subject

this book seeks to find creative and transformative relationship among roots and routes and create a new dynamics of awakening so that we can overcome the problems of closed and xenophobic roots and rootless cosmopolitanism the book draws upon multiple philosophical and spiritual traditions of the world such as siva tantra buddhist phenomenology and peircean semiotics and discusses the works of ibn arabi thoreau tolstoy gandhi and raimon panikkar among others the book is transdisciplinary building on creative thinking from philosophy anthropology political studies and literature it is a unique contribution for forging a new relationship between roots and routes in our contemporary fragile and complex world

De Kybalion - Alles is EŽn, EŽn is Alles

1994

long ago the ancestors of the greeks romans and hindus were one people living on the eurasian steppes at the core of their religion was the shamanic trance a natural state but one in which consciousness achieves a profound level of inner awareness over the course of millennia the indo europeans divided and migrated into europe and the indian subcontinent the knowledge of shamanic trance retreated from everyday awareness and was carried on in the form of myths and distilled into spiritual practices most notably in the indian tradition of yoga j nigro sansonese compares the myths of greece as well as those of the judeo christian tradition with the yogic practices of india and concludes that myths are esoteric descriptions of what occurs within the human body especially the human nervous system during trance in this light the myths provide a detailed map of the shamanic state of consciousness that is our natural heritage this book carries on from the works of carl jung and joseph campbell to show how the portrayal of consciousness embodied in myth can be extended to a reappraisal of the laws of physics before they are descriptions of the world these laws like myths are descriptions of the human nervous

octavio paz is one of the most recognized latin american writers his essays offer a sophisticated critique of global modernity although his work has advanced many of the arguments that orient our contemporary debates in the social sciences and in philosophy it has hardly ever been seriously taken into consideration in these disciplines the volume suggests that this may have been a mistake its authors indicate ways in which paz essays can be read as substantial contributions to the contemporary debates in various fields the aim of this book is to present to a non spanish speaking audience some of the discussions about paz offerings to the ongoing debates it also wants to make a clear statement a critique of our contemporary modernity must go hand in hand with a non exclusive intercultural understanding of humanism
