if i was going into teaching now i would want a handy easily
accessible booklet of dos and don'ts and possible strategies that i
could employ i would want it to be easy to understand and follow
and just as easy to put into practice i would want to know that i
could trust the strategies because they had been tried and tested
in the most difficult of classrooms i would also want a complete
checklist of everything i needed to do before i even stepped into
the classroom from the introduction the down to earth introduction
to dos and don'ts of behaviour management sets the tone for this
upbeat and practical guide for all of those who are new to teaching
whether you are a trainee teacher newly qualified teacher or
recently qualified teacher this book is essential reading containing
advice on all aspects of behaviour management this book covers
