Annual Report of the Monroe County Library System 1955 excerpt from geological report vol 7 on monroe county michigan early in the century just closing wayne county comprised the entire lower peninsula of michigan a part of the upper peninsula as well and adjoining portions of ohio indiana and wisconsin from this vast tract monroe county was set off in 1817 by proclamation of gen lewis cass then governor of michigan territory the present

wayne county having been established two years earlier the original proclamation by which the boundaries of the county were first established is here given whereas it is considered that the public good will be promoted by the erection of a new county in the said territory about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Monroe County Comprehensive Plan 1977 this volume contains both a sourcebook of genealogical data and a group family record with slightly greater detail marshaled in the sourcebook section a significant portion of the work nevertheless is devoted to the general history of the county explaining in the customary manner when how and why the county was settled and tracing the various

phases of its development the group family portion of the book occupying a full third of the text carries the lines of descent far enough down to enable the present generation to recognize relationships an abundance of available data coupled with the desire to set forth the family histories of as many county residents as possible compelled the author to employ a compact form of narrative this skeletal history embracing all vital and ascertainable facts has the virtue of precluding biographical embellishments and at once puts before the researcher all that he needs to know of several hundred families and many thousands of related individuals all families discussed in this section are indexed alphabetically for easy reference the remainder of the book is comprised of genealogical source materials
