Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 1979

Proceedings of Data Analytics and Management 2024-02-06

this book provides key insights into how educational leaders can successfully navigate the turbulence of political debate surrounding leading student assessment and professionalised practice given the highly politicised nature of assessment it addresses leaders and aspiring leaders who are open to being challenged willing to explore controversy and capable of engaging in informed critical discourse the book presents the macro concepts that these audiences must have to guide optimal assessment policy and practice collectively the chapters highlight important assessment purposes and models including intended and unintended effects of assessment in a globalised context the book provides opportunities to explore cultural similarities and particularities it invites readers to challenge taken for granted assumptions about ourselves and colleagues in other settings the chapters highlight the cultural clashes that may occur when cross cultural borrowing of assessment strategies policies and tools takes place however authors also encourage sophisticated critical analyses of potential lessons that may be drawn from other contexts and systems readers will encounter challenges from authors to deconstruct their assessment values beliefs and preconceptions indeed one purpose of the book is to destabilise certainties about assessment that prevail and to embrace the assessment possibilities that can emerge from cognitive dissonance

like no other book available working with students with disabilities a guide for school counselors provides comprehensive coverage of school counselors roles in special education and working with students with disabilities and connects that coverage to both the asca national model and cacrep standards in working with students with disabilities school counselors will find thoughtful analyses of the legal and regulatory basis for many of the practices in special education including an overview of pertinent laws including the individuals with disabilities education improvement act and section 504 of the rehabilitation act they II gain an in depth understanding of the leadership role that school counselors should play in supporting students teachers and families and they II also come away with an understanding of the common challenges like bullying cyberbullying and successful transitioning from high school to adult life to which students with disabilities may be more vulnerable as well as less common challenges such as behavioral difficulties autism spectrum disorders and many more
