in an era when the cult of personality has overtaken the task of preaching charles w fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached by thoroughly evaluating phillips brooks s classic truth through personality de nition of preaching fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between christ s incarnation and christian preaching ultimately fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds preachers who desire to construct pulpit practice upon a robust evangelical foundation will bene t from fuller s contribution

first grade teacher and single mother alexa harris is no stranger to struggle but for once things are looking up the school year is over and the lazy days of summer are here mini vacations and relaxing twilight barbeques are on the horizon until alexa s free spirited younger sister vanishes ransom calls and death threats force alexa and her young daughter to flee their quiet home in maryland with nowhere else to turn alexa seeks the help of jackson matthews ethan cooke security s risk assessment specialist and the man who broke her heart with few leads to follow and abby s case going cold alexa must confess a shocking secret if she and jackson have any hope of saving her sister from a hell neither could have imagined

this paperback just as we have with both issues of the unified mind theory is identical to the hardcover issue only its binding is different two books provide for a greater platform to describe the same thing one looks great on the shelf while the less fancy copy may attract the prudent student enlightenment for 20 bucks a model of creation shows us a new way to look at creation the universe and the formation of life we are liberated from a narrow 4 dimensional view of the world with its assumption of bigbang and antimatter as the foundation to its evolution we are lifted to a clearer vision where mass is recycled on a continuous basis and therefore by definition not real what is not now does not exist since reality does not change creation is real it is recessional velocity which drives and shapes the universe
