i wrote this book aiming to wake up the conscience of the youth who had fallen prey in the jaws of a beast called la vida loca it is world of fatal illusion scandalized by holywood and rap music giving the impression that you can achieve anything you have dreamt of without having to face the consequences that la vida loca leaves behind this is the story of my life as i was 28 years old and believed i had the world on my feet i never imagined waking up from this fatal illusion in the dark city la cárcel where i spent the last 28 years of my life if after reading this story you still want to continue the journey of la vida loca then you will surely end up in one of three destinations the hospital the prison and the cemetery where would you want to go at least god gave me the opportunity to live to tell it the majority have left with their stories onto eternity
