do you know what the image of the antichrist is do you know what the symbolism of the number 666 of the antichrist means when jesus writes the letters to the churches in revelation he is writing to us now do you understand what he is expecting in us do you know what is his view of an overcomer in him come learn the great adventure of knowing what the symbolism is in this great book of the bible understand god s ways for us in jesus christ so that when the counterfeit spirit shows up you won t be deceived and fall prey to satan s dark ways learn from the holy spirit to see through the darkness with his discernment in this highly controversial book margaret cook undertakes a fascinating study of the patterns of behaviour of men in power throughout history the results are alarming the demeanour of elected rulers tyrants and military leaders bears astonishing similarities and converges on a dangerous path towards egocentrism and iron control spreading mayhem along the way lord acton stated that power tends to corrupt but margaret cook concludes that it actually causes men to revert to primitive patterns of conduct
