#### **Dragons** 2007

a volume of essays exploring some of the best genre fiction of the last 40 years

## The Fire Ascending (The Last Dragon Chronicles #7) 2012-07-01

young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout literature for young adults have the potential to make that connection and motivate them to read it explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers it also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs in addition to traditional genre chapters literature for young adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film it recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and

comfortable with the book s discussion of literary language including traditional elements as well as metafictive terms enables readers to share in a literary conversation with their students and others when communicating about books it will help readers teach young adults the language they need to articulate their responses to the books they are reading

\_\_\_\_\_**2009-10** 

we see unusual animals in the zoo or on tv but have you ever wondered how they came to be discovered some of these animals were so strange and different that they were originally thought to have been invented or made up these books tell the story of some of those animals the reportsÿ of their first discovery and people s reactions to them the search for evidence of their existence and how they became recognized as real animals the books also describe the animals themselves and what makes them special or different

### Of Modern Dragons; and other essays on Genre Fiction: 2008
