the largest gathering of union and confederate veterans ever held was front page news throughout the country it will be talked about and written about as long as the american people boast of the dauntless courage of gettysburg declared a woman who accompanied her father to the reunion but as the years passed the memorable event was all but forgotten john hopkins s the world will never see the like the

gettysburg reunion of 1913 goes a long way toward making sure the world will remember the 1913 gettysburg reunion is a story of 53 000 old comrades and former foes reunited and of the tension even half a century later between competing narratives of reconciliation and remembrance for seven days the old soldiers lived under canvas in stifling heat on a 280 acre encampment run by the u s army they swapped stories debated still simmering controversies about the battle and fed tall tales to gullible reporters on july 3 the aging survivors of pickett s division and the philadelphia brigade shook hands across the wall on cemetery ridge in the reunion s climactic photo op some of the battle s leading personalities attended including union iii corps commander dan sickles who at 92 was still eager to explain to anyone who would listen the indispensable role he claimed to have played in the union victory also present was helen dortch longstreet the widow of confederate lt gen james longstreet who devoted her life and considerable energies to defending the reputation of her general both wrote articles from the reunion that were syndicated in newspapers across the country there was even a cameo appearance by a young and as yet unknown cavalry officer named george s patton jr hopkins fills his marvelous account with detail from the letters diaries and published accounts of union and confederate veterans the extensive archival records of the reunion s organizers and the daily stories filed by the scores of reporters who covered it the world will never see the like offers the first full story of this extraordinary event s genesis and planning the obstacles overcome on the way to making it a reality its place in the larger narrative of sectional reunion and reconciliation and the individual stories of the veterans who attended every reader interested in gettysburg will find this a welcome addition to their library

the three plays in this volume are some of george bernard shaw's most popular and frequently performed works they demonstrate the development of shavian comedy and contain early formulations of his idea of the superman an extraordinary individual who catalyzes the evolution of mankind arms and the man 1894 was shaw's first commercial success and the first public confirmation that he could make playwriting his profession it is the first of what shaw called his pleasant plays comedies that critique idealism in general rather than specific social problems as his earlier plays did specifically shaw undermines the romance of wartime courage reckless heroism and nationalist pride among british

spectators while using the serbo bulgarian war of 1886 as an exotic veneer shaw wrote the devil s disciple 1897 for william terriss an actor known for his swashbuckling roles who had requested a play that would contain every surefire melodramatic situation mistaken identities terrifying adventures and last second escapes and frequent emotional outpourings caesar and cleopatra 1898 is shaw s revision of shakespeare s julius caesar and antony and cleopatra as well as a fusion of the pragmatism and unconventionality of the heroes of arms and the man and the devil s disciple into a portrait of jocular morally serious leadership
