The Italian/American Experience 2010-07-07 a historical overview of mexican americans social

and economic experiences in texas for hundreds of years mexican americans in texas have fought against political oppression and exclusion in courtrooms in schools at the ballot box and beyond through a detailed exploration of this long battle for equality this book illuminates critical moments of both struggle and triumph in the mexican american experience martha menchaca begins with the spanish settlement of texas exploring how mexican americans racial heritage limited their incorporation into society after the territory s annexation she then illustrates their political struggles in the nineteenth century as they tried to assert their legal rights of citizenship and retain possession of their land and goes on to explore their fight in the twentieth century against educational segregation jury exclusion and housing covenants it was only in 1967 she shows that the collective pressure placed on the state government by mexican american and african american activists led to the beginning of desegregation menchaca concludes with a look at the crucial roles that mexican americans have played in national politics education philanthropy and culture while acknowledging the important work remaining to be done in the struggle for equality

The Americans: The National Experience 2003 drawing on more than thirty years of teaching and research neil a wynn combines narrative history and primary sources as he locates the world war ii years within the long term struggle for african americans equal rights it is now widely accepted that these years were crucial in the development of the emerging civil rights movement through the economic and social impact of the war as well as the military service itself wynn examines the period within the broader context of the new deal era of the 1930s and the cold war of the 1950s concluding that the war years were neither simply a continuation of earlier developments nor a prelude to later change rather this period was characterized by an intense transformation of black hopes and expectations encouraged by real socio economic shifts and departures in federal policy black self consciousness at a national level found powerful expression in new movements from the demand for equality in the military service to changes in the shop floor to the double v campaign that linked the fight for democracy at home for the fight for democracy abroad as the nation played a new world role in the developing cold war the tensions between america s stated beliefs and actual practices emphasized these issues and brought new forces into play more than a half century later this book presents a much needed up to date short and readable interpretation of existing scholarship accessible to general and student readers it tells the story without jargon or theory while including the historiography and debate on particular issues

Islam in the African-American Experience 2014-12-31 three powerful tales from the acclaimed chronicler of the american west including the 1 new york times bestseller bury my heart at wounded knee two profoundly moving candid histories and a powerful novel illuminate important aspects of the native american story bury my heart at wounded knee the 1 new york times bestseller that awakened the world to the destruction of american indians in the nineteenth century west dee brown s groundbreaking history focuses on the betrayals battles and systematic slaughter suffered by native american tribes between 1860 and 1890 culminating in the sioux massacre at wounded knee shattering appalling compelling one wonders reading this searing heartbreaking book who indeed were the savages the washington post the fetterman massacre a riveting account of events leading up to the battle of the hundred slain the devastating 1866 conflict at wyoming s ft phil kearney that pitted lakota arapaho and northern cheyenne warriors including oglala chief red cloud against the united states cavalry under the command of captain william fetterman based on a wealth of historical resources and sparked by brown s narrative genius this is an essential look at one of the frontier s defining conflicts creek mary s blood this new york times bestseller fictionalizes the true story of mary musgrove born in 1700 to a creek tribal chief and five generations of her family the sweeping narrative spans the revolutionary war the trail of tears and the civil war in which mary s descendants fought on both sides of the conflict rich in detail and human drama creek mary s blood offers a robust unfussed crash course in native american history that rolls from east to west with dark inexorable energy kirkus reviews

The American Experience 2007-07-20 in race rights and the asian american experience angelo n ancheta demonstrates how united states civil rights laws have been framed by a black white model of race that typically ignores the experiences of other groups including asian americans when racial discourse is limited to antagonisms between black and white asian americans often find themselves in a racial limbo marginalized or unrecognized as full participants ancheta examines legal and social theories of racial discrimination ethnic differences in the asian american population nativism citizenship language school desegregation and affirmative action in the revised edition of this

influential book ancheta also covers post 9 11 anti asian sentiment and racial profiling he analyzes recent legal cases involving political empowerment language rights human trafficking immigrant rights and affirmative action in higher education many of which move the country farther away from the ideals of racial justice on a more positive note he reports on the progress asian americans have made in the corporate sector politics the military entertainment and academia a skillful mixture of legal theories court cases historical events and personal insights this revised edition brings fresh insights to u s civil rights from an asian american perspective

The African American Experience in Vietnam 2010-07-01 an immensely popular genre crime fiction has only in recent years been engaged significantly by african american authors historically the racist stereotypes often central to crime fiction and the socially conservative nature of the genre presented problems for writing the black experience and the tropes of justice and restoration of social order have not resonated with authors who saw social justice as a work in progress some african american authors did take up the challenge pauline hopkins rudolph fisher and chester himes led the way in the first half of the 20th century followed by ishmael reed s anti detective novels in the 1970s since the 1990s walter mosley colson whitehead and stephen l carter have written detective fiction focusing on questions of constitutional law civil rights biological and medical issues education popular culture the criminal justice system and matters of social justice from hopkins s hagar s daughter published in 1901 to hime s hardboiled harlem detective series to carter s patrician world of the black bourgeoisie these authors provide a means of examining literary and social constructions of the african american experience instructors considering this book for use in a course may request an examination copy here
