some films are remembered long after they are released others are soon forgotten but do they deserve oblivion are factors other than quality involved this book exhumes some of the films released in britain over the last seventy years from daybreak 1948 to 16 years of alcohol 2003 and considers the reasons for

their neglect as well as exploring the contributions of those involved in making the films the book examines such issues as marketing and the response of critics and audiences films are grouped loosely into categories such as b films and television films some works were little seen when they were first released and have stayed that way others were popular in their day but have slipped into obscurity in some cases social change has overtaken them making the attitudes or subjects they depict seem dated even being released as a dvd does not guarantee that a title will be rehabilitated in addition how significant is the american market this book should appeal to lovers of british film as well as to film studies students and everybody curious about the vagaries of success and failure in the arts
