Inspiring Ideas to Support Early Maths and Literacy 2016-02-05

tell me a story helps practitioners to build progression into a favourite part of the day for all children matched to the development stages of the eysf each page features activity boxes labelled for each age group showing how each area can be approached by children at different stages of development the format makes it easy to select the level of activity appropriate for each child making these books ideal for groups of mixed ages when returning to the same areas later the user can choose another activity to support progression and extend learning

Tell Me a Story 2013-09-12

maps are great if shy historians their borders tell stories tales about the land tales about people who drew them they have lasting consequences this book explores some of those borders with the most to tell us history biography and politics all play a part some of the oddest frontiers and some of the most painful consequences are examined from palestine to the punjab by way of ireland the caucasus the balkans and africa not all stories are peaceful and the too forgotten fights of the opium wars and kurdistan are examined along with the people who made the decisions this book is for anyone who has spent a happy hour reading a map and wondering just how and why some of those lines got to be where they are mostly boundaries but also other oddities and curiosities and for anyone perplexed by a news story from an exotic land far away in place or time copiously illustrated with maps and pictures it is illuminating enjoyable and hopefully disturbing

The Geology and Climatology of Yucca Mountain and Vicinity, Southern Nevada and California 2007-01-01

a lovely and poignant novel filled with insight and dry wit the painful funny struggles of the women in this book mothers daughters sisters neighbours doctors patients will resonate with readers everywhere katherine heiny author of games and rituals goodbye birdie greenwing is one of those books that lingers i laughed cried and felt more compassionate for reading it a triumph jennie godfrey author of the list of suspicious things oh the exquisite tender misfits in goodbye birdie greenwing i love them all i love the way loneliness is gathered up into such a delightfully odd community i love the entire book catherine newman author of we all want impossible things great friends are hard to find difficult to leave and impossible to forget birdie greenwing has been at a loose end ever since her beloved twin sister and husband passed away too proud and stubborn to admit she is lonely birdie s world has shrunk but then some new neighbours move in to the house next door jane has come to brighton for a fresh start away from her ferociously protective mother min while jane finds it hard to stand up for herself her daughter frankie has no problem telling people what she does and doesn t want ada kowalski has come to england to follow her dreams but her new life is harder than she expected when a series of incidents brings their lives crashing together the three find that there is always more to a person than meets the eye goodbye birdie greenwing celebrates relationships in all their quirky complicated uniqueness it is a story about the choices we make and how we justify them about finding out who we are not who other

people think we should be praise for dog days funny sad gritty and beautifully told this story will make you look at life again and appreciate the small acts of kindness that make everything worthwhile hazel prior author of away with the penguins a charming surprising and moving story of three troubled characters encounter with love grief healing clare chambers author of small pleasures moving uplifting full of charm and warmth dog days gave me much paws for thought emma stonex sunday times bestselling author of the lamplighters a russian doll of a book that twists and tugs each outer husk revealing delicate and poignant inner layers beth morrey author of saving missy perfect for fans of a man called ove and eleanor oliphant ericka waller s wonderful debut is both laugh out loud funny and immensely moving aj pearce author of dear mrs bird

The Lie of the Land 2023-10-02

charming surprising and moving clare chambers author of small pleasures perfect for fans of a man called ove and eleanor oliphant aj pearce author of dear mrs bird and yours cheerfully funny sad gritty and beautifully told hazel prior author of away with the penguins a soulful lyrical tale a treat beth morrey author of saving missy the perfect mix of humour and heartache good housekeeping uplifting full of charm and warmth emma stonex author of the lamplighters tender humorous and hopeful lissa evans author of v for victory george is angry at the world his wife has died and now all he wants to do is sit in his underpants and shout at the cricket the last thing he needs is his cake baking neighbour betty trying to rescue him and then there s the dog a dachshund puppy called poppy george doesn t want a dog he wants a fight dan is a counsellor with ocd who is great at helping other people if only he were better at helping himself his most meaningful relationship so far is with his labrador fitz but then comes a therapy session that will change his life lizzie is living in a women s refuge with her son lenny her body is covered in scars and she has shut herself off from everyone around her but when she is forced to walk the refuge s fat terrier maud a new life beckons if she can keep her secret just a while longer dog days is a novel about those small but life changing moments that only come when we pause to let the light in it is about three people learning to make connections and find joy and comfort in living life off the leash coming soon in april 2024 ericka waller s new novel goodbye birdie greenwing what readers say about dog days an exhilarating deeply moving novel about accepting the ebb flow of life about grabbing those magical moments when you can dog days is a book with a big heart life isn t perfect it s messy complicated but with small acts of kindness there is always hope a sentiment that is captured perfectly in this compelling debut dog days had me feeling all the emotions it broke my heart and gently pieced it back together wonderful journey of three complicated characters and the dogs that saw them through their individual journeys a joy to read from start to finish

Goodbye Birdie Greenwing 2024-04-18

shine a light into the unknown there are still dark corners of our planet that are yet to be explored in this remarkable book steve backshall offers an unflinching account of his adventures into these uncharted territories around the globe in search of world firsts each location brings its own epic challenges whether it s the first climb of an arctic ice fall in greenland the first recorded navigation of a south american river or the first exploration of the world s longest cave system in mexico but all of them represent new tests of the limits of human endeavour accompanying a major 10 part series on bbc and dave expedition is a breathtaking journey into the unknown and a brilliantly written celebration of the pleasures of genuine

discovery

launching a new graphic novel series for young middle grade readers shelley frankenstein loves to create scary monsters but for some reason they always turn out cute until this time shelley frankenstein is a little girl with a rather infamous family heritage she loves to be scared and assumes all other kids feel the same to prove her theory shelley and her assistant brother iggy set about creating new toys to horrify their playground peers but all of their experiments backfire in a completely unexpected way what a disappointment then one day they stumble upon a pretty spooky place the frankenstein family graveyard which gives shelley an idea for the ultimate monster cowpiggy will this new creation send everyone running in terror like a proper monster should or will love and silliness triumph find out in this delightfully upside down graphic novel from best selling artist colleen madden

Planning for Learning through Weather 2012-08-08

the little books series is packed with great ideas to help teach children important early learning concepts

Shelley Frankenstein! (Book One): CowPiggy 2023-08-30

the purpose of this environmental impact statement eis is to provide information on potential environmental impacts that could result from a proposed action to construct operate and monitor and eventually close a geologic repository for the disposal of spent nuclear fuel and high level radioactive waste at the yucca mountain site in nye county nevada the eis also provides information on potential environmental impacts from an alternative referred to as the no action alternative under which there would be no development of a geologic repository at yucca mountain

The Little Book of Look and Listen 2009-12-22

non stop action excitements and astonishments a real cracker the good book guide absolutely smashing daily telegraph davis s writing zings with fun daily mail evil sent into exile but crime never goes away petronius longus captain of the aventine watch and falco s oldest friend has finally nailed one of rome s top criminals under roman law citizens are not imprisoned but are allowed time to depart into exile outside the empire one dark and gloomy dawn petro and falco put the evil balbinus aboard ship but soon after an outbreak of robbery and murder suggest a new criminal ring has moved into balbinus territory petro and falco must descend into the underworld of vespasian s rome to investigate why readers love lindsey davis exceptionally well crafted keeps you guessing right until the end reader review lindsey davis never fails reader review i started reading it the moment it arrived and finished it by the same evening just brilliant reader review there are not adjectives fulsome enough to describe how good these books are reader review if you like s j parris donna leon steven saylor and c j sansom you will love this absorbing fast paced and at times wonderfully funny roman mystery from bestselling author lindsey davis guaranteed to keep you on the edge of your seat

Final Environmental Impact Statement for a Geologic Repository for the Disposal of Spent Nuclear Fuel and High-level Radioactive Waste at Yucca Mountain, Nye County, Nevada 2002

a beautifully written and illustrated framework for resilient design that is as pragmatic as it is inspiring showing us not only how but why we should design differently design for resilience is a timely visionary map for creating restorative design that addresses humanity s most critical issue climate change our current wealth oriented economic systems have resulted in gross disparities war refugee crises and mass migrations that augur a bleak

collective future in this book respected scholar stuart walker combines formidable research with practical examples to offer a hopeful original and transformative view of what resilient design looks like and how it can apply to all aspects of life from personal objects to food to culture to business to recreation working at the intersection of theory philosophy history environmentalism and justice walker offers a fresh approach that decolonizes design thinking to fundamentally change the nature of design practice and how it shapes our lives communities and industries asking nothing short of the fundamental question how should we live design for resilience addresses the high priority issues that concern governments policymakers designers and people around the world who recognize that now perhaps more than at any other time in human history we need paradigmatic changes to create a future that lasts
