## **Nostradamus**

the first of nostradamus s three antichrists is clearly napoleon bonaparte given both the extent and the quality of the prophecies he dedicates to the man the second antichrist is adolf hitler again nostradamus devoted an inordinate amount of space to hitler s effect on the world stage the third of his antichrists is the one still to come to which he devotes a number of prophecies still waiting to be fulfilled they include dates and consequences the period starts in 2010 with advance warning of the third antichrist covers his birth in 2035 the global war triggered by the antichrist in 2070 and the decay and destruction of the antichrist s empire by 2097 although many

people know that nostradamus prophesied the coming of the three antichrists allegedly foretold in st john s epistles and also in the guise of the beast the dragon the false prophet and the whore of babylon in revelation they don t know who the first two antichrists were nor who the third will be when his time comes this book will answer those questions nostradamus differs from the biblical book of revelation in his emphasis that there are three antichrists and not simply one author mario reading believes that nostradamus intended his concept of the three antichrists to act as an evil mirror image of the holy trinity and designed this as a possible three stage build up to armageddon he concludes that nostradamus intuited that all three antichrists would be supra national in the sense that their actions would affect the whole world and not simply their own countries
