Introducing Harry Bosch

2020-10-22

a superb natural storyteller lee child the black echo lapd detective harry bosch is a loner and a nighthawk one sunday he gets a call out on his pager a body has been found in a drainage tunnel off mulholland drive hollywood at first sight it looks like a routine drugs overdose case but the one new puncture wound amid the scars of old tracks leaves bosch unconvinced to make matters worse harry bosch recognises the victim billy meadows was a fellow tunnel rat in vietnam

2023-02-01

running against the vc and the fear they all used to call the black echo bosch believes he let down billy meadows once before so now he is determined to bring the killer to justice the black ice when a body is found in a hotel room reporters are soon all over the case it appears to be a missing lapd narcotics detective apparently gone to the bad the rumours were that he had been selling a new drug called black ice that had been infiltrating los angeles from the mexican cartel the lapd are quick to declare the death a suicide but harry bosch is not so sure there are odd mysteries and unexplained details from the crime scene which just don t add up fighting an attraction to the detective s widow bosch starts his own maverick investigation which soon leads him over the borders and into a dangerous world of shifting identities police politics and deadly corruption the concrete blonde when lapd detective harry bosch shot and killed norman church the dollmaker the police were convinced it marked the end of the search for one of the city s most bizarre serial killers but four years later norman church s widow is taking bosch to court accusing him of killing the wrong man to make matters worse bosch has just received a note eerily reminiscent of the ones the dollmaker used to taunt him with giving him a location where a body can be found is the dollmaker still alive or is this the work of a vicious copycat killer determined to repeat the dollmaker s grisly feats and destroy bosch s career in the process

Domination and Emancipation

2021-11-01

a melancholy defeatism has become a hallmark of critical thought and leftist politics a consequence of this has been an exaggerated focus on domination among critical theorists leaving emancipation along with questions of political organization and strategy undertheorized at best or disregarded as delusional at worst if emancipation still plays a role in critical reflection it is most often in a domesticated form made into a bedfellow of centrist liberalism recent events necessitate a different outlook especially since the financial collapse of 2008 and the myriad movements emancipatory as much as reactionary it has spawned throughout the world through a series of dialogues and reflections by leading thinkers scholars and activists domination and emancipation remaking critique seeks to rebuild the emancipatory pole of critique and bring forward theoretical work that is in step with the struggles and aspirations of the moment

Noir Fiction and Film

2022-02-17

the argument of noir fiction and film is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes what weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces as the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance and the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning
