rolls at lowe s today shop rubber sheets rolls and a variety of building supplies
products online at lowes.com pipe is usually measured by nominal pipe size ips
although it is related to the outside diameter it is significantly different for
example a 1 1 2 pipe size actually has an outside diameter of 1 9 not 1 5 the
table below cross references the nominal dimension of a pipe with its actual
outside diameter to type the one half symbol 1 2 anywhere using your pc or
laptop keyboard like in microsoft word or excel press option 00bd shortcut for
mac and if you are using windows simply press down the alt key and type 0189
using the numeric keypad on the right side of your keyboard the measurement of
your pipe could be ½ ips it means that the diameter of the inside of the pipe is ½
apart from these there are some other factors to the ips measurements in this
article we re going to discuss everything you need to know let s begin 1 arrested
