the epoch marked a great cultural shift in sensibilities the dawn of a new age in which classical greek and roman values were reborn and human values in all fields from the arts to civic life were reaffirmed with this volume eugenio garin a leading renaissance scholar has gathered the work of an international team of scholars into an accessible account of the people who animated this decisive moment in the genesis of the modern mind we are offered a broad spectrum of figures major and minor as they lived their lives the prince and the military commander the cardinal and the courtier the artist and the philosopher the merchant and the banker the voyager and women of all classes with its concentration on the concrete the specific even the anecdotal the volume offers a wealth of new perspectives and ideas for study one of the first great events in christian history was the council of nicea in 325 ad convened to organize christian sects and beliefs into a unified doctrine the great christian clergymen who wrote before this famous event are referred to as the ante nicenes and the apostolic fathers and their writings are collected here in a ten volume set the ante nicenes lived so close to the time of christ that their interpretations of the new testament are considered more authentic than modern voices but they are also real and flawed men who are more like their fellow christians than they are like the apostles making their words echo in the ears of spiritual seekers in volume iv of the 10 volume collected works of the ante nicenes first published between 1885 and 1896 readers will find the writings of tertullian a christian apologist and influential latin christian thinker minucius felix known for his dialog octavius commodianus a latin poet who converted to christianity origen a prolific writer and theologian the fifth volume of dr needham s immense undertaking like the fourth is subdivided into parts for ease of assimilation and presentation each part bound and published separately the volume as a whole covers the subjects of alchemy early chemistry and chemical technology which includes military invention especially gunpowder and rockets paper and printing textiles mining and metallurgy the salt industry and ceramics hell hath no fury like a heavenly maiden horror comedy and romance made in heaven yuu watase the immensely popular writer artist of the shôjo girl s fantasy smash fushigi yûgi the mysterious play has turned her creativity and wry sense of humor to the horror genre with her anime manga hit ceres celestial legend aya thought she was a normal teenager until she discovered that she can transform into a vastly powerful heavenly maiden named ceres but ceres is furious and out for revenge their search for the celestial robes or hagaromo resumed aya and yûhi transfer to yet another new school but here their problems are more serious than just making new friends aki or should we say the progenitor is on campus and making aya s life hell and then there s a kind of actual hell itself in the form of a beneath school passageway where a creature is said to roam is there any truth to aki s claim that the monster is the daughter of a priest who made the grave error of angering a celestial maiden or ten nyo hundreds of years ago speaking of ten nyo aya has vowed to never release ceres again but aki has made his own vow and he will claim ceres his woman one way or the other in the last hundred odd years advertising in india has given us life altering stuff it has attempted to make men fair and handsome it has battled to make women 18 again and to both men and women it has given tinder loving

care it has made us realize that we like pizza as much as the next italian as long as domino s puts keema do pyaza on it and tempts us with hungry kya it has made us re evaluate our life choices and ask thought provoking questions like kitna deti hai of our cars and kya aap close up karte hain of our countrymen in short it has enriched our lives with quirky quips unforgettable characters inter brand scuffles clever insights virtual lures and jaw dropping controversies in a history of indian advertising in ten and a half chapters previously published as stark raving ad you ll find the best of case studies and unbusiness like stories from indian advertising through the ages the hits the misses the also rans and the banned an engrossing read this book will inform as much as entertain all readers bloodied and scattered but still unbroken the knights corporealis have one last option left to stop balavad from conquering vinnr they may have to destroy it themselves book four the final story in the epic fantasy adventure of the shackled verities with magic monsters and a cosmos crossing quest ulfric and symvalline narrowly survived balavad s attempt to take over the realm of arc rheunos and now find some relief in seeing their daughter isemay adopt a new life there if their hopes are answered it will be a safe one but hope is a fickle thing jaemus bardgrim on the other hand remains the cosmos s most reluctant hero with the aid of someone quite unexpected he resumes his quest to save himmingaze from the glister cloud s looming annihilation yet none of them can escape the real threat vinnr and one way or another the great cosmos lies at destruction s doorstep approaching its final defeat by balavad s cruelest ravener army of all the enslaved people of dyrrakium in the shackled verities final story the knights corporealis go to war against dragør s verities and time itself they and their few remaining allies must rally for one last fight against balavad the usurper some do it for hope some for family some for redemption but in the end they all face one truth a human life is no match for the eternal power of a celestial if they are very very lucky one knight s sacrifice may be what people are saying about the shackled verities series i can t wait to find out what happens next in this epic series compelling plot intriguing characters and a pretty spectacular world such a fantastic ride for this new promising series cannot recommend this enough a brilliantly executed novel honestly i d read a grocery list if ms salyer wrote it the shackled verities series a knight s calling a shackled verities story knight chosen the shackled verities book one knight redeemed the shackled verities book two knight exiled the shackled verities book three knight awoken the shackled verities book four multiple accounts of how theories of human psychology and of image making influenced each other in a decisive period in the history of philosophy and art william blake as natural philosopher 1788 1795 takes seriously william blake s wish to be read as a natural philosopher particularly in his early works and illuminates the way that poetry and visual art were for blake an imaginative way of philosophizing blake s poetry and designs reveal a consistent preoccupation with eighteenth century natural philosophical debates concerning the properties of the physical world the nature of the soul and god s relationship to the material universe this book traces the history of these debates and examines images and ideas in blake s illuminated books that mark the development of the monist pantheism in his early works which contend that

every material thing is in its essence god to the idealism of his later period which casts the natural world as degenerate and illusory the book argues that blake s philosophical thought was not as monolithic as has been previously characterized and that his deepening engagement with late eighteenth century vitalist life sciences including studies of the asexual propagation of the marine polyp marks his metaphysical turn in contrast to the vast body of scholarship that emphasizes blake s early religious and political positions william blake as natural philosopher draws out the metaphysics underlying his commitments in so doing the book demonstrates that pantheism is important because it entails an ethics that respects the interconnected divinity of all material objects not just humans which in turn spurns hierarchical power structures if everything is alive and essentially divine blake s early work implies then everything is worthy of respect and capable of giving and receiving infinite delight therefore one should imaginatively and joyfully immerse oneself in the community of other beings in which one is already enmeshed often in the works discussed in this book blake offers negative examples to suggest his moral philosophy he dramatizes the disastrous individual and social consequences of humans behaving as if god were a transcendent immaterial nonhuman demiurge and as if they were separate from and ontologically superior to the degraded material universe that they see as composed of inert lifeless atoms william blake as natural philosopher traces the evolution of eighteenth century debates over the vitalist qualities of life and the nature of the soul both in the united kingdom and on the continent devoting significant attention to the natural philosophy of newton locke berkeley leibniz buffon la mettrie hume joseph priestley erasmus darwin and many others mao lu was a regular bejinger well except for the fact that he worked four part time jobs was neck deep in debt and best friends with two rich conglomerate heirs normally mao lu led a tough but boring daily life but everything changed when he received a mysterious letter follow his adventures as he travels between realms falls in love with a powerful prince and uncovers a terrifying conspiracy this book will take you on a journey filled with emotions action and secrets a gatekeeper and the celestial sovereign is a danmei fantasy series set in china influenced by xianxia and chinese cultivation stories and qigong martial arts with a hint of science fiction this print book is based on the novel series by m lexi a k a mexulexi
