Spiritual Accompaniment and Counselling 2015-02-21

the contributors who each work with spiritual issues either explicitly as spiritual directors or companions or as an implicit part of their therapeutic work offer a psychologically informed approach to spiritual accompaniment and direction and to working with others on a spiritual level more generally they explore what it means to be attuned to the spiritual process of another discuss what makes an effective relationship in spiritual accompaniment and counselling and consider how best to work with spiritual crisis spiritual abuse and pain the unconscious process informing the work forgiveness changing spiritual needs over the life span and models of supervision that can inform the practice of spiritual accompaniment are also explored a case study is presented providing psychological and theological insights into the accompaniment process grounded in work with the spiritual dimension of others and aspiring to improve encounters at a spiritual level this concise book has important implications for the practice of counsellors psychotherapists and spiritual companions and directors

SPIRITUAL ACCOMPANIMENT 2018

counselling and spiritual accompaniment presents the key spiritually focused writings of brian thorne one of the most influential thinkers on the convergence of spirituality with counselling along with new material reflecting his recent work in spiritual accompaniment reflects the increasing focus on spiritual issues as an essential part of therapy represents the culmination of an intellectual quest undertaken by the most senior figure in the field to integrate spirituality with counselling and the person centred approach features chapters that span thirty years of work along with new writings that bring readers up to date with the author s most recent work in spiritual accompaniment an invaluable guide for counsellors and therapists who acknowledge the importance of spirituality to their clients but doubt their abilities to help in this area

Counselling and Spiritual Accompaniment 2012-08-02

the art of accompaniment theological spiritual and practical elements of building a more relational church is a resource from the catholic apostolate center which assists in the development of true accompaniment within the church today building on the church s rich history of accompaniment the art of accompaniment makes theological and practical elements come to life and easily attainable

Spiritual Accompaniment 2021

this new edited collection explores the intersection of spiritual direction and counselling psychotherapy and the relationship between the two citing the influencing effect prayer and counselling have had on each other the contributors offer insight into the similarities and differences of spiritual direction and counselling and of what the disciplines have to learn from each other advocating the importance of addressing the spiritual dimension of care in areas such as mental health and social care this book promotes a synthesis of pastoral guidance and psychological counselling the chapters offer insight to the healing role spirituality and prayer can play when counselling for trauma sexual abuse or loss of a loved one whether discussing training counsellors to be spiritually literate or exploring how spiritual companions can take a psychologically informed approach all the contributors bring their extensive experience to bear working with spiritual and psychological issues

The Art of Accompaniment 2019-10-10

in this study michael hryniuk develops a full phenomenological psychological and theological account of spiritual transformation in the context of I arche a federation of christian communities that welcome persons with learning disabilities the book begins with a critical examination of current perspectives on spiritual transformation in theology and christian spirituality and constructs a new foundational formulation of transformation as a shift in consciousness identity and behavior through extensive analysis of the narratives of the caregiver assistants who share life with those who are disabled this case study reveals an alternative vision of the three fold way that unfolds through a series of profound awakenings in relationships of mutual care and presence an awakening to the capacity to love to bear inner anguish and darkness and to experience radical human and divine acceptance the book examines the psychological dimensions of spiritual transformation through the lens of contemporary affect theory and explores how care givers experience a profound healing of shame in their felt sense of identity and self worth

Spiritual Accompaniment 2014-06-05

the need to take the spiritual experience during illness into account is part of a broader trend in western societies a fascination with the practical uses of spirituality and its contribution to individual wellbeing whether through a religious or a humanist tradition this understanding of spirituality differs from traditional views embedded in religious traditions this book takes a critical point of view at the biomedical representation of the function of spirituality in care medicine reorders notions such as life death health sickness and spirituality this process is called here sapientialization i e the spiritual experience is expressed and understood under the auspices of and in terms of wisdom this view tends to identify spirituality and ethics i propose an alternate understanding of spirituality grounded on its subversive power inspired by the work of the theologian john d caputo it is critical of some problems that are associated with the sapientialization of spirituality in biomedicine such as the medicalization of spiritual experiences or the instrumentalization of spirituality it provides an understanding of spirituality that honours both the medical interest in it and its capacity to resist to instrumentalization

What Counsellors and Spiritual Directors Can Learn from Each Other 2017-04-21

spiritual accompaniment patient listening and honest openness has become widespread among christians of many traditions in recent years is this modern application of an ancient discernment of spirits the best way for individual persons and groups of christians to be formed as the people of god can anyone today accompany another person s spiritual experience without a sound knowledge of psychology do spiritual accompaniment and psychological therapy overlap can one replace the other should an accompanist also be a therapist as some have suggested writing from his years of experience in a cistercian monastery in which spiritual accompaniment is a living tradition the author reflects on some first steps towards answering these questions

Spiritual Accompaniment and Marginalisation in the Vincentian

Tradition 2021-10-03

The Speed Method, Awareness in Four Steps 2022-10-17

essays that explore spiritual direction from a variety of faith and cultural perspectives

Spiritual Accompaniment in the Gospel 2014

revealing a tension between the medical model of depression and the very different language of theology this book explores how religious people and communities understand severe sadness their coping mechanisms and their help seeking behaviours drawing from her study of practicing catholics contemplative monks and nuns priests and laypeople studying theology the author describes how symptoms that might otherwise be described as pathological and meet diagnostic criteria for a depressive disorder are considered by some religious individuals to be normal and valued experiences she explains how sadness fits into the dark night of the soul narrative an active transformation of emotional distress into an essential ingredient for self reflection and spiritual growth and how sadness with a recognised cause is seen to make sense whereas sadness without a cause may be seen to warrant psychiatric consultation the author also discusses the role of the clergy in cases of sadness and depression and their collaboration with medical professionals this is an insightful read for anyone with an interest in theology or mental health including clergy psychiatrists and psychologists

The Art of Spiritual Direction 2020-11-14

this volume presents a project of empirical research on issues of theology sexuality and reproductive health and rights it was carried out by researchers from two theological institutions in brazil and colombia in close contact with the grassroots in various civil society organizations numerous studies at twenty six latin american institutions on the relation between theology and hiv aids prepared the way for this project it promotes and applies methodologies for latin american popular education and participatory action research par while the project was finalized long before the covid 19 pandemic hit latin america and the world the pandemic gave fresh evidence of the relevance of the project the present volume is the english translation of the initial portuguese and spanish reports about the project enriched with a new preface the editors are delighted that this translation will help spread the vital insights from this research to a wider and global readership

Sacred Companions 2009-08-20

winner of the word guild award in the category of christian leadership in 2011 why does it feel like most of the world today considers irrelevant the gospel we cherish and so faithfully proclaim in our churches why do our christian responses fail to satisfy the heart quests of our neighbors does the shallowness of our neatly packaged answers alienate us from them and from each other more questions than answers offers the hope of reconciliation through exploring how we can develop listening relationships walking together in what becomes a spiritual accompaniment we learn to attune ourselves to one another and to the spirit within us then we dare to reach across the chasm that separates us and discover an authentic faith emerges

Joyful Momentum 2020-02-07

the integration of theology and social vocation invites scholars and practitioners to reach outside their discipline and into relationship with others out of these relationships new ways of enacting faith and informing practice can emerge this book brings together a collection of essays engaging with the integration of theology and social vocation designed to reflect and invite dialogue these authors engage with the relationship between faith and practice as it is expressed in their own area of interest and speciality arranged in five themed dialogues wellbeing formation hospitality therapy and theology each essay reflects the unique dynamics of its author s integrative process and offers something new to the ongoing conversation between theology and social vocation this set of essays will be of interest to practitioners and students concerned to infuse their faith with their practice of vocation to develop a practicing faith

Tending the Holy 2003-10

a synthesis of henri nouwen s integrated approach to spiritual formation which is both driven and tempered by his integral relationship with psychology ministry and theology

Walking with Ofelia 2017-07-05

in 2019 the who came out with a scoping review related to the evidence on the role of the arts in improving health and well being in the last yeast in fact literature has recognized the direct and indirect benefits of art in the prevention and promotion of mental and physical health and in the management and treatment of disease although some countries have made progress in developing policies that make use of the arts to support health and well being many have not yet addressed the opportunities that exist for using the arts to support health and for others policy activities have been time limited nonetheless the relationship between art and health has existed since the birth of medicine itself and has strongly influenced its history and its evolution art therapy is the main expression of art in health care the integration of art in traditional health assistance paths sustains the need to have a holistic approach to health wellness and well being both of patients and other stakeholders including caregivers and healthcare professionals currently the main area of art therapy application is mental health with especially regards to disability both in developmental age and in elderly and both to cognitive and physical impairment and dementia however it is important to remark that mental health does not only refer to mental illness but also to people s emotional psychological and social well being these last cases have particularly worsened with the long lockdown periods due to the covid 19 pandemic

Making a Welcome 2011-11-08

this volume explores current understandings of the global meaning of faith and suffering in the context of covid 19 and interrogates responses to the pandemic that have emerged from world christianity it includes chapters by a range of international contributors approached from a variety of angles within global christian theology they provide reflections and analyses focused on the question of god human suffering structural injustice the role of the church and christian praxis in the milieu of covid 19 where misery and dying is a daily routine this book will be of interest to scholars of missiology world christianity biblical public contextual theology and various contemporary christian studies

Dreams and Spirituality 2015-03-09

in liturgical catechesis in the 21st century a school of discipleship dr james pauley explores the sacred action most essential to forming genuine disciples the transformative encounter with god in the liturgy p drawing upon important twentieth century intellectual influences as well as the experience of several of today s foremost catechetical leaders this book will inspire readers with a promising new vision for sacramental preparation and mystagogical catechesis one that places maximum emphasis on apprenticing people into an active and fruitful sacramental life in christ dr james pauley stresses the importance of discipleship and apprenticeship leading from the visible to the invisible realities of the divine encounter with god in the sacraments the relationship of liturgy and catechesis is vitally important to full conscious and active liturgical participation and to the life of holiness and missionary responsiveness which depends upon liturgy as its source this revised edition has been updated to reflect the 2020 directory for catechesis
