*Deep in Alaska* 2013 tide feather snow is about the resplendence and subtleties of coastal alaska and about one woman s attempt to be fully present in them weiss serves as a skilled and poetic witness to a place undergoing incessant change anthony doerr author of the shell collector a memoir of moving to alaska and staying by a writer whose gift for writing about place and natural beauty is reminiscent of john mcphiee and jonathan raban an extreme landscape in both its beauty and challenges alaska is a place where know how is currency and a novice s mistakes can be fatal but it is a place for glorious reinvention a refuge for those desperate to escape and for those looking for something more miranda weiss a young woman who grew up landlocked in a well kept east coast suburb moved to homer alaska with her boyfriend determined to make a place for herself in this unfamiliar country where the years are marked by seasons of fish and where locals carry around the knowledge of tides boats and weather as ballast in tide feather snow weiss introduces readers to the memorable people and peculiar beauty of alaska s vast landscape as she takes us along on her remarkable personal journey of adventure physical challenge and culture clash

**Travels in Alaska (Classic Reprint)** 2015-07-07 in the wild something inside me opens to innovation inspiration creativity and imagination it s a good feeling one that leaves me light and full of energy free to imagine who i want to be in this life yet it s slippery and ephemeral and i can never seem to pack it out with me adrienne lindholm it happened like this is on the surface a memoir about what it means to live and love in one of the wildest places on the planet but the love described is not a simple one it s a gritty sometimes devastating often blood pumping kind of feeling played out in the rugged alaska wilderness in an authentic and honest voice writer adrienne lindholm recounts her move to alaska as a young woman eager to begin her career in environmental and wildlife studies she finds herself initially out of her depth among her peers many of whom are also outsiders new to the state but who seem more experienced more confident eventually she finds her way immersing herself in the rigors of wilderness adventures and building a community of outdoorsy friends to sustain her soon she falls in love with jt and gradually at times painfully they build a life together and decide to start a family amidst the wild adrienne celebrates the many ways in which alaska and her outdoor adventures there inspired self discovery as well as revealing her difficult and intimate journey into motherhood her love story encompasses the outline of massive mountains on the horizon viewed for the first time a caribou moving through an alder forest the effort to climb a glaciated peak and the peace that settles when contemplating a quiet arctic lake at times her love for jt but also for nature and life also feels savage like when she charges onto a glacier alone or when she shoots kills and skins her first animal with it happened like this readers take an intimate gently

humorous and occasionally adrenalin spiked journey into adulthood and into the depth and comfort of wilderness

*Compilation of Narratives of Explorations in Alaska* 1900 campbell chronicles his cousin s amazing life and adventures in the wilds of alaska creating a powerful real life epic of triumph and tragedy

**Up in Alaska** 2014-03 this unique collection has been formatted to the highest digital standards and adjusted for readability on all devices john muir made four trips to alaska as far as unalaska and barrow muir mr young and a group of native american guides first traveled to alaska in 1879 and were the first euro americans to explore glacier bay muir glacier was later named after him he traveled into british columbia a third of the way up the stikine river likening its grand canyon to a yosemite that was a hundred miles long muir recorded over 300 glaciers along the river s course he returned for further explorations in southeast alaska in 1880 and in 1881 was with the party that landed on wrangel island on the uss corwin and claimed that island for the united states he documented this experience in journal entries and newspaper articles later compiled and edited into his book the cruise of the corwin in 1888 after seven years of managing the strentzel fruit ranch in alhambra valley california his health began to suffer he returned to the hills to recover climbing mount rainier in washington and writing ascent of mount rainier contents travels in alaska the cruise of the corwin stickeen the story of a dog alaska days with john muir by samuel hall young

**Tide, Feather, Snow** 2009-05-13 alaska is part of an international circumpolar north which makes the united states an arctic nation alaska is a place of indigenous ingenuity and adaptation a place where environmental extremes challenge the ways of living in its more recent history alaska has been a place of resources and influx a land known best for what it provides this frontier persona with its sourdoughs and prospectors has not been easily shed but alaska today is pivotal because it represents america s north and a complex and changing arctic north finding place in alaska explores the state s various facets through exhibitions and artifacts at the anchorage museum and the words of a diverse selection of writers curators historians anthropologists and artists from romantic landscapes by rockwell kent and thomas hill to the art and spirituality of alaska s native peoples represented by a bentwood feast dish and a uniquely carved hook for catching halibut this collection examines connections throughout the circumpolar north no longer as remote as once thought alaska serves as a narrative for our future

*We Live in Alaska* 1953 first published in 1957 this is the story of how a young west coaster forsakes civilization for the rugged satisfactions of homesteading in alaska like many other world war ii veterans gordon stoddard headed up the alcan highway because he found civilian life too tame he had heard of easy money in construction and fishing and he was on the lookout for adventure but most of all he wanted a homestead go north young man tells of his first four years as a homesteader on alaska s kenai peninsula with wit made sharp by frontier life he presents this exactly as he found it food and shelter get main attention leaving big game to stateside hunters he concentrates of fish snowshoe rabbits spruce chickens ptarmigan ducks and geese food for his larder guided by a how to build a cabin pamphlet he puts up his first cabin in just three days then insulates it with cardboard cartons he picked up in homer later comes the fancy cabin with its mail order stove to keep his food his feet and his malamute warm the day he installs lighting and running water causes neighborhood celebration not since mark twain has there been a writer to match him for provocative wit originality and the knack of catching the heady flavour of a lusty new land

*It Happened Like This* 2018-07-31 from moose attacks to the midnight sun an amusing bill bryson like account of one man s first year in alaska in new york city a cheechako chee cha ko would be the kid who just fell off the turnip truck no street smarts a pink windbreaker a subway map sticking from his back pocket in alaska a cheechako is even easier to spot he s the guy with his tongue stuck to a metal pole a tenderfoot a greenhorn land of the radioactive midnight sun is the story of lt sean michael flynn as he tries to survive his first year in alaska with romantic notions of jack london and bush piloting lt flynn requests a transfer to eielson air force base outside of fairbanks alaska he is a bit unnerved at how easy the transfer goes through from a rugby game on a frozen river to living across from santa s village to soaring over the bush in an f 16 land of the radioactive midnight sun is a hilarious trial by many errors account of what it takes to become a true alaskan

**The Final Frontiersman** 2004 chronicling her quest for wildness and home in alaska naturalist marilyn sigman writes lyrically about the history of natural abundance and human notions of wealth from seals to shellfish to sea otters to herring halibut and salmon in alaska s iconic kachemak bay kachemak bay is a place where people and the living resources they depend on have ebbed and flowed for thousands of years the forces of the earth are dynamic here they can change in an instant shaking the ground beneath your feet or overturning kayaks in a rushing wave glaciers have advanced and receded over centuries the climate like the ocean has shifted from warmer to colder and back again in a matter of decades the ocean food web has been shuffled from bottom to top again and again in entangled sigman contemplates the patterns of people staying and leaving of settlement and displacement nesting her own journey to kachemak bay within diasporas of her jewish ancestors and of ancient peoples from asia to the southern coast of alaska along the way she weaves in scientific facts about the region as well as the stories told by alaska s indigenous peoples it is a rhapsodic introduction to this stunning region and a siren call to protect the land s natural resources in the face of a warming changing world

**Alaska Days (Illustrated Edition)** 2019-06-03 introduces the geography history government people culture and attractions of alaska

**North** 2017 this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1909 edition excerpt fallen i had felt it would how can one hope to rear a bear cub on a sealing schooner with a crew constantly offering the animal rations ranging from inadequately cooked beans to drinks of hot greasy cocoa the pretty little cub i would he were still a creature of the boundless wild i would but tom began with the fell ghoulishness of the lower orders to describe the manner of the end this was too much if he liked to harrow his own feelings why try to harrow mine when we jump a stiff fence we sometimes land on a harrow but there s no earthly need to put one there on deck the crew were wrangling as to which of their number killed the little bear with o er much kindness the cook accused a shrinking youth a french canadian who seemed so likely to be blamed for the disaster as he had not sufficient go about him to repudiate all connection with it that cecily and i felt we must to his rescue albeit we were biassed women are very seldom impartial their sympathies go out rightly or wrongly to the weaker and losing side their desire is always to assist the dog that is under and have nothing to do with the cynical advice of the philosopher who advocated the system of taking the part of the man with the largest club cecily suggested that very likely the chef himself had overdone his attentions a little a flank movement which diverted things and left the cook stranded in a backwater of unspoken annoyance i was glad that cecily got in so early

for the cook paid no attention to any one save himself and his own creature comforts in some men as they grow older the milk of human kindness dries up they have no sympathy ralph came upon the scene and smoothed and soft soaped the crew and

**Go North, Young Man** 2018-02-27 explores the history culture and lifestyle of alaska s aleutian islands and features dozens of full color photographs of the region s natural and man made features

*Land of the Radioactive Midnight Sun* 2010-07-20 forty years ago john muir wrote to a friend i am hopelessly and forever a mountaineer civilization and fever and all the morbidity that has been hooted at me have not dimmed my glacial eyes and i care to live only to entice people to look at nature s loveliness how gloriously he fulfilled the promise of his early manhood fame all unbidden wore a path to his door but he always remained a modest unspoiled mountaineer kindred spirits the greatest of his time sought him out even in his mountain cabin and felt honored by his friendship ralph waldo emerson urged him to visit concord and rest awhile from the strain of his solitary studies in the sierra nevada but nothing could dislodge him from the glacial problems of the high sierra with passionate interest he kept at his task the grandeur of these forces and their glorious results he once wrote overpower me and inhabit my whole being waking or sleeping i have no rest in dreams i read blurred sheets of glacial writing or follow lines of cleavage or struggle with the difficulties of some extraordinary rock form

**Entangled** 2018-03-15 alaska often looms large as a remote wild place with endless resources and endlessly independent resourceful people yet it has always been part of larger stories the movement of indigenous peoples from asia into the americas and their contact with and accommodation to western culture the spread of european political economy to the new world the expansion of american capitalism and culture and the impacts of climate change in this updated classic distinguished historian stephen haycox surveys the state s cultural political economic and environmental past examining its contemporary landscape and setting the region in a broader global context tracing alaska s transformation from the early postcontact period through the modern era haycox explores the ever evolving relationship between native alaskans and the settlers and institutions that have dominated the area highlighting native agency advocacy and resilience throughout he emphasizes the region s systemic dependence on both federal support and outside corporate investment in natural resources furs gold copper salmon oil and offers a less romantic more complex history that acknowledges the broader national and international contexts of alaska s past

*Alaska* 2003-07 this autobiography written from catherine katie s point of view is about the survival skills of a wife and husband who defied the hostile elements wild animals and deprivations they encountered while homesteading in the wilderness along the kenai river in alaska in 1949-1962 jack coppock was a former member of the tenth mountain infantry ski patrol and served in the italian alps during wwii emerging with the reputation if you want to survive stick with jack whereas katie was at first a timid housewife who honed her own survival skills as she encountered the challenges she faced

Two Dianas in Alaska 2013-09 an autobiographical adventure story as thrilling and rugged as it is unusual this is a tale of life in a faroff land where men and animals are pitted against ruthless natural forces

**The Aleutian Islands of Alaska** 2008 embark on an adventure through the untamed landscapes of alaska in the company of renowned naturalist john muir guided by his devoted companion samuel hall young in this enthralling account young a christian missionary shares his firsthand experiences of exploring the rugged terrains and encountering native american tribes

**Travels in Alaska** 2008-05 your great and silent beauty the rugged and awesome land that speaks softly to

all who love the splendor god waved a mighty arm and made the great and rugged mountains wild rivers flowing streams mirror lakes lush valleys and green forests wild animals to keep you on your toes alaska was waiting for all who needed a place of solace for some a place to heal the wounds of life some ask why do you want to live there what do you see in it i came long ago along with thousands more up the old alaska highway we all came with dreams of starting over packing all we owned in trucks trailers old buses cars or whatever had a good motor i saw them in old trucks puffing smoke on every mountain or hill smiling and waving every time we passed thinking they would never make it but they did make it most camping in campgrounds along the way cooking over campfires if someone s car was having problems you stopped and helped fighting mosquitoes that never left you alone they were dauntless in their efforts upon arriving in alaska they were tired and weary but they got their homesteads home sites trade and manufacturing sites yes and a job if there was one to be had the bush people lived off the land and what it provided both spiritually and earthly why do we live here in the bush you ask why well there isn t any other place like it it is a challenge you either love it or hate it alaska gets in your blood they say and if you stay too long you can never leave if you do leave after having you in its grasps it beckons you to come back this is your home there is no other place like it waiting still silent peaceful

**Alaska** 2020-04-09 this is the story of betsy lynn and her best friend kaya who live in alaska kaya is a full blooded eskimo girl because they live on an island called kodiak they have to take a ferry boat to get to the main land of alaska this is always great fun for them they both live a way from the nearest town of kodiak which is also the name of their island it tells of the girl s relationships with their parents friends at school and their relatives it s sad in some parts and exciting in others they also have some adventures in the wild country in which they live because they live away from the nearest town they sometimes have to use snowmobiles and their horses to get around i think you ll enjoy reading about betsy lynn and her friend kaya s ventures together life is never boring in the beautiful state of alaska
