edition features a new target grammar section  
casas style listening student work out cd rom  
and online teacher resource center all star  
second edition the program with a proven  
approach gives students and teachers the tools  
for success the touchstone teacher s editions  
are fully interleaved and contain practical  
teaching notes along with a wealth of optional  
activities detailed language notes based on  
corpus research give teachers special insights  
into english usage audio scripts answer keys  
and tests are also provided an audio cd  
contains the recordings for the listening  
tasks in the tests teachers can go into the  
classroom confident that they are fully  
equipped to teach students to be effective  
communicators whether your students are  
learning in a brick and mortar school or a  
homeschool or online you teachers and parents  
know how important logic is but that doesn t  
make the technical aspects of the subject any  
easier in fact the fundamental nature of the  
subject makes it even more intimidating we ve  
painstakingly designed intermediate logic with  
that tension in mind you ll get the benefit of  
james b nance s twenty years of teaching  
experience so mastering logic will be as  
painless and rewarding as possible for any  
student anybody can learn from intermediate  
logic the whole series takes advantage of a  
brand new clean easy to read layout lots of  
margin notes for key points and further study  
a step by step modern method and exercises  
every lesson plus review questions and  
exercises for every unit more important than  
anybody can teach intermediate logic
