the films this volume takes a transmedial approach to the material recognizing that star wars tv projects interact with and relate to other star wars texts the chapters in this volume take as a basic premise that the televisual entrants into the star wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the star wars franchise and thus industry wide transmedia storytelling strategies developed the book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long running popular series long ignored texts and even toy commercials to bear on the franchise s complex history george lucas was a rebel refusing to make films in the style of the dying studio system relentlessly pushing the technology of the day and almost alone in understanding the potential of merchandising but he was a rebel who built an empire from the staggering unexpected success of the original star wars in 1977 when cinema attendances exceeded 20 million for the first time since 1963 through the empire strikes back and return of the jedi then the dark times the 16 years leading to the blockbusting prequel trilogy this is the fascinating story of how it all happened life long star wars fan and movie journalist brian j robb edited the official star wars magazine for a decade and visited the sets of attack of the clones and revenge of the sith in australia observing director george lucas at work as well as the famous skywalker ranch he has interviewed many of the stars and crew of all six star wars movies once upon a time science fiction was only in the future it was the stuff of drive ins and cheap double bills then with the ever increasing rush of new society altering technologies science fiction pushed its way to the present and it busted out of the genre ghetto of science fiction and barged its way into the mainstream what used to be mere fantasy trips to the moon wristwatch radios supercomputers capable of learning are now everyday reality whether nostalgic for the future or fast forwarding to the present the sci fi movie guide the universe of film from astonishing new heights featuring an 8 page color photo insert of thrilling images from the hit movie join a daring expedition into strange new lands with this official minecraft novel when a young man is ripped from his quiet life and stranded far from home he must learn not only how to survive but how to live stax stonecutter has lived a peaceful if unremarkable life in his small town in the overworld the son of great adventurers and wise builders stax prefers an easier life he loves to tend to his gardens and play with his cats all day rather than venturing out to explore the surrounding lands it s quiet on his estate even lonely sometimes but it suits stax well enough his solitude is shattered when a mysterious stranger arrives with a band of merciless raiders in one terrible night stax s old life is taken from him and he is left stranded in the middle of nowhere angry and alone he s never left home and now he knows why everything beyond the boundaries of his little town is scary and dangerous but as he begins his long journey back stax encounters fascinating travelers who show him that there s more to the overworld than marauding pirates and frightening mobs there are beautiful lands to explore fantastical contraptions to build and new friends to meet it may have taken losing everything he once knew but on his adventure stax finds something more valuable than all the diamonds in the overworld a whole wonderful world that s just waiting to be explored the making of the star wars saga as told by the cast and crew features content previously published in the
