Dec 01 2022

skilled in geology sampling geological mapping field work and earth science strong research professional with a m sc tech applied geology focused in oil gas from andhra university learn

design and implementation of low power 32 bit comparator ssrn

Oct 31 2022

hence it is desirable to design a comparator block with low power consumption and high speed performance in this paper a novel architecture of 32 bit comparator using complementary metal oxide semiconductor logic is proposed and computed its delay and power metrics

power system operation and control google books

Sep 29 2022

power system operation and control is a comprehensive text designed for undergraduate and postgraduate courses in electrical engineering this book aims to meet the requirements of
