Ceramics Monthly 2002-06 in the shadow of the shaman is about the importance of connection to the deepest power of nature it tells you how to use natural objects from the shamanic worlds plant mineral animal and human to help make this personal connection with earth energies in doing this you are able to reconnect with the center of your own power because the shamanic path is such a personal one often not able to be shared this book has been designed so that it has the experiential quality of the shamanic journey traditions the author is also careful to present the information in a clear organized manner in doing so she blends the deeply personal wisdom of a shamanic path with the shared community wisdom of a medicine path this represents an ideal for aquarian shamanism but this book is not simply about shamanism it shows through techniques exercises meditations and rituals how anyone can become a shaman you will learn how to attune yourself with the shamanic worlds of nature and with the higher self for self healing and self empowerment you will learn to develop shamanic balance to become the living tree and you will do this by using such tools as stones crystals feathers masks drums and incense book jacket

Research Anthology on Rehabilitation Practices and Therapy 2020-08-21 in 1974 seven families in pueblo pottery was published to accompany an exhibit at the maxwell museum of anthropology twenty years later there are some 80 000 copies in print like seven families this updated and greatly enlarged version by rick dillingham who curated the original exhibition includes portraits of the potters color photographs of their work and a statement by each potter about the work of his or her family in addition to the original seven the chino and lewis families acoma pueblo the nampeyos hopi the guteirrez and tafoya families santa clara and the gonzales and martinez families san ildefonso the author had added the chapellas and the navasies hopi tewa the chavarrias santa clara the herrera family choti the medina family zia and the tenorio pacheco and the melchor families santo domingo because the craft of pottery is handed down from generation to generation among the pueblo indians this extended look at multiple generations provides a fascinating and personal glimpse into how the craft has developed also evident are the differences of opinion among the artists about the future of pueblo pottery and the importance of following tradition a new generation of potters has come of age since the publication of seven families the addition of their talents along with an ever growing interest in native american pottery make this book a welcome addition to the literature on the southwest
