[starting a lizardman army for 8th where better to reddit](#) May 05 2024 lizardmen in 8th are one of the most brutal armies you can get they literally excel at every phase of the game slann in larger games is a must his choice of lore will dictate your playstyle and the rest of your list composition significantly give him the earthing rod to protect against miscasts light magic works well with saurus warriors

sir m1kes complete guide to the lizardmen in 8th Apr 04 2024 the lizardmen have always been focussed around the slann as the centrepiece of the army and in 8th this will become even more pronounced kermit is the best wizard in the game teclis is arguably the most potent but cant match the sheer number of spells a turn the slann can and can dominate a magic phase

old world legacy faction review lizardmen goonhammer Mar 03 2024 the lizards of lustria are a powerful army capable of drowning opponents in poisoned darts extra attacks and monstrous stomping feet all while trying to mitigate their ponderous initiative and lack of real artillery power with probably the best chaff units in the game they can be a real finesse army that is very rewarding to play well

lizardmen army book guide and tactica the eighth edition Feb 02 2024 lizardmen are one of only a few army books that can effectively field two dispel scroll equivalents because of their unique arcane item the cube of darkness which means two scroll carriers manifesting as skink priests pop up in many competitive lizardmen lists

the 8e lizardmen handbook updated november 2nd 2014 Jan 01 2024 lizardmen is an infantry centric army we are reliant on clouds of skinks or units of saurus warriors almost regardless of what list we play there s a very limited selection in core and none of the choices are enough of a powerhouse to receive much more than the minimum dedication of points in a competitive list
