Los fundamentos del libro y la edición 2021-09-10

nunca en la historia ha existido un momento más importante para la creación y la transmisión de conocimiento por un lado las tecnologías de la comunicación posibilitan transformaciones antes inimaginables que el mundo del libro y la edición aprovechan para hacer lo que mejor saben situarse a la cabeza de las innovaciones por otro lado jamás ha habido una proliferación equiparable de estudios y análisis sobre la edición y el libro en todas sus formas lo que nos permite reflexionar sobre el modo en que se produce esta revolución para la que no existen precedentes esta obra es el mejor ejemplo de dicha reflexión desde distintos puntos de vista desde diversas disciplinas y con la mayor riqueza y capacidad de disección se explica qué hacen los hoy editores qué valor supone su actividad y cuál es la dimensión cultural y social que hace que el mundo del libro y la edición tenga un perfil propio y una capacidad real de esclarecer y transformar la realidad en que vivimos los fundamentos del libro y la edición es una obra colaborativa de académicos y representantes de la industria editorial y librera que aborda cuestiones urgentes como las complejidades de la industria los desafíos de la lectura y la educación los mercados globales y las grandes diferencias regionales la propiedad intelectual y los derechos de autor la responsabilidad social de las editoriales o las relaciones de la industria de la edición con otros medios de comunicación y entretenimiento y las siempre cambiantes

tecnologías los libros nunca están solos forman parte de colecciones conviven en los estantes de las librerías y bibliotecas y conversan con otras obras a través de sus lectores y lectoras en este caso los fundamentos del libro y la edición está en buena compañía la colección tipos móviles es el entorno natural para que este volumen dialogue con otros textos que también hablan de libros editores y librerías
