globalization and armed conflict addresses one of the most important and controversial issues of our time does global economic integration foster or suppress violent disputes within and between states here

cutting edge research by leading figures in international relations shows that expanding commercial ties between states pacifies some but not necessarily all political relationships the authors demonstrate that the pacific effect of economic integration hinges on democratic structures the size of the global system the nature of the trade goods and a reduced influence of the military on political decisions in sum this book demonstrates how important the still fragile capitalist peace is

Campaign Finance Law

1982

in this book emmanuel mbennah argues that christian spiritual maturity is the bridge between the new identity of the christian articulated in ephesians 1:3 and the moral code of the christian life commensurate with the new identity presented in ephesians 4:17-6:20 from an interpretation of ephesians 4:13 mbennah brings to the fore what christian spiritual maturity is and why it is imperative he argues that ephesians 4:16 is about spiritual maturity and not about christian unity except unity as a by product of maturity a case

study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in mbennah calls for the church s return to the pursuit of maturity and a return to the subject in new testament scholarship
