The Works of John Dryden: Life *1882*

this book is a significant and original contribution to the ongoing conversation on modernity it uses the creative and critical works of nigerian playwright and novelist femi euba to demonstrate the place and function of african cultures in modernity and makes the case for the vibrancy of such cultures in the shaping and constitution of the modern world in addition to a critique of euba s fifty year artistic career this book offers an account of euba s formative relationship with the 1986 nobel prize for literature winner wole soyinka during the promising days of the nigerian theatre in the immediate post independence period and the effect of this relationship on euba s artistic choices and reflections euba contributes to our understanding of africa s negotiation of modernity in significant ways especially in his sensitive reading of esu the yoruba god of fate and chance as an artistic consciousness whose historical and ideological mobility during new world slavery during africa s colonial period and in the manifestations in the black diaspora today emblemizes the process we call modernity by using ritual myth and satire as avenues to the debate on modernity euba lays emphasis on the transformative possibilities at the crossroads of history his works engage the psychological interconnections between old gods and new worlds and the dialogic relationship between tradition and modernity delineating the

philosophical and literary debates that reject an easy division between a stereotypically traditional africa and a modern west the author shows how euba s plays and novel engage the entwined and intimate relationships between the modern and the traditional in contemporary africa and thereby she asserts the global resonance of euba s african and specifically yoruba conception of the world by meticulously collecting cataloguing and critiquing euba s works osagie models a new way of practicing african literary studies and invites us to glimpse narrative genius on the continent that she firmly believes african scholars should both promote and celebrate

Equality and Diversity in Education 1 *2013-10-08*

unleash your giant step into your greatness is a leadership book for entrepreneur women designed to help you shake loose your shrinking thinking and uncover the magnificent being you were made to be as entrepreneur women we are each presented with a continuous stream of moments in life in which we exercise choices the choices we make can either lead to self defeating behaviors or to behaviors that affirm and honor our lives over time depending on the mix of our choices we are either headed for breakdowns or breakthroughs our power is in how we choose to lead ourselves within the breakdown or the breakthrough and in order to lead in business we must be clear on the leadership we provide to ourselves not believing in your greatness especially when faced with challenges stunts your growth you can be a leader in place as long as you re committed to continual growth in your mindset your language and an understanding of self but what happens when you stop growing or you stop believing in your greatness especially when faced with challenges as women we tend to play small and that stops us from growing in the way we need to in order to honor leadership roles almost every entrepreneur

worries about the fear of failure not feeling good enough and can even suffer from imposter syndrome at some point in their business journey in this book and workbook you will discover tools to help you tap into your growth mindset so those big beautiful dreams you have can come into fruition you are amazing but when it comes to receiving your blessings you find yourself stretched thin by trying to stay in your comfort zone so it's time to get out of your comfort zone to rid yourself of limitations that hold you back from harnessing your power so join us on this journey to equip you with the tools and techniques that will lead to exposing and resolving any self-limiting beliefs, fears, or actions that keep you from reaching personal greatness

Thomas Carlyle's Collected Works ... 1869

Stanislavski's system has dominated actor training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading, and difficult-to-read English language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating, and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building a Character* back together into one volume and in a colloquial and readable style for today's actors. The result is a major contribution to the theatre and a service to one of the great innovators of the twentieth century.

The Works of Shakespeare 1871

The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of commentary organization. Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes pericope bibliography, a helpful resource containing the most important works that pertain to each particular pericope; translation, the author's own translation of the biblical text reflecting the end result of exegesis; and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form, structure, setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts. In order to illuminate the structure and character of the pericope, rhetorical or compositional features important to understanding the passage are also introduced here. Comment verse by verse.

interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the ot or nt 3 its place in the entire canon 4 theological relevance to broader ot or nt issues general bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

The Complete Poetical Works 1892

there is an increasing recognition today that young people need to have knowledge about religions and world views in order to live and work in diverse societies what kind of maps are they provided with through religious values and ethics education does education address the challenging existential questions that children and adolescents ask about life and the world this volume addresses different aspects of how existential questions have been dealt with in educational research it especially draws attention to the swedish research tradition of focusing on life questions and the interpretation of life in education but with contemporary international research added it also addresses issues of ethics education and discusses possible options for the future of existential questions as a resource for education

The Complete Works of William Shakespeare 1882

reproduction of the original the works of robert g ingsoll by robert green ingsoll

A Guide-book to the Poetic and Dramatic Works of Robert Browning 1891

in this closely argued book dr ball is concerned to analyse the imaginative process of self understanding which emerged as a characteristic feature of english romantic poetry and acquiring fresh creative force in the victorian period has been transmitted to our own times as a determining principle of the contemporary imagination dr ball relates her discussion to the distinction between the poet speaking directly in his own voice and the impulse to dramatised utterance the two modes of poetic expression conveniently summed up in keats s contrasting terms egotistical sublime and chameleon she shows how these polar tendencies co exist fruitfully in the work of wordsworth coleridge byron shelley and keats and from this standpoint supplies a coherent appreciation of the little regarded plays written by these poets turning to victorian critics and poets dr ball considers how the romantic inheritance fared at their hands she sees in the poets notably tennyson arnold browning and hopkins a vital link by which the romantic commitment to the agency of self consciousness has been carried forward to the twentieth century and concludes with a brief sketch of the creative role of self exploration in t s eliot and w b yeats
