classic songs that did not chart but have become fan favorites pete battistini released american top 40 with casey kasem the 1970 s in 2005 now comes the follow up american top 40 with casey kasem the 1980 s battistini painstakingly documented approximately 425 weekly casey kasem hosted countdown programs from the 80s and compiled individual program summaries for each week exclusively for this book in addition the text includes a complete list of all radio stations in the us and around the world that carried the program coupled with numerous testimonials of both at40 insiders and listeners and more than a hundred illustrations from the 80s this book is brimming with highlights of the greatest radio program ever originally published in 1976 this publication falls into three parts the verbal index the word frequency table and the field of reference a scholar interested in the full range of connotation for the word heart in conrad would look first to the word frequency table to see how often the word in question occurs in lord jim if the word is indeed part of the vocabulary of the novel he then would turn to its alphabetical listing in the verbal index and the line numbers in which it appears then turning to the field of reference he could locate the lines cited and look at each occurrence of the word in context the authors feel that the data provided by these tables is of basic his title lists over 12 000 significant songs and essential hits of the past half century from 1955 to 2005 in an easy to use a z artist listing there s also a song title cross reference section and playlists of each half decade s biggest hits these are gary clifford gibson s political and philosophical essays developing a contemporary historical analysis and synthesis of select american macro social and international events of the years 1999 through 2002 global waveform politics were a dominant practice of corporatist elites in the late 20th and early 20th centuries these essays are from the perspective of an ordinary citizen as an outsider in relation to the inside world of the corporate cognoscenti s axis of propaganda for power political events following the 2001 terrorist incidents in new york and washington d c as well as florida continued to dominate the american arena leading to reaction and conflicts with afghanistan and irag premised to contain terrorism this epic masterpiece of literature tells the story of one man's musical and personal journey it is told and written as an autobiography winner of the lascaux prize in fiction a warmhearted comedy of errors set in the world s harshest place ashley shelby s south pole station is a wry and witty debut novel about the courage it takes to band together when everything around you falls apart do you have digestion problems due to stress do you have problems with authority how many alcoholic drinks to you consume a week would you rather be a florist or a truck driver these are some of the questions that determine if you have what it takes to survive at south pole station a place with an average temperature of 54 f and no sunlight for six months a year cooper gosling has just answered five hundred of them her results indicate she is abnormal enough for polar life cooper s not sure if this is an achievement but she knows she has nothing to lose unmoored by a recent family tragedy she s adrift at thirty and despite her early promise as a painter on the verge of sinking her career so she accepts her place in the national science foundation s artists writers program and flees to antarctica where she encounters a group of misfits motivated by desires as ambiguous as her own the only thing the polies have in common is the conviction that they don t belong anywhere else then a fringe scientist arrives claiming climate change is a hoax his presence will rattle this already imbalanced community bringing cooper and the polies to the center of a global controversy and threatening the ancient ice chip they call home dark house rising the first book on the dead till dusk series offers a return to the bad boy vampire his name is black and he s all about terrorizing the world into submission beginning with the good ole us of a there s one problem a marine named predator and his eight canines the unstoppable force meets the immovable rock in this book of paranormal supernatural and twenty first century technology clash of powers andre kostelanetz on records and on the air is a comprehensive discography of the commercial recordings of the russian american conductor and radio personality andre kostelanetz james h north has collected all his recordings spanning the range from popular to classical organized chronologically by album north provides the complete details of each recording composer song title timing date and site of the recording session producer of that session and matrix numbers as well as every american issue of each recording several appendixes organize the information alphabetically by composer song title and album title giving references back to the discography by date of recording available downloads from the internet are included in the song title appendix two further appendixes deal with compact disc issues and with v discs the records created by the united states army and navy for worldwide distribution to members of the armed forces during world war ii initially a request from the andre kostelanetz estate who has generously supported this work the discography grew to include a complete coverage of kostelanetz s appearances on the radio from the 1920s through 1980 plus a few on television as north discovered that kostelanetz s radio career was as important as his records to music in america more than 1 000 broadcasts are covered including both his radio shows and his concert broadcasts with symphony orchestras and the contents of each program are listed where known an important extra in the book is a survey of kostelanetz s career and an evaluation of his achievements contributed by noted radio historian dick o connor a foreword by the archivist and historian of the new york philharmonic barbara haws completes this
