The Abingdon Bible commentary

1978

the abingdon old testament commentaries series offers compact critical commentaries on all the books of the old testament in addition to providing fundamental information on and insights into old testament writings these commentaries exemplify the tasks and procedures of careful critical exegesis so as to assist students of the old testament in coming to an informed engagement of the biblical texts themselves these commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders each volume consists of four parts an introduction that addresses the key issues raised by the writing the literary genre structure and character of the writing the occasional and situational context of the writing including its wider social and historical context and the theological and ethical significance of the writing within these several contexts a commentary on the text organized by literary units covering literary analysis exegetical analysis and theological and ethical analysis an annotated bibliography a brief subject index gowan takes full account of the most important current scholarship and secondary literature while not attempting to engage in technical academic debate the fundamental concern of this and every volume is analysis and discussion of the literary sociohistorical theological and ethical dimensions of the biblical texts themselves each volume attends to issues of special concern to students of the bible literary genre structure and character of the writing occasion and situational context of the writing wider social and historical context the theological and ethical significance of the writing within these several contexts and the like daniel one of the most misused books of the bible is read in this commentary as a powerful message concerning hope

and responsibility for believers who for various reasons have to face the theological question who is in charge here the book of daniel insists that the god of israel is in charge in spite of what circumstances may indicate then finds ways through story and vision to reassure the faithful that there is a future for them after all the commentary shows that what might be taken as just sunday school stories the lions den and the fiery furnace do raise issues from real life that have faced believers time and again across the centuries it also helps readers to understand how to read daniel's predictions of the future in a way that is most faithful to scripture as a whole the author explores the widely disparate meanings that have been attributed to the visions in the book he investigates four basic interpretations that form the basis of reading the book of daniel

The Abingdon Bible Commentary

1939

mark's genius lies not in telling a story about jesus but in creating conditions under which the reader may experience the peculiar quality of god's good news the evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another what is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs jesus' closest adherents the twelve are among the most muddled who can blame them they ask for an obscure parable's interpretation and receive an answer even more confounding they are told to feed thousands with next to nothing their boat almost capsizes while their teacher sleeps as they oar in rough waters the teacher strides the waves intending to bypass them putting the reader in the same boat mark structures conversations with jesus that make little sense if any the twelve are

craven stupid self serving and disobedient meet the average christian besides their hearts were hardened who hardens hearts god should not god s messiah lift the burdens of those following him what kind of christ heads to a cross handing his disciples another for themselves do you not yet understand from the introduction

Abingdon Old Testament Commentaries: Daniel

clifford differs from other commentators on the psalms chiefly in his concern with the inner dramatic logic of the psalms how they organize the experience and desires of the pray er and bring them to a proper conclusion his primary concern is to help readers see the pattern and progression within the psalms while at the same time attending to the richness of their words and the texture of their imagery

even in famine times god plants seed preparing for the next harvest even when we cannot see it

Abingdon Old Testament Commentaries: Psalms 1-72

2002-12-01

in this volume smith views the fourth gospel within several contexts in order to illuminate its specific purposes and achievements a growing consensus of recent scholarship including martyn raymond e brown meeks seeks the roots of this gospel and its traditions in the conflict between jesus followers and opponents within judaism in their struggles jesus followers are encouraged and strengthened by his continuing presence in the spirit which articulates his meaning for new situations although distinctive johannine christianity does not develop in complete isolation from the broader christian gospels out of a fascinating if complex setting develops the strikingly unique statement of christian faith practice and doctrine found in the gospel of john the purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance

jouette bassler s volume on the pastoral letters is a model of careful clearly written cogent interpretation she gives faithful attention to the problematic trees along the exegetical path yet without losing sight of the forest organized by literary units but not avoiding difficult verses bassler s commentary keeps before the reader the unfolding history of the early christian community from which the text emerges it is unquestionably the best resource we have on the pastoral letters charles b cousar columbia theological seminary bassler s commentary has the crispness of style and

no nonsense quality about it that one has come to expect from its author the underlying learning is evident throughout it results in careful critical exegesis that places the pastorals securely in their social and historical context all relevant issues are explained and discussed bassler is particularly good at referring the reader to other texts that illuminate her own with a broad range over jewish greco roman and christian texts she presupposes the non pauline authorship of the pastorals but otherwise has no special axes to grind as an introductory commentary for theological students it could not be bettered troels engberg pedersen copenhagen university denmark

Psalms

1994-06

in a striking departure from customary readings of the acts of the apostles as the story of the growth of the church gaventa argues that luke s second volume has to do with nothing less than the activity of god from the beginning of the story at jesus ascension and extending until well past the final report of paul s activity in rome luke narrates a relentlessly theological story in which matters of institutional history or biography play only an incidental role gaventa pays careful attention to luke s story of god as well as to the numerous characters who set themselves in opposition to god s plan

The Interpreter's One-volume Commentary on the Bible

1983

like widely differing siblings raised by the same parents each letter produced by paul has its own distinguishing character for the historically minded critic each letter s unique traits provide important clues for detecting the circumstances in which paul wrote it as well as what he hoped to achieve with it scholars assume that by examining the content of the letter the answer they can infer the readers situation that paul is addressing the question a method sometimes called mirror reading in the case of romans however both the particular traits and the overall content are so unusual that scholars continue to debate why paul wrote precisely this letter and what he hoped to achieve by it in rome so begins leander keck s seminal work on the new testament book of romans keck asserts that because romans is part of the new testament we can compare it with the other letters ascribed to paul as well as with what acts reports about his message and mission but the first readers of romans had only this letter they could compare it only with what they may have heard about him while this commentary does from time to time compare romans with what paul had said before it concentrates on romans itself what paul says in this text should not be conflated

with nor inflated into what he thought comprehensively though it is essential to understand that as well we do not really need another major commentary on romans that loses us in the minutiae of word studies literary parallels sociological and rhetorical hypotheses we have such in plenty the abingdon series however by its limited size forces the contributor to focus on the primary task of the commentator to clarify the meaning intended or potential of the words of the text and to provide some basic reflection on its their continuing significance and that is where keck excels james d g dunn review of biblical literature 04 2006

examines how the book of proverbs shapes moral imagination

Abingdon New Testament Commentaries: Romans

2011-09-01

the abingdon new testament commentaries series offers compact critical commentaries on the writings of the new testament these commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders in addition to providing basic information about the new testament texts and insights into their meanings these commentaries exemplify the tasks and procedures of careful critical exegesis in this volume robert c tannehill focuses on the significance of the gospel of luke in its final form for its original audience drawing on his own extensive previous work on luke as a literary narrative as well as on recent studies of the ancient mediterranean social world tannehill suggests that modern readers will find that certain

features of luke s gospel only take on significance or deeper significance when matched with an appropriate historical and cultural context in the first century this commentary is designed to meet the needs of sophisticated nonspecialist students of the bible the evangelist s literary genius frequently displayed in multivalent diction and imagery finds in robert tannehill a faithful and sensitive interpreter social scientific criticism use of cultural anthropology and frequent correction of renderings in the new revised standard version appear without undue intrusiveness this is a work well done frederick w danker christ seminary seminex lutheran school of theology at chicago

the abingdon old testament commentaries series offers compact critical commentaries on all the books of the old testament in addition to providing fundamental information on and insights into old testament writings these commentaries exemplify the tasks and procedures of careful critical exegesis so as to assist students of the old testament in coming to an informed engagement of the biblical texts themselves these commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders each volume consists of four parts an introduction that addresses the key issues raised by the writing the literary genre structure and character of the writing the occasional and situational context of the writing including its wider social and historical context and the theological and ethical significance of the writing within these several contexts a commentary on the text organized by literary units covering literary analysis exegetical analysis and theological and ethical analysis an annotated bibliography

a brief subject index in this volume on deuteronomy brueggemann shows the significance of the book of deuteronomy to the shape and substance of israel s faith in the old testament deuteronomy gave classic articulation to the main themes characteristic of judaism and derivatively of christianity brueggemann emphasizes that deuteronomy is an expression of covenant theology whereby yhwh and israel are pledged to exclusive loyalty and fidelity to each other yhwh is to assure the well being of israel and israel is to live in trust and obedience to yhwh in examining the relationship of israel to god brueggemann makes suggestions on how such covenant fidelity might be lived out by believers today brueggemann s commentary on the book of deuteronomy provides an accessible exegetical and theological understanding of a crucial biblical text the introduction presents deuteronomy as an expression of the radical yahwistic alternative to the political rhetoric and ideology of the israelite monarchy in the eighth and seventh centuries each section consists of an introduction exegesis and theological and ethical analysis of the essential elements that form the core of deuteronomy s message to the israelite community the choice between covenant and idol that forms the crux of the text s message is further interpreted in light of the concern for covenant faithfulness as expressed in the rest of the ot and in the proclamation of the nt brueggemann explores how this same choice is reflected in the political and ideological voices that address the community of faith today this commentary introduces the book of deuteronomy to theological students pastors and teachers and points to the relevance of its message for those who seek to bring the alternative biblical message into the current cultural conversation beverly white cushman calvin college in religious studies review volume 29 number 3 july 2003

identifying the theme of 1 peter as how the church is to witness responsibly in a non christian world boring emphasizes the necessity of a sympathetic historical understanding of those parts of the letter that collide with modern cultural values and understandings of what christian commitment and theology require he gives special attention as well to the narrative world within which this ancient writer operated and to the strong affirmation of ecumenism implicit in the letter s amalgamation of traditions stemming from peter and paul respectively through the years professor boring has shown himself to be a master of technical exegesis and theology wedded to great pastoral concern these twin talents are fittingly brought to bear on a new testament document that

shows the same union of rich theology and pastoral care indeed the sober centrist yet moving commentary squares perfectly with the sober centrist yet moving document that is 1 peter if this commentary is a popularization then it is a popularization of very high caliber a tremendous amount of research and insight is made available and intelligible to a wide public this commentary is not just a rehash of what everyone else has said on 1 peter the innovative appendix detailing the narrative world of 1 peter is alone worth the price of admission all in all an excellent contribution to present day literature on an often neglected book of the new testament john p meier the catholic university of america washington d c
