Conflict Resolution in the Workplace

2015-03-22

ideally the workplace should be an environment free from worry and stress where employees can feel safe comfortable welcome able to get creative juices flowing stay motivated and be efficient and productive however most of us don t actually think of our offices this way if we did we would never dread going to work and we wouldn t try to negotiate working from home occasionally often the thing that prevents us from feeling more positive about our workplace is the stress and conflict we experience with co workers it s sometimes harder to get along with office folk than say school mates or people from the gym or church since we don t have the luxury of choosing who we work with we are stuck with whoever happens to work there too unlike other social settings where we choose those close to us based on our similarities and common interests the good news is through better understanding and a little strategy workplace conflict can be resolved and altogether eliminated throughout this book i m going to show you how to mediate conflicts and easily arrive at amicable solutions acceptable to all parties more importantly you will learn how to conflict proof your workplace to prevent conflicts before they have a chance to get out of hand if you are ready to take the first step to creating a stress free and productive workplace then let s get started

Conflict Resolution

1998

a book that deals with the resolution of conflict across the legal social and political spectrum by means of alternative methods to confrontation and conflict and adversarial approaches

The Handbook of Conflict Resolution

2014-02-28

praise for the handbook of conflict resolution this handbook is a classic it helps connect the research of academia to the practical realities of peacemaking and peacebuilding like no other it is both comprehensive and deeply informed on topics vital to the field like power gender cooperation emotion and trust it now sits prominently on my bookshelf leymah gbowee nobel peace prize laureate the handbook of conflict resolution offers an

astonishing array of insightful articles on theory and practice by leading scholars and practitioners students professors and professionals alike can learn a great deal from studying this handbook william ury director global negotiation project harvard university coauthor getting to yes and author the third side morton deutsch peter coleman and eric marcus put together a handbook that will be helpful to many i hope the book will reach well beyond north america to contribute to the growing worldwide interest in the constructive resolution of conflict this book offers instructive ways to make this commitment a reality george j mitchell former majority leader of the united states senate former chairman of the peace negotiations in northern ireland and the international fact finding committee on violence in the middle east chairman of the board walt disney company senior fellow at the school of international and public affairs columbia university let s be honest this book is just too big to carry around in your hand but that s because it is loaded with the most critical essays linking the theory and practice of conflict resolution the handbook of conflict resolution is heavy on content and should be a well referenced resource on the desk of every mediator as it is on mine johnston barkat assistant secretary general ombudsman and mediation services united nations

Effective Conflict and Negotiation in Today's Changing Environments (First Edition)

2017-08-07

this book examines arab approaches to mediation negotiation and settlement of political disputes this book proposes that two clusters of independent variables are potentially responsible for the distinctive nature of arab conflict resolution firstly those linked with arab political regimes and imperatives and secondly those linked with arab and or islamic culture the text also focuses on the arab league and its history of involvement in crisis and conflict situations along with the roles of individual leaders emissaries and extra regional actors such as igos inter governmental organisations in undertaking mediation initiatives igo and arab league activity has taken on new importance since the various intervention attempts in connection with the arab spring since 2011 during the negotiation process most arab regimes tend to view conflicts within a broad historical context and islamic culture prioritises the cohesion of the community and internal stability of the state over individual autonomy this has created an authoritarian style of leadership and in practice leaders in the middle east have had near absolute authority in the decision making process a fact which will have a lot of weight in conflict management and whether peace will endure for a long period of time this book is unique in studying these clusters through comparative systematic case study analysis of events prior to and subsequent to the arab spring augmented by a quantitative analysis of sample data on arab disputes compiled from a larger and newly augmented study comprising the years 1945 2000 complementary data from the uppsala conflict data program s ucdp data base of armed conflicts since 1975 is also utilized this book will be of much interest to students of conflict resolution peace and conflict studies middle eastern politics and ir in general
