## **Religions of Korea in Practice *2018-06-05***

korea has one of the most diverse religious cultures in the world today with a range and breadth of religious practice virtually unrivaled by any other country this volume in the princeton readings in religions series is the first anthology in any language including korean to bring together a comprehensive set of original sources covering the whole gamut of religious practice in both premodern and contemporary korea the book s thirty two chapters help redress the dearth of source materials on korean religions in western languages coverage includes shamanic rituals for the dead and songs to quiet fussy newborns buddhist meditative practices and exorcisms confucian geomancy and ancestor rites contemporary catholic liturgy protestant devotional practices internal alchemy training in new korean religions and north korean juche self reliance ideology an amalgam of marxism and neo confucian filial piety focused on worship of the father kim il sung religions of korea in practice provides substantial coverage of contemporary korean religious practice especially the various christian denominations and new indigenous religions each chapter includes an extensive translation of original sources on korean religious practice accompanied by an introduction that frames the significance of the selections and offers suggestions for further reading this book will help any reader gain a better appreciation of the rich complexity of korea s religious culture

## **Ghosts of the Great Lakes *2003-07***

the great lakes have a colorful past that spans hundreds of years stretches over thousands of miles and sometimes crosses into the spirit world ghosts of the great lakes takes readers from the far eastern shores of lake ontario to western lake superior revealing haunting and strange tales these whispers from the other side however are based in history and fact one lighthouse site hides the bones of a murdered keeper rapping sounds in a family home mark the beginning of the spiritualist movement in north america a bride has a premonition that her

honeymoon ride will end in death and soon after the steamer she was on vanishes repeated sightings of ghost ships can these strange phenomena be attributed to the imagination how can multiple sightings be explained away as mere tricks of light and fog read these historical accounts of the great lakes most fascinating ghost stories and judge for yourself are they more than mere legend where does fact end and folklore begin

## ***The Scream Team 1998***

hide and shriek randy knows the twelve year olds of shadyside play a big game of hide and seek in the woods every june sounds like fun she thinks until she finds out who s it a ghost named pete who wants to tag randy and take over her body forever spell of the screaming jokers brittany and her friends agree to play cards with max a sick kid from their class but the jokers in max s magic deck are alive and they re evil field of screams buddy always wanted to play on the best baseball team in shadyside but he never dreamed he d be sent to the past to do it or that his very life would depend on winning

## ***Virginia Ghosts 2009-06***

this collection of more than 100 ghost stories has entertained lovers of virginia genealogy history and folklore for generations mrs marguerite du pont lee daughter of eleuthere irenee du pont humanitarian and campaigner for women s rights was also a great student of psychic phenomena this interest in the unexplained led her to gather tales of ghosts and the paranormal from around her adopted state many of them dating back to the colonial period charmingly written and illustrated throughout most of the tales like the encounter of warner taliaferro of belle ville in gloucester county with the spirit of his neighbor mrs tabb on the night of her death deal with ghosts sited at the venerable homesteads that proliferate in virginia thus for example we have stories set at the anchorage and gunston hall in the alexandria area federal hill and traveller s rest near fredericksburg mount airy and woodlawn in the tidewater edgewood and westover near richmond ash lawn and fairfield within the piedmont carter hall and elmwood in the shenandoah valley ivanhoe and ellerslie in southside and still other tales from the eastern shore southwest virginia and west virginia many of the ghost stories of course concern early virginians who materialize on the family trees of virginia researchers

## ***Da Vinci's Ghost 2012-02-07***

in da vinci s ghost critically acclaimed historian toby lester tells the story of the world s most iconic image the vitruvian man and sheds surprising new light on the artistry and scholarship of leonardo da vinci one of history s most fascinating figures deftly weaving together art architecture history theology and much else da vinci s ghost is a first rate intellectual enchantment charles mann author of 1493 da vinci didn t summon vitruvian man out of thin air he was inspired by the idea originally formulated by the roman architect vitruvius who suggested that the

human body could be made to fit inside a circle long associated with the divine and a square related to the earthly and secular to place a man inside those shapes was to imply that the human body could indeed be a blueprint for the workings of the universe da vinci elevated vitruvius idea to exhilarating heights when he set out to do something unprecedented if the human body truly reflected the cosmos he reasoned then studying its anatomy more thoroughly than had ever been attempted before peering deep into body and soul might grant him an almost godlike perspective on the makeup of the world written with the same narrative flair and intellectual sweep as lester s award winning first book the almost unbearably thrilling simon winchester fourth part of the world and beautifully illustrated with da vinci s drawings da vinci s ghost follows da vinci on his journey to understanding the secrets of the vitruvian man it captures a pivotal time in western history when the middle ages were giving way to the renaissance when art science and philosophy were rapidly converging and when it seemed possible that a single human being might embody and even understand the nature of the universe

## **Happy Hauntings *1998***

who s been sleeping in my grave zach pepper s teacher is away for the rest of the school year yes zach thinks party time until he meets the substitute teacher miss gaunt a lonely ghost who s looking for a little company in her grave stay away from the tree house dylan and steve were happy to move to fear street they finally had a backyard and trees and a tree house they were happy until they found out that their tree house was haunted fright knight have you met sir thomas barlayne mike conway has the evil spirit lives in a haunted suit of armour that s downstaris in mike s dad s museum can mike survive a duel to the death with a nightmare in shining armour

## **Dark Scenes from Damaged Earth *2023-07-04***

an urgent volume of essays engages the gothic to advance important perspectives on our geological era what can the gothic teach us about our current geological era more than just spooky moonlit castles and morbid graveyards the gothic represents a vibrant emergent perspective on the anthropocene in this volume more than a dozen scholars move beyond longstanding perspectives on the anthropocene such as science fiction and apocalyptic narratives to show that the gothic offers a unique and dark interpretation of events like climate change diminished ecosystems and mass extinction embracing pop cultural phenomena like true detective jaws and twin peaks as well as topics from the new weird and prehistoric shark fiction to ruin porn and the monstrosity dark scenes from damaged earth demonstrates the continuing vitality of the gothic while opening important new paths of inquiry these essays map a genealogy of the gothic while providing fresh perspectives on the ongoing climate chaos the north south divide issues of racialization dark ecology questions surrounding environmental justice and much more contributors fred botting kingston u timothy clark u of durham rebecca duncan linnaeus u michael fuchs u of oldenburg germany esthie hugo u of warwick dawn keetley lehigh u laura r kremmel south dakota school of mines and technology timothy morton rice u barry murnane u of oxford jennifer schell u of alaska fairbanks lisa m veterere monmouth u sara wasson lancaster u jeffrey andrew weinstock central michigan u

## ***Gothic Things 2014-02-17***

offering an innovative approach to the gothic gothic things dark enchantment and anthropocene anxiety breaks ground with a new materialist analysis of the genre highlighting the ways that since its origins in the eighteenth century the gothic has been intensely focused on ominous matter and thing power in chapters attending to gothic bodies spaces books and other objects gothic things argues that the gothic has always been about what happens when objects assume mysterious animacy or potency and when human beings are reduced to the status of just one thing among many more powerful others in exploring how the gothic insistently decenters the human jeffrey andrew weinstock reveals human beings to be enmeshed in networks of human and nonhuman forces mostly outside of their control gothic things thus resituates the gothic as the uncanny doppelgänger of twenty first century critical and cultural theory lurking just beneath the surface and sometimes explicitly surfacing as it haunts considerations of how human beings interact with objects and their environment in these pages the gothic offers a dark reflection of the contemporary nonhuman turn expressing a twenty first century structure of feeling undergirded by anxiety over the fate of the human spectrality monstrosity and apocalypse substituting horror for hope the gothic weinstock explains has been a philosophical meditation on human relations to the nonhuman since its inception raising

significant questions about how we can counter anthropocentric thought in our quest to live more harmoniously with the world around us

### ***Resolution of Doubts: Answers to the inquiry 2014-04-22***

in order to free society from the clutches of misleading religion rituals swamiji compiled a book shankha samadhan doubts and clarifications in this book swamiji has resolved the prevailing pretentious rituals by giving references of the discourses of the great saints and sages as well as citing the dictates of the srimad bhagavad gita the ramayana and the purana on topics such as who should be worshiped religious rituals karmkand havan yagya sacrificial action celibacy gayatri yuga dharma non violence ahimsa sin and righteousness santana dharma varna caste system and its classification vipra arya protection of cows gau raksha etc essence of sciences in the whole of the universe there is only one religion dharma attainment of the immortal principle peace forever unbound happiness and it all begins with the faith in the almighty truth is the only almighty that what refutes this truth cannot be called a religion dharma if the religion dharma does not have this truth then it will become meaningless any body who has the unfaltering faith in the almighty and recognises ram or om as the sign of the same thus chants the name is purely religious even if he does not know what the religion dharma is that what is forever un transformable ancient is the religion dharma and that what is there today but will not be there tomorrow destructible is not religion there is a single religion dharma in the universe the strife to seek that forever being almighty is the religion dharma if there are two almighties then he will need another universe to fulfil the same

### ***Ancestral Encounters in Highland Madagascar 2014-04-22***

nineteenth century highland madagascar was a place inhabited by the dead as much as the living ghosts ancestors and the possessed were important historical actors alongside local kings and queens soldiers traders and missionaries this book considers the challenges that such actors pose for historical accounts of the past and for thinking about questions of presence and representation how were the dead made present and how were they recognized or not in attending to these multifarious encounters of the nineteenth century how might we reflect on the ways in which our own history writing makes the dead present to tackle these questions zoë crossland tells an anthropological history of highland madagascar from a perspective rooted in archaeology and peircean semiotics as well as in landscape study oral history and textual sources

### ***A Nancy Willard Reader 2022-03-31***

## **The Social Organization and the Secret Societies of the Kwakiutl Indians 1897**

renowned historian richard lyman bushman presents a vibrant history of the objects that gave birth to a new religion according to joseph smith in september of 1823 an angel appeared to him and directed him to a hill near his home buried there smith found a box containing a stack of thin metal sheets gold in color about six inches wide eight inches long piled six or so inches high bound together by large rings and covered with what appeared to be ancient engravings exactly four years later the angel allowed smith to take the plates and instructed him to translate them into english when the text was published a new religion was born the plates have had a long and active life and the question of their reality has hovered over them from

the beginning months before the book of mormon was published newspapers began reporting on the discovery of a golden bible within a few years over a hundred articles had appeared critics denounced smith as a charlatan for claiming to have a wondrous object that he refused to show while believers countered by pointing to witnesses who said they saw the plates two hundred years later the mystery of the gold plates remains in this book renowned historian of mormonism richard lyman bushman offers a cultural history of the gold plates bushman examines how the plates have been imagined by both believers and critics and by treasure seekers novelists artists scholars and others from smith s first encounter with them to the present why have they been remembered and how have they been used and why do they remain objects of fascination to this day by examining these questions bushman sheds new light on mormon history and on the role of enchantment in the modern world
