 when anyone thinks of motorcycling whether they are
 enthusiasts or only casually interested the name harley davidson
 immediately comes to mind harley davidson is among the oldest surviving
 motorcycle manufacturers the company began in 1903 and continues to this
 day as you can imagine over the course of more than 100 years the
 company has seen prosperous times as well as lean times changes in focus
 and direction evolution and revolution all of that leads to a lot of
 company history and trivia american iron magazine associate editor tyler
 greenblatt has compiled 1 001 harley davidson facts into this single
 volume with subjects ranging from the historic powertrains to pop
 culture to harley davidson as a company and manufacturer facts begin
 with the early years when a motorcycle was not much more than a bicycle
 with an engine attached to the war efforts of world war i when 15 000
 were put into service during the 1920s harley davidson grew into the
 largest manufacturer in the world and that momentum helped carry it
 through the great depression and into world war ii postwar development
