*The Trinity* 2002 among seventh day adventists the doctrine of the trinity is often taken for granted but increasingly it is opposed by a small minority who have retreated to the anti trinitarian position of the pioneers in response the authors each a specialist in his field trace the doctrine of the trinity through scripture church history and the writings of ellen g white the first section surveys the biblical foundations of the doctrine and addresses objections that have been raised other sections trace the development of the doctrine in christian history in adventist history and in the writings of ellen white the authors explain why the doctrine was resisted by many of the leading pioneers the final section asks so what it discusses the theological and practical implications of trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines with glossaries bibliography and index this comprehensive primer on the trinity will shed new light on the central beliefs of christianity and show how god still leads his church into all truth introduction section one the biblical evidence for the full deity of christ the personality of the spirit and the unity and oneness of the godhead chapter 1 the strongest bible evidence for the trinity chapter 2 the full and eternal deity of christ part i the new testament epistles the old testament and the gospels chapter 3 the full and eternal deity of christ part ii the gospel of john chapter 4 the personality and deity of the spirit and the triune oneness of the godhead chapter 5 trinitarian evidences in the book of revelation chapter 6 biblical objections to the trinity chapter 7 logical objections to the trinity section two the history of the trinity doctrine from a d 100 to a d 1500 section three trinity and anti trinitarianism from the reformation to the advent movement section four the doctrine of the trinity and its implications for christian thought and practice index

**The Trinity and Martin Luther** 1999 one of the vital issues in contemporary christian theology is the problem of a renewed understanding of god s eternity and its relation to time this is not merely a peripheral doctrinal issue but lies at the heart of our understanding of god and humanity and contributes to our entire worldview this study focuses on a long standing debate between two competing views on god s eternity one focused on god s absolute timelessness in classical theism and the other on god s temporal everlastingness in contemporary panentheism in contrast to both of these well worn options this book presents an alternative trinitarian analogical understanding of god s eternity and its relation to time especially through a critical reflection on karl barth s and hans urs von balthasar s engagement of the issue this analogical approach based on the dynamic and dramatic concepts of god s being in relation and of the triune god s communicative action in eternity and time has the potential to resolve the debate between absolute timeless eternity and temporal everlasting duration

**Time, Eternity, and the Trinity** 2010-03-01 this interdisciplinary study is the result of an international and ecumenical meeting of nineteen scholars held in new york at easter 1998 the trinity summit biblical experts examine the scriptural roots of trinitarian doctrine patristic scholars correct those who continue to misinterpret the trinitarian teaching of the cappadocians and augustine and five scholars examine

systematic and foundational issues like the viability of social models for the trinity the volume ends with a study of the trinity in art and the challenge of preaching the trinity today the international reputation of the participants reflects and guarantees the high quality of this joint work

**The Trinity** 1999 the trinity is central to christian faith but many christians have questions about what the trinity is and why we believe in a trinitarian god in the tripersonal god gerald o collins examines the roots and development of trinitarian belief drawing on three areas for reflection testimony to the tripersonal god in the scriptures both the old testament background and the teaching of paul and the gospel writers the development of trinitarian doctrine from the second century writers and the early councils of the church through medieval theology and modern challenges major trinitarian issues of today such as naming the trinity the distinct personal existence of the holy spirit and trinitarian imagery a comprehensive contemporary inquiry the tripersonal god illuminates the historical and scriptural roots of belief in the trinity and clarifies contemporary trends in trinitarian thought

**The Tripersonal God** 1999 the premier volume in an exciting new series of guides to the core beliefs of the christian faith the trinity provides beginning theology readers with a basic knowledge of the doctrine of god s triune nature concise nontechnical and up to date the book offers a detailed historical and theological description of the doctrine of the trinity tracing its development from the first days of christianity through the medieval and reformation eras and into the modern age special attention is given to early church controversies and church fathers who helped carve out the doctrine of the triune god as well as to its twentieth century renaissance the second half of the book contains a detailed annotated bibliography of all major books written about the trinity

**The Trinity** 2002 unique for its breadth in studying theologians not only from europe and north america but also from latin america asia and africa this landmark volume introduces the doctrine of the trinity examining the work and thought of contemporary theologians throughout the world veli matti karkkainen provides an overview of the biblical roots of the doctrine discussing both the idea of plurality in god in the old testament and the rise of trinitarian understandings in the new testament he details the historical growth of trinitarian traditions and delves into specific theologies both western and non western also including both an introductory consideration of the doctrine s significance and a concluding assessment and agenda for future thought karkkainen s the trinity is the broadest and most comprehensive contemporary study on the trinity available

*The Trinity* 2007-01-01 over 100 000 copies sold worldwide preaching survey of the year s best books for preachers why is god love because god is a trinity why can we be saved because god is a trinity how are we able to live the christian life through the trinity in this lively book we find an introduction to christianity and the christian life that is from start to finish rooted in our triune god father son and spirit not only do we understand the person and work of christ through the trinity but also prayer the church and every aspect of our faith with wit and clarity reeves draws from church history down to the

present referencing a wide range of notable teachers and preachers here is a rich and enjoyable portrayal of the basic beliefs of christianity that opens up the profound and life changing truths of our faith

**Delighting in the Trinity** 2012-07-03                

**DEVIL MAY CRY FILM DVD BOOK** 2006-08-23 the trinity is one of the most central doctrines in christianity one of the tenets that is completely unique to to the christian faith this glossy full color trinity pamphlet explains the trinity in clear easy to understand terms and illustrations this basic booklet with a simple explanation of the trinity also answers 6 common misunderstandings about the god the father son and holy spirit this is a perfect basic trinity bible study for those wishing to understand their faith and defend the trinity how to explain the trinity the trinity defined the trinity is one of the great mysteries of the faith defining the trinity is both simple and complex god is one yet god exists in 3 persons father son and holy spirit it is a biblical concept that goes beyond the human understanding this trinity pamphlet gives a basic explanation and definition of this important christian belief this trinity booklet includes a clear easy to understand definition of the trinity doctrine the 60 scriptures used to support the belief that the father son and holy spirit are all god not three names for the same person chart comparing the power and attributes of the 3 persons of the trinity chart comparing the unique traits of god and jesus this trinity explanation also answers 6 key misunderstandings about god for example jehovah s witnesses do not believe in the trinity they point out bible verses that appear to contradict the christian belief in the trinity but their interpretation is incorrect this easy to use trinity booklet presents compelling evidence of a triune god and defense of the trinity doctrine this booklet is useful for a trinity bible study sunday school lesson homeschool curriculum or evangelism size 8 5 x 5 5 unfolds to 33 long fits inside most bible covers christian beliefs and church history explained in the trinity pamphlet the trinity pamphlet helps believers know what they believe and why they believe this critical christian doctrine in 12 panels of rich well research information the pamphlet addresses topics such as what christians believe about the trinity the father is god jesus is god the holy spirit is god the trinity and the bible misunderstandings about the trinity how early christians dealt with misunderstandings about the trinity the trinity in the early church and the creeds important trinitarian bible verses and references church history and the doctrine of the trinity more than 60 new testament bible passages mention the three persons of the trinity together theophilus sixth bishop of antioch syria is the first person known to have used the word trinity in his work refutation of autolyucus ad 168 more than a half dozen writers prior to the 4th century defended the doctrine of the trinity the trinity pamphlet gives a list of names and dates 6 misunderstandings and misinterpretations about the trinity it s probably not surprising that a doctrine that s as critical as the trinity is at the center of numerous misunderstandings the trinity pamphlet addresses six of the most common trinity misunderstandings misunderstanding 1 the word trinity does not appear in the bible it is a belief made up by 4th century

christians misunderstanding 2 christians believe there are three gods misunderstanding 3 jesus is not god misunderstanding 4 jesus is a lesser god than the father misunderstanding 5 the father the son and the spirit are just different titles for jesus or three different ways that god has revealed himself misunderstanding 6 jesus wasn't really fully god and fully man the christian creeds and the trinity the trinity pamphlet reveals how early christians addressed these misunderstandings through some of the earliest statements of faith the apostles creed written in the second century and the trinity the nicene creed ad 325 and the trinity athanasian creed written c ad 400 and the trinity chalcedonian creed written in ad 451 and the trinity one of the most powerful charts on the trinity pamphlet shows that god and jesus christ share 10 key traits that are mentioned in the old testament as applying to no one but god another trinity chart shows seven divine attributes shared by father son and holy spirit with scripture references for each reviews for the trinity pamphlet rose publishing has an excellent fold out pamphlet on the trinity that is lay friendly and deals with cultic objections to the doctrine highly recommended paul carden executive director the centers for apologetic research

**The Trinity** 2022-05-03 this book brings together leading scholars from diverse theological perspectives to reflect on various theological and practical aspects of the core christian doctrine of the trinity throughout the contributors highlight the trinitarian shape of spiritual formation the esteemed lineup of contributors includes alister mcgrath ellen t charry avery cardinal duffles sj frederica mathewes green j i packer james earl massey gerald l bray cornelius planting jr and timothy george this book will appeal to students church leaders and interested laity it is the second book in the beeson divinity studies series God the Holy Trinity 2006-10 what does being made in the image of god mean if god is father son and spirit in like father like son tom smail offers an answer to this question based on the doctrine of the trinity asserting that we are only human when we reflect the relationship between father son and holy spirit the book focuses on what it is to be like each part of the trinity focusing in particular on the initiating love of the father the responsive love of the son and the creative love of the holy spirit interacting with sociological theological and personal issues of concern on a day to day level like father like son is relevant to christian living in both the church and the world

**Like Father, Like Son** 2006-03-21 this companion explores how the christian doctrine of the trinity has been understood and articulated in the last two thousand years the trinitarian theologies of key theologians are carefully examined and the doctrine of the trinity is brought into dialogue with different religions as well as with other christian beliefs

*The Cambridge Companion to the Trinity* 2011-06-30 provides an overall view of the history and the philosophical and theological significance of god the trinity from religious anthropological and sociocultural perspectives following the generative progressive method advocated by the second vatican council

From the Trinity 2020-10-23 the mystery of the trinity is the central christian belief that defines god s

essence god's ongoing love for humanity and saving grace yet over the past few centuries especially in the west christians have either ceased believing in the trinity or simply no longer recognize its relevance in their ecclesial or individual lives written in an ecumenical spirit that engages contemporary questions and theological viewpoints the trinity rediscovering the central christian mystery articulates the mystery of the trinity for people formed by modern historical consciousness science awareness of the equal dignity of men and women and respect for world religions by first identifying contemporary problems with the christian proclamation of the trinity in our culture and major differences among modern theologians john farrelly osb explores scripture the life and message of jesus christ the various stages of the development of trinitarian doctrine in christian history the relation of the trinity to creation and salvation the generation of the son from the father within the trinity and the procession of the holy spirit from father and son and the meaning of three persons in one god he concludes by reflecting on the implications this renewed theology of the trinity has for ecclesiology and christian spirituality in our twenty first century world especially in relation to other world religions

**The Trinity** 2005 the trinity discusses the importance of the doctrine of the trinity for contemporary faith it explores the development of the doctrine of the trinity in church history shows the modern issues and developments and speaks practically about the significance of this doctrine for the christian life

The Trinity 2001-01-01 for 1700 years the trinity has been considered the cornerstone of christianity by all mainstream churches but the bible's words for god appearing thousands of times never mean a triune god the concept of the trinity has been taught to churchgoers based solely on implication and inference the truth is the scriptures don't support the doctrine of the trinity but it has been indoctrinated into the minds of otherwise intelligent and well educated christians and perpetuated as a mystery not meant to be understood the majority of christians have not bothered to investigate the doctrine for themselves and consequently have been duped ms lackey suggests that far too many christians attend church with the attitude tell me pastor what do i believe today ms lackey expressed her resentment at being accused of being a heretic not being a christian and being condemned to hell because of her strong belief in the human jesus the messiah and son of god as opposed to being the one almighty god her strong conviction led her to collaborate with biblical unitarian authors to create a book that challenges the centuries old man made doctrines of the trinity the mainstay of ecclesiastical tradition ms lackey sees the trinity as blight on the true christianity taught by jesus christ for the benefit of humanity and feels trinitarian christians have traded hebrew theology for geek mythology with barely a question asked she further contends that the majority of christians believe in the trinity primarily because they are expected to not to accept this dogma would place them under condemnation from both their brethren and the clergy ms lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one god she adamantly contends that christians must take more responsibility for their beliefs and stop settling for centuries old creeds and doctrines as scriptural truth the cover

illustration depicts the agony experienced by michael servetus a brilliant spanish physician and theologian who as one of the first protestants to challenge the trinity was slowly burned at the stake in 1553 his book fastened to his thigh at the instigation of the protestant reformer john calvin

**The Tyranny of the Trinity** 2008-07-29 though trinitarian theology has enjoyed a resurgence of interest in the last few years there is a lamentable lacuna in much of this study a gap between intellectual rigor and concrete experience while the contributions of augustine of hippo and thomas aquinas are important to any foundational study of the trinity a strictly philosophical and scholastic approach has proved to be both contentious and problematic as a result many are left wanting for more meaningful expressions of this profound mystery anne hunt fills this lacuna and offers a fresh avenue of reflection she explores the distinctly trinitarian insights of a number of christian mystics hildegard of bingen and meister eckhart bonaventure and elizabeth of the trinity teresa of avila and john of the cross william of st thierry and julian of norwich readers will find that the mystery of the divine life and love that was so tangibly given and so palpably experienced by these mystics is now offered to us through them anne hunt is faculty dean of theology and philosophy at australian catholic university she is currently vice president of the australian catholic theological association she is author of trinity nexus of the mysteries of christian faith what are they saying about the trinity and the trinity and the paschal mystery

*The Trinity* 2010-04-01 annotation a historical and systematic investigation of the doctrine of the trinity

*The Three-personed God* 1982 in this work jackson lashier provides a fresh reading of irenaeus understanding of god in dialogue with his opponents and sources revealing a more developed trinitarian theology than is commonly accorded the second century in general and irenaeus in particular

**The Trinity and the Kingdom** 2014 0a primary condition for fresh thinking on the trinity is an accurate objective account of past and present thoughtÓ wrote one reviewer when the triune god first appeared in 1972 0this is what fortman has presented sensitively accurately and compactly Ó the author sets out 0to trace the historical development of trinitarian doctrine from its written beginnings to its contemporary status Ó thus he treats the biblical witness the council of nicea augustine the middle ages and the development of this doctrine from the fifteenth century to the present in the protestant orthodox and catholic traditions

**Irenaeus on the Trinity** 2014-09-18 although the doctrine of the trinity is a core christian belief it remains contested in terms of how it is conceptualized and expressed this essential guide expounds different conceptual models and the technical language used to express these models providing a complete overview as well as new insights into the area the trinity a guide for the perplexed is an essential read for students of christian theology

**The Triune God** 1999-02-23 the father the son and the holy spirit in the bible and in christian experience are all vital to the reality of salvation but since the word trinity does not appear in the bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians

this book leads readers step by step to a robust understanding of god as a trinity

The Trinity: A Guide for the Perplexed 2008-10-19 christians have always believed in the triune god but they haven't always understood or used the doctrine of the trinity consistently in order to form a coherent view of trinitarian theology it's important for christians to have a working knowledge of the two legitimate models for explaining this doctrine classical presenting a traditional view of the trinity represented by the baptist theologian stephen r holmes and the roman catholic theologian paul d molnar relational presenting the promise and potential hazards of a relational doctrine represented by the evangelical theologian thomas h mcall and the baptist philosopher paul s fiddes in this volume of the counterpoints series leading contributors establish their models and approaches to the doctrine of the trinity or the relationship between the threeness and oneness of the divine life each expert highlights the strengths of his view in order to argue how it best reflects the orthodox perspective in order to facilitate a genuine debate and to make sure that the key issues are revealed each contributor addresses the same questions regarding their trinitarian methodology doctrine and its implications

The Trinity, Practically Speaking 2012-01-06 paul's ways of speaking about god jesus and the spirit are intricately intertwined talking about any one of the three for paul implies reference to all of them together however much current pauline scholarship discusses paul's god christ and spirit language without reference to trinitarian theology in contrast to that trend wesley hill argues in this book that later post pauline trinitarian theologies represent a better approach opening a fresh angle on paul's earlier talk about god the father jesus christ and the spirit hill looks critically at certain well known discussions in the field of new testament studies those by n t wright richard bauckham larry hurtado and others in light of patristic and contemporary trinitarian theologies resulting in an innovative approach to an old set of questions adeptly integrating biblical exegesis and historical systematic theology hill's paul and the trinity shows how trinitarian theologies illumine interpretive difficulties in a way that more recent theological concepts have failed to do

**Jesus and the Trinity** 1960 the doctrine of the trinity confounds many christians because they do not have a proper understanding of this truth they therefore lack the means to make it meaningful in their theology worship and everyday life resurrecting the trinity wants to change this in non academic prose this book explains the fuzziness and apathy surrounding the trinity it provides a fascinating and erudite journey as to how it got this way and then goes on to show how it is the center of everything and how this glorious doctrine exudes with love vitality and richness an expert in historical and systematic theology the author contends that the existence of god as trinity was the central affirmation of the ancient church and the truth from which all other theological understanding flowed however for us western christians both protestant and catholic the trinity has faded into obscurity the light shed by its reality dimmed to the point of nearly flickering out while we still verbally affirm the truth of the trinity for all practical purposes we have lost its meaning and in the process lost the biblical picture of jesus christ as lord of

creation as well were we to deny the trinity altogether it is doubtful much would change in our churches on a day to day basis

*Two Views on the Doctrine of the Trinity* 2014-09-02 this book attempts to reconceive the trinity its thesis is that the father beget the son in or by the holy spirit the spirit proceeds from the father as the one in whom the son is begotten while some contemporary authors have proposed a similar view no one has done so in such a complete and systematic fashion reconceiving the trinity in this way has a number of advantages firstly it is more in keeping with the new testament proclamation and thus it more closely aligns the economic and immanent trinity secondly it overcomes the inadequacies of traditional trinitarian formulations in both eastern and western churches which incorporates erroneous philosophical presuppositions thirdly it offers a resolution to the filioque controversy which may be acceptable to both the latin and the orthodox churches this book is therefore highly ecumenical in importance fourthly it gives a more active and essential role to the holy spirit within the immanent trinity something that has been lacking throughout the trinitarian tradition the true subjectivity or personality of the holy spirit is more clearly defined this book brings out the spiritual and practical importance of the trinity for the everyday lives of christians it defines more clearly how christians are grafted into the very life of the trinity how they come to relate to the persons of the trinity in a manner analogous to the way they relate to one another

*Paul and the Trinity* 2015-03-27 the ground breaking treatment of the doctrine of the trinity by one of the most important theologians of the century is here reprinted on the 30th anniversary of its original publication in this treatise karl rahner analyzes the place of the doctrine of the trinity within catholic theology and develops his own highly original and innovative reading of the doctrine including his now famous dictum

*Resurrecting the Trinity* 2018-08-28 paul c h lim offers an insightful examination of the polemical debates about the doctrine of the trinity in seventeenth century england showing that this philosophical and theological re configuration significantly impacted the politics of religion in the early modern period through analysis of these heated polemics lim shows how trinitarian god talk became untenable in many ecclesiastical and philosophical circles which led to the emergence of unitarianism he also demonstrates that those who continued to embrace trinitarian doctrine articulated their piety and theological perspectives in an increasingly secularized culture of discourse drawing on both unexplored manuscripts and well known treatises of continental and english provenance he unearths the complex layers of the polemic from biblical exegesis to reception history of patristic authorities from popular religious radicalism during the civil war to puritan spirituality from continental socinians to english anti trinitarians who avowed their relative independent theological identity from the notion of the platonic captivity of primitive christianity to that of plato as moles atticus among this book s surprising conclusions are the findings that anti trinitarian sentiment arose from a puritan ambience in which

biblical literalism overcame rationalistic presuppositions and that theology and philosophy were not as unconnected during this period as previously thought mystery unveiled will fill a significant lacuna in early modern english intellectual history

**The Father's Spirit of Sonship** 2011-01-01 the word trinity is not in the bible the expression of the doctrine was developed over a long period and finalized only in the fourth century many christians who want to be biblical have questioned the official church doctrine on the godhead the following collection of articles from a a seventh day adventist conference in sydney emphasizes however that the concept of the trinity is thoroughly biblical the book covers a variety of aspects of the discussion of the doctrine both biblical historical and theological such as the trinity in the gospel of john the meaning of monogenes kellogg and the trinity and islam and the trinity

*The Trinity* 2001-01-04 why be concerned with the trinity what does it mean to say i believe in the father the son and the holy spirit in this accessible work leonardo boff takes up the ancient doctrine of the trinity showing its meaning and relevance for christian faith today in a series of short chapters boff unpacks the mysteries of the trinity spelling out the difference it makes to believe that god is communion rather than solitude instead of an image of god as solitary ruler standing aloof above a static universe belief in the trinity means that at the root of everything there is movement there is an eternal process of life of outward movement and love while comprehensive in his treatment of the theological and anthropological dimensions of the trinity boff is especially interested in the social implications in the trinity we find a program of liberation to the infinite degree difference and distinction equality and perfect communion the holy trinity is among other things the image of the perfect community at the same time in the trinity we find the best image of the church not a hierarchy of power but a community of diverse gifts and functions thus comprehension of the trinity in which god comes out to meet us in the full realization of our yearnings empowers our efforts for a better world and a more faithful church book jacket jacket

Mystery Unveiled 2012-09-27 how is the one god also three persons how is jesus fully god and fully human who in the world should we pray to and why does any of it matter steve dancause offers a succinct and profound investigation into how what we think about god as trinity matters in our faith our work and our love it matters because the walls of our churches are cracking around us we can keep patching things up but it is better to go to the foundation and do the hard digging with the right foundation the structure holds and it stands the test of eternity and it is only in jesus and the trinity he reveals to us that we build our lives on solid rock let s dig down together the jesus way small books of radical faith delve into big questions about god s work in the world these concise practical books are deeply rooted in anabaptist theology crafted by a diverse community of internationally renowned scholars pastors and practitioners the jesus way series helps readers deepen their faith in christ and enliven their witness accessible jesus centered theology from an anabaptist perspective designed for use by individual readers

small groups and christian education classes glossary of terms and discussion and reflection questions in each volume

Biblical and Theological Studies on the Trinity 2013-12-31 the artist and the trinity aims to create a christian theology of work based on dorothy l sayers analogy of the trinity to the process of artistic creation sayers analogy gives us an account of the person that does not collapse into the atomism of the individual of modern liberal capitalism but is fully relational by putting sayers into dialogue with alasdair macintyre the book develops a fully trinitarian theology of work that accounts for the interdependence of human beings and for the ethical requirements of caring for the weak the young and the old in a way that is gender neutral

**Holy Trinity, Perfect Community** 2000 this survey from the examine the evidence series spells out what god s word says about the relationship between the father son and holy spirit and the practical results this truth has in our lives

What is the Trinity and Why Does it Matter? 2020-03-31 what s special about oneness pentecostals in this penetrating analysis of oneness theology and practice gregory boyd reveals the experience of four years of personal involvement in a oneness church although oneness pentecostals belief in christ s deity establishes some common ground with other christians their aggressive denial of the trinity has nonetheless fostered their indisputably sub christian ideas about god s character about salvation and about christian living

**The Artist and the Trinity** 2014-03-27 there is a gridlock in churches today regarding the role of women this debate extends beyond the relationship between men and women in 1 corinthians 11 3 when paul says the head of woman is man and the head of christ is god he is drawing a parallel between the relationship of men and women and the relationship of the father and the son within the trinity this book explores the controversial theological premise that while maintaining equality of essence functionally the son is eternally subordinate to the father and women are permanently subordinate to men nancy hedberg shares from her research and personal experience to make the case that equality of essence on the one hand and permanent functional subordination on the other whether applied to the trinity or the relationship between men and women is a questionable premise and is not supported logically historically or biblically women men and the trinity includes contemporary historical and biblical research regarding functional and essential equality and explores the practical implications of true equality
