secret to success after nearly 20 years of teaching lewis morris
discovered a startling fact most students didn t struggle with the
subject they struggled with the language it was never about brains or
ability his students simply didn t have the knowledge of the specific
language needed to succeed through experimentation and research he
discovered that for any subject there was a list of essential words that
when mastered unlocked a student s ability to progress in the subject
lewis called this set of vocabulary the insider s words when he applied
these insider s words the results were incredible his students began to
learn with ease he was on his way to developing the landmark series of
workbooks and applications to teach this insider s language to students
