the fifth volume of the collected letters of margaret fuller traces a period of great emotional turbulence reflecting the personal struggles she faced in motherhood and the external strife of revolutionary europe in 1848 the book opens as she takes up residence in rome where she continued to write essays for the new york daily tribune and kept up a steady flow of commentary on the political situation for her family and friends among fuller s correspondents are ralph waldo emerson giovanni ossoli william wetmore story giuseppe mazzini horace greeley george william curtis and elizabeth barrett browning many of the letters were written in italian and are translated here for the first time since fuller was more centrally involved in the italian risorgimento than any other american they constitute an entirely new documentary source for historians of nineteenth century italy questo e un libro forte intenso profondo e un testo impegnativo ma non tanto per lo stile di scrittura che ho cercato di rendere sempre il pia fluido e scorrevole possibile quanto piuttosto per i suoi contenuti ho voluto infatti rivisitare il percorso di ricerca interiore che ho portato avanti per lungo tempo per arrivare a spiegare esponendomi in prima persona e senza riserve chi sono oggi e perche anche se questo ha talvolta comportato il dover mettere in discussione anche quello che solitamente si tende a dare per scontato e affrontare determinati aspetti dell esistenza con cui non e propriamente indolore trovarsi a fare i conti rare 1849 work reprints 12th through 17th century manuscripts on painting and related arts oil painting practices mixing pigments and much more commentary on each treatise plus an extensive introduction in a work based on a meticulous analysis of sources many of them previously unexplored catherine m mooney upends the received account of clare of assisi s founding of the order of san damiano or poor clares mooney offers instead a stark counternarrative clare her sisters of san damiano and their allies struggled against a papal program bent on regimenting enriching and enclosing religious women in the thirteenth century a program that proved largely successful mooney demonstrates that clare 1194 1253 established a single community that was soon cajoled perhaps even coerced into joining an order previously founded by the papacy artfully renaming it after clare s san damiano with clare as its putative mother pope gregory ix enhanced his order s cachet by associating it also with clare s famous friend francis of assisi mooney traces how clare and her allies in other houses attempted to follow francis s directives rather than the pope s divested themselves of property against the pope s orders and organized in an attempt to change papal rule and she shows how after francis s death the women s relationships with the franciscans themselves grew similarly fraught clare s pursuit of her vision proved relentless at the time of her death she newly identified her community as the order of poor sisters and allied it unambiguously with francis and his friars overturning another myth mooney reveals how only in the late nineteenth century did clare come to be known as the sole author of a rule she had written collaboratively with others throughout the story of clare and her sisters emerges as a chapter in the long history of women who tried to define their religious identities within a church more committed to unity and conformity than to diversity and difference il presente testo affronta il tema dell
