the vietnam war a war in which the government betrays its people the military betrays its soldiers the soldiers betray those they are assigned to protect and one woman betrays her best friend a collage of real events a matter of betrayal illustrates the impact of the vietnam war on two strong willed women these women s lives and the lives of all americans are ripped apart by the turbulent 60 s and the vietnam war taking 30 years to heal the daughter of a four star general jenny leaves behind her sheltered life for the front lines of a war no one understands among the incomprehensible horrors she discovers love and then great pain as the man she loves becomes a casualty of war upon her return to the world she is betrayed by her best friend and forced underground to protect her daughter and her own true identity music becomes jenny s tool for survival the way back to herself kick is also an army brat and jenny s best friend she takes another road leading away from the rigid world of her military parents without an ounce of jenny s idealism she opts to tackle new york a would be photographer she dives into the underground pop art and drug scene hoping along the way to snag a rich husband who will give her the security and status she longs to possess debased and broken by the heir of an industrialist family and driven by jealousy she betrays her best friend her husband and herself only when the truth comes out as it does through jenny s grown daughter as she returns to vietnam to find her father can the waters calm and real healing begin

Betrayed

2021-04-27

these celebrated lectures constitute one of isaiah berlin s most concise accessible and convincing presentations of his views on human freedom views that later found expression in such famous works as two concepts of liberty and were at the heart of his lifelong work on the enlightenment and its critics when they were broadcast on bbc radio in 1952 the lectures created a sensation and confirmed berlin s reputation as an intellectual who could speak to the public in an appealing and compelling way a recording of only one of the lectures has survived but henry hardy has recreated them all here from bbc transcripts and berlin s annotated drafts hardy has also added as an appendix to this new edition a revealing text of two concepts based on berlin s earliest surviving drafts which throws light on some of the issues raised by the essay and in a new foreword historian enrique krauze traces the origin of berlin s idea of negative freedom to his rejection of the notion that the creation of the state of israel left jews with only two choices to emigrate to israel or to renounce jewish identity

The Storm's Betrayal

1999-11-02

this book based on actual cases and investigations tells how a widespread criminal network in spain and morocco stole and sold babies through an underground baby black market for decades all the while government church and doctors and nurses either looked the other way or worse conspired together to deceive parents and family while lining their own pockets you will meet the young lovers whose baby was taken from them and sold away by a nurse working with a nun you will find out the truth of what a powerful family patriarch did rather than live with the shame of having his young daughter give birth to the baby of a charming but poor island musician you will discover what really went on in a famous clinic in madrid and how a greedy gynecologist collaborated with a cruel but calculating nun to deceive new mothers while stealing their newborn babies and selling them on the black market you will learn of the fate of one mother and her baby girl who dared to uncover this evil network across spain you will also feel the pain and desperation of a young couple who cannot conceive and who risk it all in deciding to cross frontiers to buy a baby and how that will forever change the lives of a young couple in love who dream of one day being together despite the rejection of their own families who forbid them to ever see one another again finally you will learn why baby stealing started in spain how it went on undetected and unpunished for decades and why even today thousands of spaniards search for the truth about their own origins and to hopefully one day be reunited with their loved ones

A Matter of Betrayal

2014-05-25

this book discusses undercover reporting betrayal and deception in journalism addressing the ethical issues encountered by professionals when deception is involved and providing an explanation of how high profile cases have developed carson and muller begin by examining how philosophical theories which form the basis of contemporary ethical codes for journalists bear upon undercover reporting and questions of deception in the digital age drawing upon case studies such as al jazeera s undercover operation against the national rifle association in the us and the one nation political party in australia and britain s channel 4 infiltration of cambridge analytica this book goes on to define and discuss the ethical concepts behind deception and betrayal and lays out an original ethical framework for undercover journalists facing related challenges in their work undercover reporting deception and betrayal in journalism is an important research text for students and academics in journalism and media studies

2010-11-01

conscious choices conscious life transcending abuse betrayal is an inspirational book that celebrates the triumph of dignity courage and self empowerment over the brutality and denigration of abuse and betrayal the book depicts the life experiences of four women stacy miriam tessa and jasareen with much of the focus on stacy s personal journey to healing and selfhood by sharing the stories of healing and the transformational power of conscious choices and forgiveness sasha samy hopes that others may garner the courage to confront and transcend their experiences with poignant personal anecdotes penetrating insights psychological research and spiritual teachings samy integrates a

practical and holistic approach to healing and transformation in her book the book which is divided into three parts also discusses what constitutes abuse and its effects why the targeted do not leave their abusive partners what is lacking in dysfunctional relationships how our erroneous thoughts attitudes and belief systems create self sabotaging and self destructive behavioral patterns why shadow and inner works are essential to understanding the self techniques and tools to embrace the healing process sashasamy com

Undercover Reporting, Deception, and Betrayal in Journalism

2009-03-23

the presumed sovereignty of individuals and the facilitating powers of the markets have generated a universal and ethically neutral conception of both social and economic organisation this ground breaking text re examines the purpose of society and the role of economics in it arguing that the absence of a beneficial natural order calls for the role of the collective in social and economic life to be revisited drawing on some key figures marking milestones in the evolution of social and economic thinking the author offers a critique of mainstream economics as a way of thinking and as a provider of guiding principles for economic and social organisation volume i introduces the reader to the emergence of natural order considers the internal logic of economics and how it managed to be so persuasive in its recommendation for competitive interactions to govern all aspects of social life in all societies and across them demonstrates that the economic conception of an order which solves society s economic problem is in fact an impossibility that turns the natural phenomenon of markets into a problem rather than an ideal and addresses the other apparent appeal of markets their association with the ideas of freedom and justice this is a bold and foundational new work that offers an original and innovative perspective on economics and its challenges addressing core areas such as behavioural economics evolutionary game theory and links between social sciences anthropology philosophy and neurosciences
