temperature insulation for high temperature furnace  
construction sintering of sic diesel particle filter  
the new spark plasma sintering technique many  
applications require the usage of our adapted graphite  
refractory tools to bear extreme process conditions of  
pressure and temperature mersen has an extensive  
engineering experience in different kind of sintering  
processes

**graphite grades mersen usa world leader in isostatic**

May 03 2024 mersen a worldwide leader in iso molded graphite offers a complete range of graphite grades to suit any edm graphite applications in order to satisfy customers and meet their unique specifications and requirements new materials with improved properties and performance are constantly being developed

*properties of popular mersen grades graphite eng com*

Apr 02 2024 properties of popular mersen grades 2910 1940 2020 2191 2124 2236 2245 2303 2320 2363 2160 2175 units density g cm 3

**mersen graphite machining carbon solutions block rod**

Mar 01 2024 mersen a world leader in the field of isotropic graphite offers a complete range of ellor graphite grades to suit all edm applications product detail hot glass handling hardware and consumables

**properties of popular mersen grades graphite eng com**

Jan 31 2024 properties of popular mersen grades density average grain size resistivity flexural strength compressive strength hardness c t e porosity thermal conductivity ash units g cm<sup>3</sup> μm μ ohm cm mpa shore x 10 6 c 400 500c w m c ppm

**mersen mecahnical applications** Dec 30 2023 our carbon graphite base grade withstands extreme temperatures in processes ranging from sub zero tem peratures up to 55 c 67 f for cooling processes to high temperature over 450 c 842 f for baking and chemically resistant

*iso molded graphite mersen graphite* Nov 28 2023 from large to small scale needs we have the quality graphite to meet your needs our precision iso molded graphite is manufactured in many grades all possessing unique properties designed for maximum performance in high temperature settings

**mersen high temp materials speciality graphite cc**

**composite** Oct 28 2023 graphite specialties graphite carbon insulation for high temperature processes carbon carbon composite sic silicon carbide products flexible graphite materials power transfer technologies

**mechanical carbon graphite mersen graphite** Sep 26 2023  
mersen graphite has an extensive inventory of carbon and graphite grades specifically designed for mechanical applications such as guiding and friction bearings thrust bearings rotors vanes dynamic sealing rotating shafts pistons aerospace main shaft seals flex tubing seals apv seals downloads
