The Making of the Black Working Class in Britain 2017-08-22

this is the first comprehensive historical perspective on the relationship between black workers and the changing patterns of britain s labour needs it places in an historical context the development of a small black presence in sixteenth century britain into the disadvantaged black working class of the 1980s the book deals with the colonial labour institutions slavery indentureship and trade unionism and the ideology underlying them and also considers the previously neglected role of the nineteenth century black radicals in british working class struggles finally the book examines the emergence of a black radical ideology that has underpinned the twentieth century struggles against unemployment racial attacks and workplace grievances among them employer and trade union racism

Lessons from the Black Working Class 2015-10-21

this book enables readers to better understand explain and predict the future of the nation s overall economic health through its examination of the black working class especially the experiences of black women and black working class residents outside of urban areas how have the experiences of black working class women and men residing in urban suburban and rural settings impacted u s labor relations and the broader american society this book asserts that a comprehensive and critical examination of the black working class can be used to forecast whether economic troubles are on the horizon it documents how the increasing incidence of attacks on unions the dwindling availability of working class jobs and the clamoring by the working class for a minimum wage hike is proof that the atmospheric pressure in america is rising and that efforts to prepare for the approaching financial storm require attention to the individuals and households who are often overlooked the black working class presenting information of great importance to sociologists political scientists and economists the authors of this work explore the impact of the recent great recession on working class african americans and argue that the intersections of race and class for this particular group uncover the state of equity and justice in america this book will also be of interest to public policymakers as well as students in graduate level courses in the areas of african american studies american society and labor labor relations labor and the civil rights movement and studies on race class and gender

named one of smithsonian s best books of 2023 an award winning historian illuminates the adversities and joys of the black working class in america through a stunning narrative centered on her forebears

The Black Queer Work of Ratchet 2019-11-27

this book enters as a corrective to the tendency to trivialize and mis appropriate african american language practices the word ratchet has entered into a wider whiter american discourse the same way that many words in african american english have through hip hop and social media generally ratchet refers to behaviors and cultural expressions of black people that sit outside of normative middle class respectable codes of conduct ratchet can function both as a tool for critiquing bad black behavior and as a tool for resisting the notion that there are such things as good and bad behavior in the first place this book takes seriously the way ratchet operates in the everyday lives of middle class and upwardly mobile black queer women in washington dc who because of their sexuality are situated outside of the norms of black respectability the book introduces the concept of ratchet boogie cultural politics which draws from a rich body of black intellectual traditions which interrogate the debates concerning what is and is not acceptable black middle class behavior placing issues of non normative sexuality at the center of the conversation about notions of propriety within normative modes of black middle class behavior this book discusses what it means for black queer women s bodies to be present within ratchet boogie cultural projects asking what black queer women s increasing visibility does for the everyday experiences of black queer people more broadly

focuses on the experiences of pioneering black social workers during the first four decades of the 20th century as social workers attempted to transform the lives of newly arrived black migrants to the urban north from the rural south highlighting the attitudes of early black social workers who wor

BLACK WORK 2021-07

the transition of blacks from slavery into the postwar free economy and the inevitable reorganization of the plantation after the civil war were two of

america s most profound transformations how did the sharecropping system evolve and how did it help maintain commercial agriculture after the war what role did the emancipated slaves their ex masters and the freedmen s bureau play in the reorganization of the southern economy what were the effects of federal policy the new market in free labor and race and class conflict drawing on thousands of previously untapped sources and solid statistical evidence gerald david jaynes fills the historical lacuna by presenting a new socioeconomic interpretation of the birth of the free black worker branches without roots explains how both southern planters and black workers in light of the failure of reconstruction politics looked to the sharecropping system as a solution to their problems the planters saw it has a way to sustain prewar production levels and blacks attempted to use it as a viable economic base jaynes argues that it was the collective organization and self help activities of the freedpeople and the democratic fever incited by black leaders and local agents of the freedmen s bureau that precipitated the agrarian revolution and the postbellum transformation of southern plantation from publisher s description

Dr. Francia ; An election to the Long Parliament ; The nigger question ; Two hundred and fifty years ago ; The opera ; National exhibition of Scottish portraits ; The prinzenraub ; Inaugural address at Edinburgh, 2nd April 1866 ; Shooting Niagara: and after? ; Latter stage of the French-German war, 1870-71 ; Index to miscellanies 1872

ebony is the flagship magazine of johnson publishing founded in 1945 by john h johnson it still maintains the highest global circulation of any african american focused magazine
