Bullies Below The Radar: How to Wise Up, Stand Up and Stay Up – 2nd Edition

2015-09-21

this series of absorbing case studies focuses on the portrayal of pakistani women in the global media analyzing hollywood films british documentaries newspapers and mainstream u s magazines the book traces sensational female figures of pakistan all of whom have been subject to patriarchal violence highlighting the imagery of exploitation and eroticism the author addresses questions of spectatorship and fetishism in the age of globalization and the racial and imperial politics of liberal feminism

Will the Real Pakistani Woman Please Stand Up?

2021-11-15

contributions by jared n champion miriam m chirico thomas clark david r dewberry christopher j gilbert david gillota kathryn kein rob king rebecca krefting peter c kunze linda mizejewski aviva orenstein raúl pérez philip scepanski susan seizer monique taylor ila tyagi and timothy j viator stand up comedians have a long history of walking a careful line between serious and playful engagement with social issues lenny bruce questioned the symbolic valence of racial slurs dick gregory took time away from the stage to speak alongside martin luther king jr and more recently tig notaro challenged popular notions of damaged or abject bodies stand up comedians deploy humor to open up difficult topics for broader examination which only underscores the social and cultural importance of their work taking a stand contemporary us stand up comedians as public intellectuals draws together essays that contribute to the analysis of the stand up comedian as public intellectual since the 1980s the chapters explore stand up comedians as contributors to and shapers of public discourse via their live performances podcasts social media presence and political activism each chapter highlights a stand up comedian and their ongoing discussion of a cultural issue or expression of a political ideology standpoint lisa lampanelli s use of problematic postracial humor aziz ansari s merging of sociology and technology or maria bamford s emphasis on mental health to name just a few taking a stand offers a starting point for understanding the work stand up comedians do as well as its reach beyond the stage comedians influence discourse perspectives even public policy on myriad issues and this book sets out to take those jokes seriously

Taking a Stand

2001

the first edition of connections was chosen by the national association of publishers usa as the best book in mathematics chemistry and astronomy professional and reference in 1991 it has been a comprehensive reference in design science bringing together in a single volume material from the areas of proportion in architecture and design tilings and patterns polyhedra and symmetry the book presents both theory and practice and has more than 750 illustrations it is suitable for research in a variety of fields and as an aid to teaching a course in the mathematics of design it has been influential in stimulating the burgeoning interest in the relationship between mathematics and design in the second edition there are five new sections supplementary as well as a new preface describing the advances in design science since the publication of the first edition

Connections

1972

the most popular source of theological hope for american christians is that of jurgen moltmann preachers teachers and lay people reflect moltmann s influence with their hope in a this worldly eschatology and a suffering god however an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises this book explores moltmannian hope and considers its costs before looking elsewhere for additional contributions from thomas aquinas s theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practice hope in jesus christ our only hope

one of the cultural phenomena to occur in ireland in the last two decades has been the highly successful growth of stand up comedy as a popular entertainment genre this book examines stand up comedy from the perspective of the narrated self through the prism of the fabricated comedy persona including tommy tiernan dylan moran and maeve higgins

Our Only Hope

2015-01-19

in health and inequality in standup comedy stories that challenge stigma sean m viña explores the power of open conversations in reducing stigma using standup comedy as a lens the book delves into the experiences of ninety nine diverse comedians revealing how they disclose their stigmas in public and what prevents some from having open conversations the author argues that the scope of stigma resistance is defined by the prejudice of those who stigmatize making it an unequal endeavor that requires structural change to truly make a difference through the voices of these comedians health and inequality in standup comedy challenges us to reconceptualize our approach to fighting stigma and discrimination and highlights the importance of implementing policies that decrease segregation a compelling and eye opening read for anyone interested in understanding the power of social contact through the unequal standup comedy world

Performance and Identity in Irish Stand-Up Comedy

1979

the infant motor profile is a practical manual on a new evidence based method to assess infant motor behaviour not only looking at what milestones the infant has reached but also paying attention to the quality of motor behaviour how the infant moves this text provides professionals involved in the care of infants at risk of developmental disorders with information on five domains of motor behaviour variation adaptability symmetry fluency and performance backed up by extensive up to date research it includes percentile curves so that professionals can easily interpret the infants scores the profile created from the assessment informs about the infant s current condition and their risk of developmental disorders as well as providing suggestions for early intervention tailored to the strengths and limitations of the infant used over time it can be an excellent instrument to monitor the infant s developmental progress illustrated with numerous figures and accompanied by a website hosting over 100 video clips this text is an essential read for professionals in developmental paediatrics including paediatric physiotherapists occupational therapists developmental paediatricians neuropaediatricians and paediatric physiatrists

The Infant Motor Profile

1998

the berkley building company s office closes on week ends so when rose shapiro arrives for work on monday morning june 20 1966 she has to unlock the door to gain entry she finds her boss max robbins dead the apparent victim of a heart attack at the funeral home because bruises are found on max s body the medical examiner performs an autopsy he opines that max did die of a heart attack but one caused by powerful blows to his solar plexus so who killed max crude black sheep son of real estate mogul sam robbins max wasn t short of enemies the police discover evidence that david lev max s boyhood friend and lawyer was the last person to see max alive david normally unflappable borders on panic he turns for help to his ex mobster cousin jack lerner once head of detroit s infamous purple gang whose criminal activities teenaged david abhorred and which embarrassed him with input from chick marcus another childhood friend of david and max jack makes the problem go away max s killer is never discovered thirty eight years later chick only survivor of the trio eighty and frail but with perfect recall tells us who killed max and why

The Taming of the Shrew

2023-12-09

sober stick figure is a memoir from stand up comedian amber tozer chronicling her life as an alcoholic and her eventual recovery starting with her first drink at the age of seven all told with the help of childlike stick figures amber writes and illustrates the crazy and harsh truths of being raised by alcoholics becoming one herself stagnating in denial for years and finally getting sober as a teenager amber is an overachieving student athlete who copes with her family s alcoholic tragedies by focusing on her achievements it quickly takes a funny and dark turn when she starts to experiment with booze and ignores the warning signs of alcoholism through blackouts cringe worthy

embarrassments and pounding hangovers she convinces herself that she just likes to party she leaves her hometown of pueblo colorado to follow her dreams and ends up in new york city spending lots of time binge drinking passing out on trains and telling jokes on stage she then moves to los angeles thinking sunshine and show business will save her eventually hitting rock bottom she has a moment of clarity and knows she has to stop drinking it s now been seven years since that last drink and she s ready to tell her story sober stick figure is adventurous hilarious sad sweet tragic and ultimately inspiring

quotations are a standard way that the humanities make meaning the pull quote epigraph and quotation are standard for citing evidence and invoking and interrogating authority in both literary and scholarly writing however film studies has yet to seriously examine how moving images can quote one another convening interaction and creating new knowledge across time classical projections offers film quotation as a new concept for understanding how preexisting moving image fragments are reframed and re viewed within subsequent

films as a visual corollary to literary quotation film quotations embed film fragments in on screen movie screens though film quotations have appeared since silent cinema classical projections focuses on quotations of classical hollywood film mainstream american studio production 1915 1950 as quoted in post classical hollywood roughly 1960 to present this strategic historical frame asks how does post classical cinema visualize its awareness of coming after a classical or golden age how do post classical filmmakers claim or disavow classical history how do historically disenfranchised post classical filmmakers whether by gender sexuality or race grapple with exclusionary and stereotype ridden canons as a constitutive element of post classical authorship film quotations amass and manufacture classical hollywood in retrospective highly strategic ways by revealing how quotational tellings of film history build and embolden exclusionary myopic canons classical projections uncovers opportunities to construct more capacious cultural memory

Professional Sewing Techniques for Designers

1952

the skills children acquire in fine motor activities such as cutting simple shapes go beyond just the production of a craft although that too has its rewards the ability to grasp and manipulate transfers to future writing skills the dedication to the task involved becomes the ability to concentrate and the completion of a satisfying project builds pride self esteem and confidence until now it has been difficult to find simple enough shapes round enough corners thick enough lines gentle enough angles or useful enough objects for early scissor skills experiences here are 28 perfect patterns the subjects were selected especially for the early childhood curriculum and suggestions for use offer creative tips and ideas

Department of the Army Appropriations for 1953

2008-11-14

arthur c danto s essays not only critique bodies of work but reflect upon art s conceptual evolution as well drawing for the reader a kind of philosophical map indicating how art and the criteria for judging it has changed over the twentieth century in *unnatural wonders* the renowned critic finds himself at a point when contemporary art has become wholly pluralistic even chaotic with one medium as good as another and when the moment for the next thing has already passed so the theorist goes in search of contemporary art s most exhilarating achievements work that bridges the gap between art and life which he argues is now the definitive art of our time danto considers the work of such young artists as john currin and renee cox and older living masters including gerhard richter and sol lewitt he discusses artists of the new york school like philip guston and joan mitchell and international talents such as the south african william kentridge danto conducts a frank analysis of matthew barney s the cremaster cycle damien hirst s skeletons and anatomical models and barbara kruger s tchotchke ready slogans finds the ghost of henry james in the work of barnett newman and muses on recent whitney biennials and art influenced by 9 11 he argues that aesthetic considerations no longer play a central role in the experience and critique of art instead art addresses us in our humanity as men and women who seek meaning in the unnatural wonders of art a meaning that philosophy and religion are unable to provide

The Stand-Up Guy

2016-05-31

innovative research requires courageous methods with this in mind courageous methods in cultural psychology invites students and post graduate researchers to develop methods that will let them grasp phenomena of interest more fully

readers will learn how to use established methods and may be asked to develop them further by combining single steps of extant procedures or by taking a completely new approach to data collection and analysis in this book diverse researchers present projects in which they have tried to do just that a comprehensive process from narrowing down research questions to collecting and analyzing data is given in detail followed by critical reflections on how well the authors have understood and shared complex realities project presentations are framed by theoretical chapters that deal with the challenges and opportunities of cultural psychology and interdisciplinary research courageous methods in cultural psychology is sure to inspire and encourage those who wish to venture on new roads into the wild
