My Good Son 2021-04

from award winning author yang huang my good son explores the power and the cost of parental love a tailor in post tiananmen china mr cai has one ambition for his son feng to make something of himself with harsh discipline and relentless pressure mr cai succeeds in getting feng ready to attend a u s college but feng needs a sponsor when mr cai meets a closeted american art student named jude they hatch a plan to benefit them both get feng to the us and help jude come out to his conservative father their scheme will expose the fault lines in both chinese and american cultures father son relationships familial expectations gender and sexuality social status and mobility huang s writing abounds with sharp insights and a quiet humor revealing the complexity of family relationships amidst two rapidly changing cultures

Living Treasures 2014

gu bao has always cherished a childhood memory of a starving panda who ate a hen in order to nurse her cub bao grows up to become a law student at a provincial chinese university during the tumultuous tiananmen square protest in 1989 falling in love with a dashing young soldier she promptly finds herself pregnant and faced with the potential end of her academic career bao finds out what it feels like to be an endangered species she searches for her inner strength while exploring the evocative sichuan mountain landscape discovers a panda mother caught in a poacher s snare and befriends an expectant young mother hiding from villainous one child policy enforcers bent on giving compulsory abortions all three females struggle against society to preserve the treasure of their little ones can bao defy the one child policy to bestow the gift of life upon a rural family and help a giant panda along the way she devises a daring plan to change the lives of everyone around her page 4 of cover

My Old Faithful 2018-06-29

showing both the drama of familial intimacy and the ups and downs of the everyday my old faithful introduces readers to a close knit chinese family these ten interconnected short stories which take place in china and the united states over a thirty year period merge to paint a nuanced portrait of family life full of pain surprises and subtle acts of courage richly textured narratives from the mother the father the son and the daughters play out against the backdrop of china s social and economic change with quiet humor and sharp insight into the ordinary yang huang writes of a father who spans his son out of love a brother who betrays his sister and a woman who returns to china after many years to find her country changed in ways both expected and startling

Huang Di Nei Jing Su Wen 2011-07-28

a foundation of chinese life sciences and medicine the huang di nei jing su wen is now available for the first time in a complete fully annotated english translation also known as su wen or the yellow emperor s inner classic this influential work came into being over a long period reaching from the 2nd century bce to the 8th century ce combining the views of different schools it relies exclusively on natural law as conceptualized in yin yang and five agents doctrines to define health and disease and repeatedly emphasizes personal responsibility for the length and quality of one s life this two volume edition includes excerpts from all the major commentaries on the su wen and extensive annotation drawn from hundreds of monographs and articles by chinese and japanese authors produced over the past 1600 years and into the twentieth century

The Changing Languages of Guangxi, Southern China 2023

by examining the development of finnish morphemes in sinitic and zhuang tai kadai through the interplay between grammaticalization and language contact this book argues that central southern guangxi constitutes a unique micro linguistic area

Huang Ti Nei Ching Su Wên 1966

the yellow emperor s internal canon is the earliest extant tcm traditional chinese medicine theory book which has far reaching influence on the establishment of the later chinese medical theory according to the book it is the account of the yellow emperor and qi bo lei gong bo gao shao shi shao yu and many other ministers discussing medicine the yellow emperor s internal canon has accumulated rich medical experience obtained by the ancestors sublimated into rational understanding formed a systematic medical theory and further controlled medical practice established a clinical standard of chinese medicine and became a system for exploring the laws of life and its medical applications in traditional chinese health science

□□□□ “Huang Di Nei Jing”; The Yellow Emperor's Internal Canon 2016-07-19

theÊling shu also known as theÊling shu jing is part of a unique and seminal trilogy of ancient chinese medicine together with theÊsu wenÊandÊnan jing Êit constitutes the foundation of a two thousand year healing tradition that remains active to this day its therapeutic approach is based on a purely secular science of nature with natural laws serving as guidelines for human behavior and medical treatment no other text offers such broad insights into the thinking and manifest action of the authors of the time following an introduction this volume contains the full original chinese text of theÊling shu an english translation of all eighty one chapters and notes on difficult to grasp passages and possible changes in the text over time on the basis of chinese primary and secondary literature of the past two thousand years and translator paul unschuldÕs own work theÊling shuÊreveals itself as a completely rational work and in many of its statements a surprisingly modern one it will provide the foundation for comparisons with the nearly contemporaneousÊcorpus hippocraticumÊof ancient europe and todayÕs iterations of traditional chinese medicine as well

Huang Di Nei Jing Ling Shu 1993

this text software package explores the structural analysis and design of highway pavements focusing on the mechanistic empirical design procedures rather than the purely empirical methods presents the theory of pavement design and reviews the methods developed by several organizations such as the aashto the ai and the pca includes the kenlayer program for flexible pavements applicable to a multilayered system under stationary or moving multiple wheel loads with each layer being either linear elastic nonlinear elastic or viscoelastic contains the kenslabs program for rigid pavements applicable to multiple slabs fully or partially supported on a liquid solid or layered foundation with moment or shear transfer across the joints presents most of the advanced theory and detailed information in appendices features a large number of examples and line drawings

Pavement Analysis and Design 2023-03-06

this novel is a scathing portrayal of the reformer kang youwei by the revolutionary huang shizhong at a critical juncture in beijing imperial rule and overseas chinese politics

The Dragon New Year 1989-12-01

showing both the drama of familial intimacy and the ups and downs of the everyday my old faithful introduces readers to a close knit chinese family these ten interconnected short stories which take place in china and the united states over a thirty year period merge to paint a nuanced portrait of family life full of pain surprises and subtle acts of courage richly textured narratives from the mother the father the son and the daughters play out against the backdrop of china s social and economic change with quiet humor and sharp insight into the ordinary yang huang writes of a father who spans his son out of love a brother who betrays his sister and a woman who returns to china after many years to find her country changed in ways both expected and startling

Lattice Dynamics and Semiconductor Physics 1887

i am not a ghost tells the story of a chinese railway worker who comes to canada to work on the great canadian pacific railway he like all the others came in search of a better life but would have died if not for the benevolence of amelia douglas wife of the former governor of british columbia a fictional but historically accurate story with an important message i am not a ghost describes the racism and hardship that these newcomers to canada faced and should be required reading for anyone who wants to learn about this troubling period in canada s history

Translation of the Peking Gazette 2021-04-01

here is the fictionalized story of tz u his better known as the empress dowager the controversial woman who ruled china for almost half a century this sumptuous book combines 25 majestic oil paintings of the empress by renowned artist zhong yang huang with engaging anecdote studded text by celebrated storyteller david bouchard tz u his 1833 1908 began life as a concubine but managed to rule china while a series of lovers and finally her son actually sat on the throne in a series of extraordinary luminous paintings zhong yang huang takes us inside the forbidden palace as statesmen courtesans and eunuchs play out the final years of the doomed ch ing dynasty

□□□□□□□□ 2018

han xue yui tak tahu dan tak ingin tahu apa yang baru saja terjadi bagaimana bisa ia berada di tempat yang hanya pernah ia nonton di tv lalu mengapa ia bisa ada disini sebab ketika ia tahu semuanya han xue yui takut takut dengan apa yang akan ia hadapi takut dengan kenyataan yang akan ia lalui dan ia sangat takut setelah sadar dengan apa yang ia hadapi dan lalui semuanya berubah dan tidak akan sama lagi lalu apa yang harus ia lakukan

My Old Faithful 1927

the fable is told in this re creation of the origins of the chinese zodiac the great race sets in motion a timeless contest that pits creatures such as the ox rat horse and dragon against one another to see who will reach the jade city first

□□□□□□ 2023-04

report for 1822 1891 includes sundry maps and a sketch plan of each port also statistical tables relating to the foreign trade of china

Chinese America: History and Perspectives 1987 2002

western medicine as seen today has a strong scientific basis in its development the pathogenesis of most diseases and their symptomatology and physical signs are well studied and understood the management of patients is based on firm understanding of these disease processes in contrast traditional chinese medicine came about through the experience of many generations of practitioners over thousands of years undoubtedly many of these treatments have proved to be effective in their own way however firm scientific basis is still lacking while most western medicine advocates control of disease by eradication of pathogens and surgical removal of diseased organs as in the case of cancer traditional chinese medicine seeks to improve resistance against disease there is probably a great wealth of therapeutic value in traditional chinese medicine which has not been discovered or explored fully by combining the knowledge of both western and traditional chinese medicine one might be able to improve the results of efficacy of treatments and the survival of patients the integration of medicine from east and west will take time to evolve and will need interested physicians from different parts of the world to work closely together to realize such a possibility this book is an attempt to bridge the medical world of two great and ancient civilizations in their approach to the treatment of disease it is informative with a detailed account of the history of medical development it is highly recommended for those medical practitioners from both east and west who are interested to explore alternative medicine and research new areas of the medical frontier

I Am Not a Ghost: The Canadian Pacific Railway 1872

the book is about the revival of china in the 20th century and the first decade of the 21st century it has eight parts 1 the civil revolution in china 2 the countryside bases 3 the long march of the red army 4 the anti japanese war 5 decisive civil battles before the establishment of the people s republic of china 6 the mao era before the great cultural revolution 7 the great cultural revolution and 8 the reform and opening up this version of the book is without pictures

Dragon of Heaven 2019-10-08

shang han lun was written in approx 200 ad and remains a seminal text in chinese medicine literature and is mandatory study in all accredited courses of chinese medicine today it analyses the aetiology and pathogenesis of acute upper respiratory tract infections the common cold influenza bronchitis asthma and describes the many permutations as well as subsequent complications it is not just a study of coughs and colds but lays the groundwork for chinese medical theory and its strategies of treatment it also explains the consequences of incorrect treatment and discusses how the omission or addition of even one herb to a formula can affect its efficacy this is the book that makes understanding a complex classic text easy greta young benefits the reader with her years of expertise in studying and lecturing in the classics and guides us through the myriad clauses elucidating their meaning citing points of discussion from various sources and illustrating their application with modifications and case studies robin marchment has translated each clause in a way which is faithful to the original chinese whilst still making the meaning accessible to the english speaker the explanations and discussions use clear english in a free flowing lecturing style which holds the reader s interest each chapter or section is introduced with an overview key points are highlighted and summarised at the end and in addition both ancient applications and modern applications are described the objective is to make it

interesting readable and of practical clinical significance to today's practitioners

Vocabulary and Hand-book of the Chinese Language . . . Romanized in the Mandarin Dialect 1969
