william morris 1834 96 was an english poet decorative artist translator romance writer book designer preservationist socialist theorist and political activist whose admirers have been drawn to the sheer intensity of his artistic endeavors and efforts to live up to radical ideals of social justice this companion draws together historical and critical responses to the impressive range of morris s multi faceted life and activities his homes travels family business practices decorative artwork poetry fantasy romances translations political activism eco socialism and book collecting and design each chapter provides valuable historical and literary background information reviews relevant opinions on its subject from the late nineteenth century to the present and offers new approaches to important aspects of its topic morris s eclectic methodology and the perennial relevance of his insights and practice make this an essential handbook for those interested in art history poetry translation literature book design environmentalism political activism and victorian and utopian studies

Bibliographia historiae rerum rusticarum internationalis

1974

this wide ranging book is an intellectual history of how informed readers read their bibles over the past four hundred years from the first translations in the sixteenth century to the emergence of fundamentalism in the twentieth century in an

astonishing display of erudition david katz recreates the response of readers from different eras by examining the horizon of expectations that provided the lens through which they read in the renaissance says katz learned men rushed to apply the tools of textual analysis to the testaments fully confident that god s word would open up and reveal shades of further truth during the english civil war there was a symbiotic relationship between politics and religion as the practical application of the biblical message was hammered out science newtonian and darwinian as well as the emerging disciplines of anthropology archaeology and geology also had a great impact on how the bible was received the rise of the novel and the development of a concept of authorial copyright were other factors that altered readers experience katz discusses all of these and more concluding with the growth of fundamentalism in america which broug

when alexander bowman was elected in belfast corporation as labour member in duncairn in 1897 the very idea that he would still be remembered a century later for his relentless championing of the working class cause appeared unthinkable yet bowman a near penniless flaxdresser from a humble farming background richly deserves his place in irish political and labour history twelve years earlier in 1885 following his key role in the birth of organised trade unionism in belfast he had been the first working class irishman to seek a seat at westminister his subsequent support for gladstone s home rule bill and the dublin parliament which he believed offered the best hope of bringing together irish people of all persuasions attracted much criticism forced to leave belfast in 1888 he found himself immersed in the embryonic socialist movements first in glasgow and then in london returning with new ideas to the belfast trade union fold in 1895 he won the corporation seat two years later and in 1901 was elected president of the irish trade union congress this biography by his journalist great grandson terence bowman pays long overdue tribute to a labour pioneer who at great personal cost dedicated his life sufficiently to the welfare of the working classes to earn their and now our respect as a people s champion
